Dear Ms. Arnold:

Attached please find the Conveyance Plat submittal for District 121. District 121 is a 17.846-acre multi-phase mixed use development located at the northeast intersection of Alma Road and State Highway 121. The development consists of office, retail, restaurant and hotel uses along with a park. The phase 1 development consists of an 8-story, approximately 200,000 square feet office building along with a parking garage as well as approximately 29,725 square feet of retail/restaurant space with a park. The purpose of the conveyance plat is to prepare lots for conveyance associated with the project. We are proposing to subdivide the existing property into 5 lots plus the common area. This is a replat of existing lots 1 and 2 of the Alma Plaza Addition. Project details are listed in detail below:
