Re: Letter of Intent: Hamilton-Jefferson Addition – NCCHF Development Preliminary – Final Replat

To City of McKinney,

North Collin County Habitat for Humanity is proposing to replat 1.047 acres for development of affordable housing by North Collin County Habitat for Humanity. It is described as 208.48 ft. fronting Jefferson St. North to South and 251.39 ft. fronting Hamilton East to West.

The phase of the development is currently vacant property zoned for residential in which we are requesting a 6 lot single family subdivision.

The name of the subdivision is Hamilton-Jefferson Addition in the Mary Standifer Survey, Short Lot 51, Block 1.

We are excited about the opportunities to provide affordable housing solutions in East McKinney and look forward to the approval of this preliminary- final replat to provide homes for six families.

Sincerely,

Celeste H. Cox  
Executive Director
