A patient-centered medical home providing
primary healthcare, including:

Medical

Dental

Behavioral Health

As a FQHC, Family Health Center . . .

- Qualifies for funding under Section 330 of the Public Health Service Act (PHS)
- Qualifies for enhanced reimbursement from Medicare and Medicaid, as well as other benefits
- Serves an underserved area or population
- Offers a sliding fee scale
- Has an ongoing quality assurance program
- Has a governing board of directors

Clinical and Financial Performance Measures

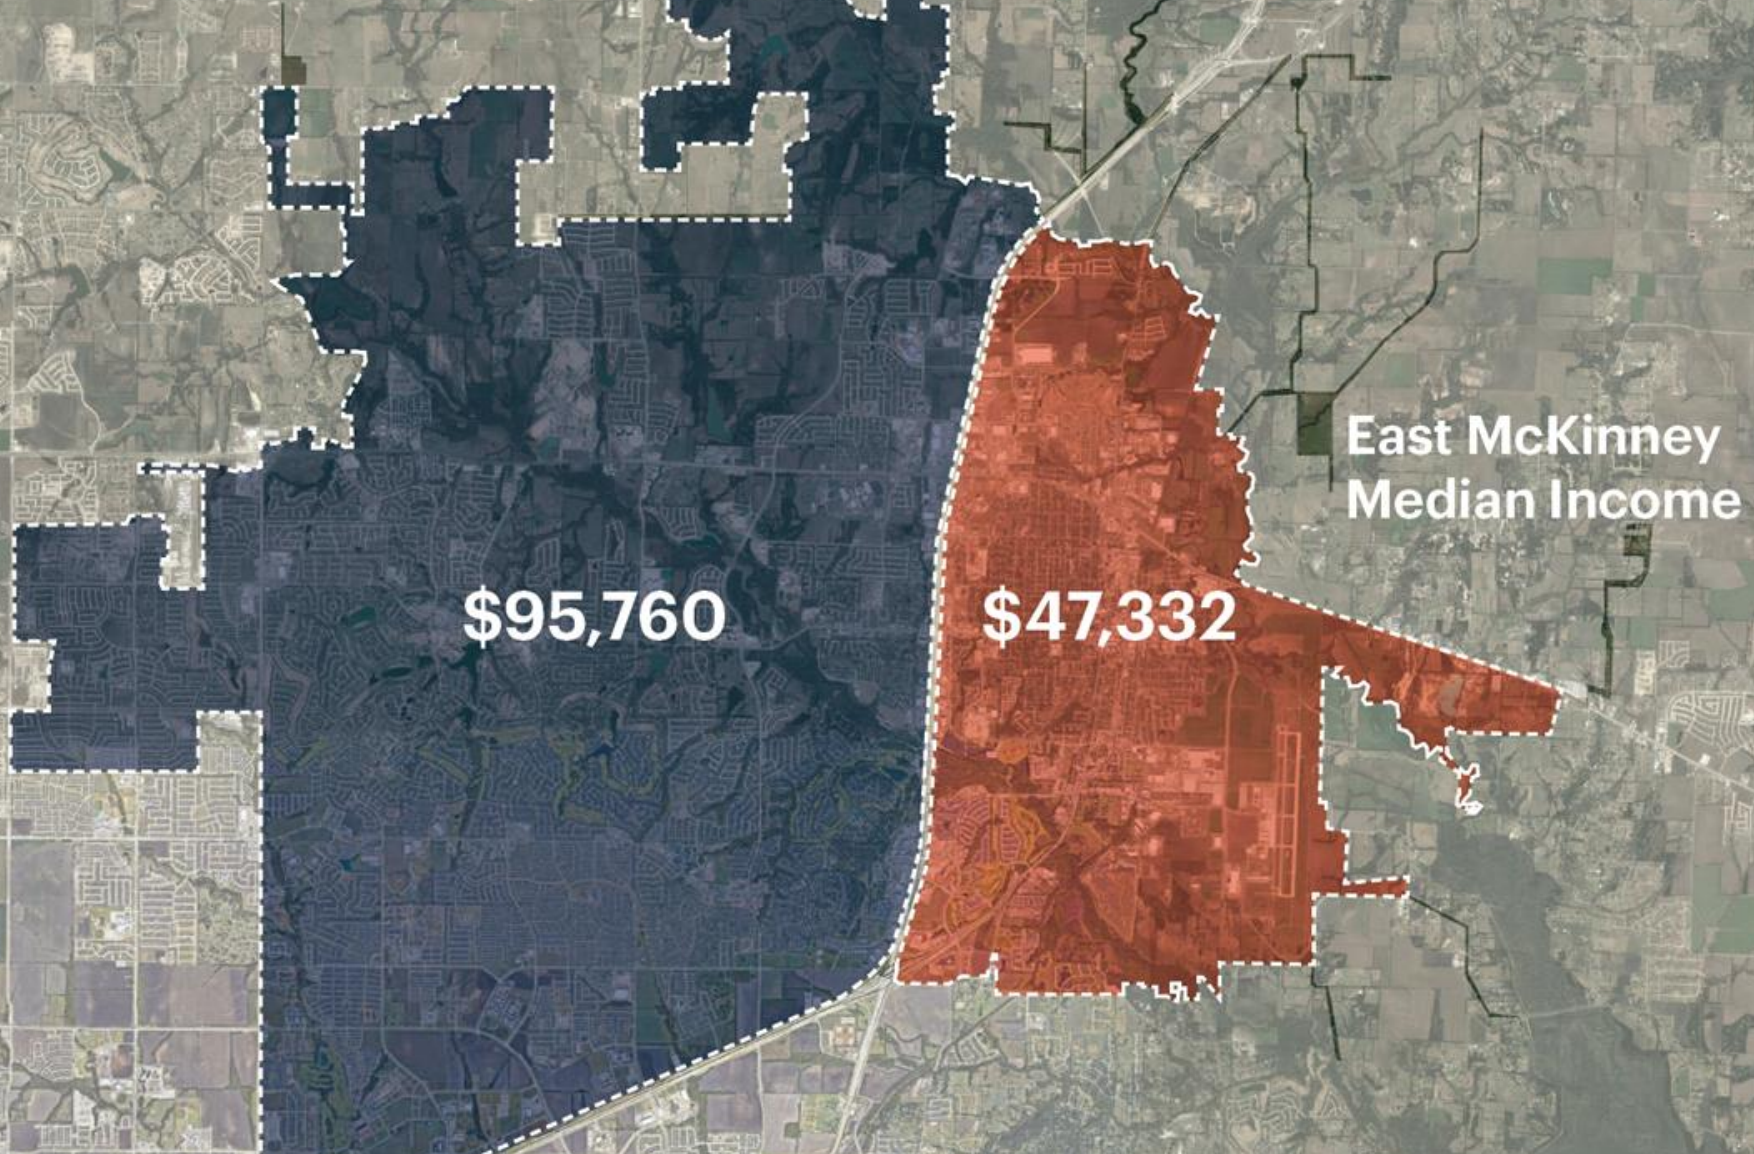

FQHCs are evaluated based on a set of performance measures emphasizing health outcomes and the value of care delivered.

