**Subject:** TPWA Project of the Year - Rehabilitation of NRCS Floodwater Retarding Structure 2A EFAL

Congratulations! I am pleased to inform you that the Rehabilitation of NRCS Floodwater Retarding Structure 2A EFAL project has been selected as an APWA Texas Chapter Project of the Year for 2017. As the project's managing agency, primary contractor, and consultant, you are invited to receive this award at the TPWA Annual Conference in San Antonio on June 15. More information about the conference can be found at <http://www.tpwa.org/>.

The Chapter is proud to recognize this project! Please let me know if you have any questions.

Thanks,  
Spencer
