**Re: Uplands Drive Right of Way Abandonment Request**

Dear Mr. Quint:

Attached please find the Right of Way Abandonment Request submittal for Uplands. We are requesting to abandon approximately 0.706 acres of Uplands Drive from Collin McKinney Parkway north to Wessex Drive. The existing road is located in the Cooper Living Center Addition Phase 2. We are requesting to abandon Uplands Drive as part of the Wholelife at Craig Ranch development in order to provide driveway access to the proposed apartment buildings. Per discussions with City Staff, it has been deemed Uplands Drive is no longer needed for adequate access to and around the development. It is the intent of the owner and all consultants to construct a quality project within the standards set by the City of McKinney for Building and Engineering Design. Project details are listed in detail below

- Uplands Drive Abandonment from Collin McKinney Parkway to Wessex Drive.
- 0.706 Acre R.O.W. Abandonment
- Wholelife at Craig Ranch Development

Thank you for your consideration of this right-of-way abandonment. Please call if you have any questions.

Sincerely,  
**CROSS ENGINEERING CONSULTANTS, INC.**
