

ORGANIZATIONAL REPORT

2021 - July

McKinney Economic Development Corporation

MEDC Board,

I hope you are all having a great summer. We are very close to some big announcements for projects this year. We have a full project pipeline and continue to be very active in the community generating project leads. We are finally back on the road with more and more trade shows and conferences returning to in-person events. Conferences like Site Selectors Guild and Consultants Connect have already held conferences we have been part of. Across the industry, everyone is excited to be returning to a more “normal” meeting environment.

I want to welcome Miguel Esparza to our team in his new role of Project Manager for the MEDC. We are happy to have him on board! For all of you traveling, we hope you have fun and stay safe.

Peter