1 - Quality of Care

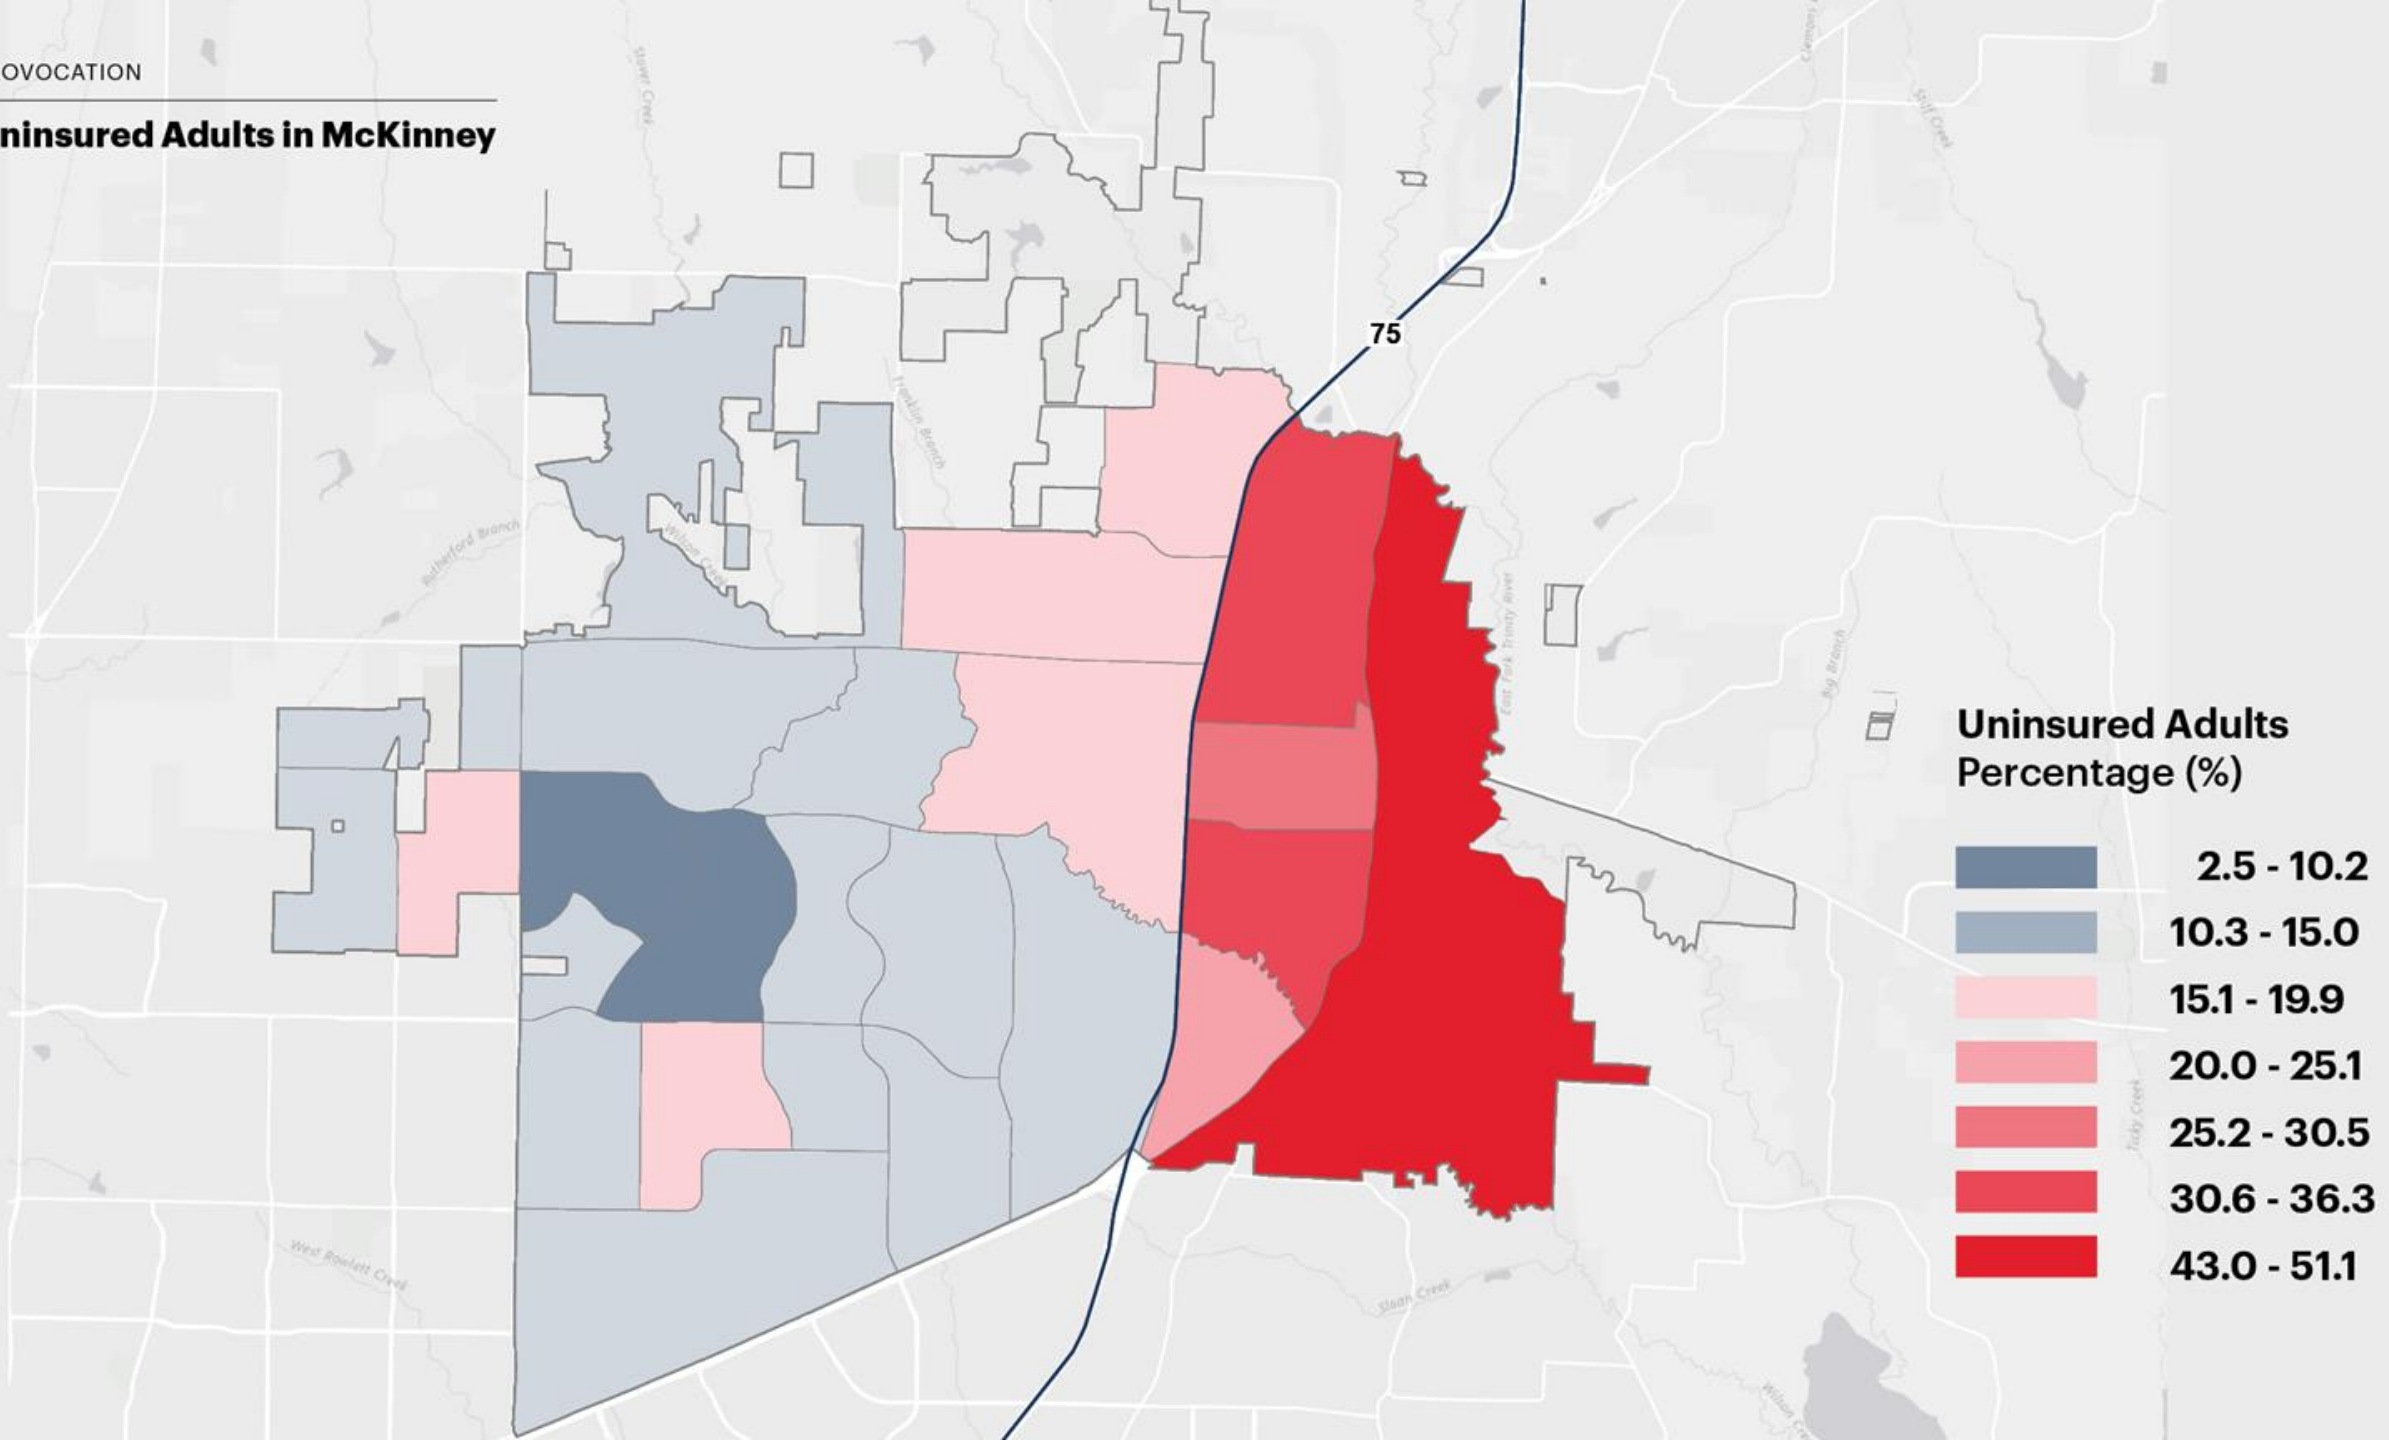

2 - Health Outcomes and Disparities

3 - Financial Viability/Costs

Median Household Income
