Mission & Purpose of the Organization:

Recreation Center serving McKinney residents with activities covering diverse interests, ranging from exercise and fitness, socialization, education, cultural arts, and civic outreach

Project(s) Description:

In celebration of the Old Settler’s Recreation Center 20th anniversary, we are offering a free photography contest for guests to submit pictures of their Old Settler’s experiences from the past 20 years. A committee of judges will select 10 images to be presented on permanent display at the Recreation Center.

The photography award winners will be included in a reception event on Nov 3. The event will recognize some of the significant contributions by community groups and individuals to recreational programming and outreach at Old Settler’s.

We are also working with Collin County Historical society to create a small exhibit of the history of McKinney parks. It will feature images and information about some of McKinney’s oldest parks and most distinguished parks.

On Nov 5, an open house will welcome the general public to visit Old Settler’s, tour the facility and learn about the various activities and services offered. The day will be filled with entertainment, games and class demonstrations by program instructors.
