## JALISCO

Jalisco in Western Mexico, and the state that has done the most to give Americans their concept of Mexico; It is the home of "El Jarabe Tapatio", the famed Mexican hat Dance. Said to represent the courtship of doves, the woman dances around the man's hat if she steps on the brim, it means she accepts his offer of love. The woman's costume, with its elaborate ribbon dresses, is known as Rancheras. The man wears the rather sever Charro regalia of jacket, straight trousers, and wide brimmed hat.

Some of the great songs are distinctive in Mexican History La Cucaracha from the Mexican revolution and Cielito lindo from the Spanish influences. Students sing-along these typical songs!

## VERACRUZ

On the Gulf Coast of Mexico, is the state of Veracruz and the well-known city of the same name. Its dances are a blend of Spanish, Caribbean, and Indian influences. The famous La Bamba, for example, is a spirited representative of Veracruzano dance. The typical music of Veracruz, exemplified in the "Jaracho", uses small guitars known as jaranas and requintos, as well as violins and native harps. The local costumes are also of interest. Women wear highly decorated dresses with voluminous skirts while the man dresses in an elegant shirt and trouser of cotton or linen with characteristics straw hats. Your students will sing and dance along with the Company in the exciting final of this memorable performance.
