I oppose this reasoning. I live on Joplin Dr that backs to this land and while there is a lot of trees this project will be a huge eyesore. Joplin Dr also already has a ton of traffic from the school and drivers reaching the back part of the development of Cambridge. When Cambridge was originally drawn up there were supposed to be far fewer houses in the back part of the development but they changed it due to housing crash and that has resulted in way more traffic on Joplin than anticipated. We don't need more traffic and an eyesore in our backyard.
