Dear Cindy and Board of Directors,

Habitat for Humanity of Collin County would respectfully request an extension of three (3) months through Sept 30th, 2022 for the project grant 21-13 in the total amount of \$200,000. This request is due to unforeseen delays in complete demolition of 1209 Virginia and in securing engineering permits from the City of McKinney. Additional delays have occurred in completing exterior and interior work at 905 Fitzhugh. The current expiration is June 30th, 2022 for this current project grant.

We are currently 72% complete with only \$55,000 remaining of the total \$200,000.

Thank you so much for your consideration in advance.
