

ELECTION SIGN POSTING GUIDELINES

Collin College is pleased to serve as a polling location for many elections held in Collin County. The Collin College Board of Trustees has established a policy related to signs on the college's campuses and the following summary has been developed specifically related to election signs as a convenience for candidates who wish to post signs or have a presence on our campuses during election periods.

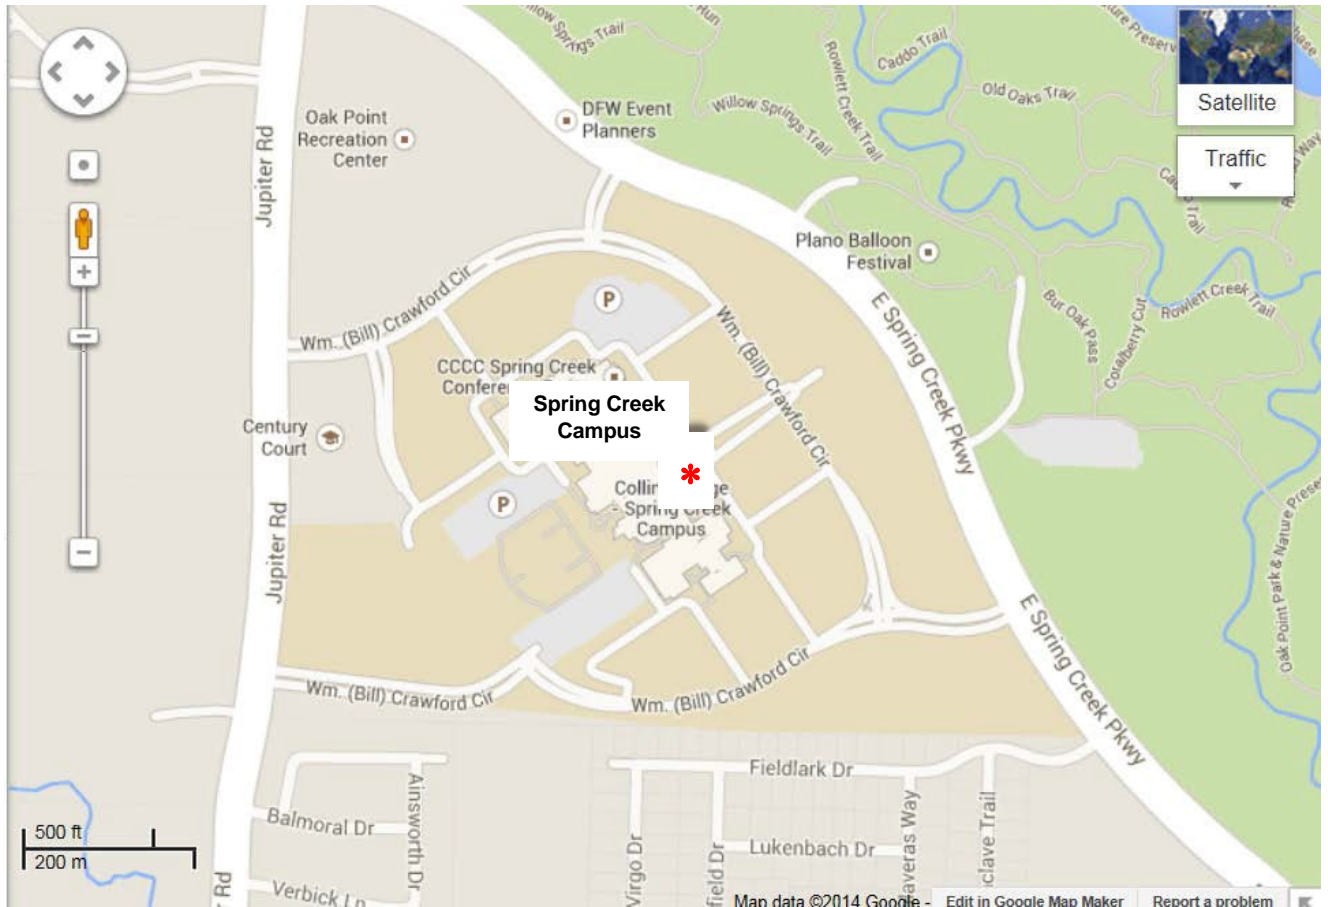

- For the purposes of this policy, "sign" shall be defined as a billboard, decal, notice, placard, poster, banner, or any kind of hand-held sign; "posting" shall be defined as any means used for displaying a sign.
- Election campaign signs shall be limited to five signs per candidate at each Collin College polling site, at a location designated by the appropriate campus vice president/provost, during the period of early voting and on Election Day when the campus is a voting site. Such signs are limited to sizes not to exceed 2' x 2' and must be either hand-held or staked into the ground. T-posts are not allowed.

The college has established the following regulations to implement this policy:

- The total of five signs per candidate is the limit regardless of whether the signs are from the candidate's campaign, a political action committee, or other interest group.
- A sign that endorses multiple candidates is counted as one of the five signs for each candidate.
- Issues-based campaign signs are limited to 3 signs per political action committee per issue, either supporting or opposing the issue.
- Tents, awnings or shelters are not permitted on college district property.
- Megaphones are not permitted within 1000 feet of the polling location.
- All electioneering must comply with applicable election laws.
- Authorized areas for signs for each campus are reflected on the attached maps.
- All campaign signs must be removed from college campuses within 24-hours after an election is over.
