Currently, Historic Neighborhood Improvement Zone (HNIZ) Historic Tax Exemptions are based on qualifying criteria: Level 1 (100% exemption), Level 2 (50% exemption), and Level 3 (30% exemption). Neighborhood Empowerment Zone (NEZ)

Impact Fee Waivers currently offers 100% impact fee waivers for new single family residential development. Staff recommends expansion of the NEZ Program to address small-scale infill projects within the Town Center as follows: maintain current NEZ boundary, offer a 100% waiver of roadway impact fees for single family residential, non-residential, and vertically mixed-use developments (up to \$49,999 per project), and require City Council approval for all multi-family projects and waiver requests in the amount of \$50,000 and above.
