Dear McKinney Zoning Department:

I live in Sorrellwood Terrace and my property backs up to where the proposed property sits. I have NO interest in having a Commercial Property developed here. I don't want to look at the back of Commercial Property nor do I like all the noise and traffic that goes along with that. There are a lot of property sites in the nearby area that do not border homes. I moved here because I liked the quaint little neighborhood that sits in the trees and I would like that preserved. I would like it to stay that way! My friends, family and I walk this neighborhood and go to the park frequently so I am not in favor of adding MORE Commercial Property. It would be more dangerous I believe. As stated before, I back up to this property so PLEASE consider my request.

Regards,
