Re: ZONE2020-0137; Storybook Rezoning

Dear Mayor Fuller, City Council and Planning and Zoning Commission:

On behalf of the residents of Craig Ranch North that are affected by the proposal (Butterfield Trail), I am forwarding this letter in support of the application referenced above. We have met with the developers of the proposed project, Stillwater Capital Investments, and believe their proposed development is an excellent use of the property. We are very pleased with the cooperative way in which Stillwater approached this project and communicated with our homeowners. We have reviewed their plans and believe their project will be a great enhancement to our neighborhood. We are extremely appreciative of low-density and low-height product type proposed by Stillwater, especially compared to current zoning and other proposed projects.

As the City knows, our residents share a property line with the proposed development. We have discussed the appropriate screening between the properties with Stillwater in detail. It is our desire, and consistent with the regulations of our HOA, that our existing fencing and retaining wall be utilized with no additional fencing or screening installed. Any additional fencing would likely create an unmanageable strip of land between our properties with no new benefit. Stillwater has also agreed to make any required repairs to bring the fencing up to our HOA standards upon completion of their project at our HOA's reasonable discretion.

Again, we enthusiastically support the application and urge the City of McKinney to approve this request.

Thank you for your consideration.

Comments Request the following members of Council recuse themselves from vote on Item 20-0147Z2 rezoning of land located at 75 Central Expressway and FM 543. Mayor George Fuller and council members Charlie Phillips, Frederick Frazier, and Rick Franklin. All accepted campaign contributions of \$500 to \$1,000 during the 2019 and 2021 elections from Addison G. Wilson and/or Central and 543 LLC. Central and 543 LLC is owned by Addison G. Wilson Testamentary Trust. This can be substantiated by 2019 and 2021 campaign finance reports, Texas Secretary of State, and the Texas State Comptroller's web site. Additionally, all council members except council member elect, Gere Feltus accepted contributions from

partners in the firm of Abernathy, Boyd, Roeder, and Hullett during the 2019 and 2021 campaigns. The partners of the law firm who made donations accepted by Fuller, Phillips, Frazier, Franklin, and Beller, represent the owner of the land located at 75 Central Expressway and FM 543. For this reason, I request that mayor Fuller, council members Beller, Frazier, Franklin, Phillips, and Rogers recuse themselves from voting due to conflict of interest. By accepting the contributions from attorneys in the firm representing the property owner Fuller, Phillips, Frazier, Franklin, and Beller have a substantial conflict of interest in the rezoning request. These council members should recuse themselves from this and any future vote on items represented by Abernathy Boyd Roeder and Hullett.

Comments Since Mayor Fuller and Councilmembers Fred Frazier, Charlie Philips, and Rick Franklin all accepted \$500 up to \$1,000 in campaign contributions from 2019 to the most recent election cycle for Fuller and Philips from the property owner and developer of Central & 543, LLC, which is requesting a zoning change for property at Highway 75/Central Expressway and FM 543, I am asking that they recuse themselves from voting on this issue since they accepted money from Addison G. Wilson and/ or from the LLC directly. Wilson, III owns the Addison G. Wilson Testamentary Trust, which owns the LLC and this can all be supported via the campaign Finance reports and the TX Secretary of State and TX

Comptroller's Web site.

Additionally, every council member except for D3 Councilwoman-Elect, Gere' Feltus has accepted donations from attorneys, including the names partners to associate attorneys, from the McKinney based firm that is representing the Central & 543, LLC, Abernathy, Boyd, Roeder, and Hullett, per the 2019-2021 campaign finance reports filed with the City and that are available online. I am also asking that Mayor Fuller and council members Beller, Frazier, Franklin, Philips, Rogers recuse themselves from voting on this item bc they accept yes money from Various attorneys from that firm, which is representing the property owner due to a conflict of interest. I am asking the above listed council members/mayor recuse themselves from voting on future items by this firm.

Comments Please add this to my previous comment. The property owner proposing the change is Central & FM 543 and not Central & 75. Also, Councilman Philips accepted a \$500 campaign contribution from the property owner, Central & FM 543, LLC, per his campaign finance report dated 4/14/21. That is why I hopes he recused himself from voting on this item and anything related to this property owner and presented by attorney Bob Roeder in the future. The same for Fuller.

Comments I do not oppose this item, but I do oppose any votes made by Mayor George Fuller and At-Large City Councilman Charlie Philips as they both accepted campaign donations in the most recently election cycle from the property owner, Central & 75, LLC and from Attorney Robert "Bob" Roeder of the McKinney law firm Abernathy, Boyd, Roeder, and Hullett. Fuller received a total of \$7,250 in campaign donations included in his April 1 and April 30, 2021 campaign finance reports from 8 attorneys from that law firm, including \$1,000 of that amount from Roeder. Property owner Central & 75, LLC donated \$1,000 to Fuller, per his April 30, 2021 campaign finance report filed with the City. Philips accepted a \$500 campaign contribution from

Roeder and a \$500 campaign contribution, per his campaign finance reports filed with the City dated April 1, 2021 and April 14, 2021. I am asking that Mayor Fuller and Councilman Philips recuse themselves from voting on any this zoning change featured on tonight's agenda, along with any items that includes these parties and Central & 75, LLC, per the apparent conflict of interest and the appearance that it appears the property owner and attorneys donated to possibly sway Fuller's and Philip's votes on the issue. Both Fuller and Philips accepted the campaign donations and the Letter of Intent included in the agenda packet that is dated in late 2020.
