The Mission Statement of The Odysseus North Texas Chamber Orchestra dba McKinney Philharmonic Orchestra.

The Odysseus Chamber Orchestra is dedicated to deepening, strengthening and broadening its relationship with the communities it serves through music.

Our vision is multi-faceted. Although the Odysseus Chamber Orchestra, a paid professional orchestra that produces high quality professional concerts, we place equal importance in our outreach and education programs that we created over the last several years. With the emphasis to youth, we created the summer music Intensives, The Greater North Texas Youth Orchestra, The Young Artist Viola Competition, The Mentorship Program, The Side-By-Side Program and The Annual School Concerts Tour.

Our Youth Orchestra provides students, parents and audiences with three concerts a season while our professional orchestra provides audiences with 5 to 6 concerts per season.

The organization is run by Artistic Director and Conductor Jason Lim. He organizes and plans logistics from securing dates, venues and guest artists. The Odysseus concert season comprises of categories; Classical Series, Family Concert Series, Holiday Concert Series and Pops Concert Series. The professional orchestra comprises of a core membership of 20 musicians and a large list of sub musicians of up to 30 musicians.

The orchestra was formed in 2012 in Denton and in 2014 moved to McKinney because the organization did not foresee potential growth in the city of Denton. Since 2014 the orchestra has built a reputation as an emerging new and exciting young professional orchestra. The artistic quality is on par with several established orchestras in the region and more accomplished musicians audition yearly to be selected into the orchestra. Our concert series grew from two concerts per season to six per season. In 2019, the orchestra made a name change from Odysseus Chamber Orchestra to McKinney Philharmonic Orchestra. This move is to showcase the city as an emerging arts destination for audiences and musicians and to help compliment the new designation of *Cultural District of McKinney*. Pay rate for our musicians are: \$77:00 - \$106.00 per service. Artistic and Conductor: \$10,000 annual stipend.

VISION, EXPANSION AND GROWTH

The mission of the **McKinney Arts Commission** is “Through the Arts Commission of McKinney the mission of the commission is to create a vibrant and viable arts community in which diverse, high-quality arts opportunities are available to McKinney residents and visitors.”

This is a philosophy we strongly believe in. We believe that a residential orchestra is an extension of a city's arts program and it displays the prosperity, diversity and innovation of a community and city. Recently the city won the Cultural District Designation from the Texas Commission on The Arts. We see this as an opportunity to continue our vision and to build a world class professional orchestra and a world class youth orchestra that showcases the diversity of the City of McKinney. Our goal is to make McKinney Philharmonic Orchestra where musicians want to play in and audiences want to attend concerts and listen to.

When we hold our concerts. Our musicians comes from all over the metroplex area. They bring their friends to concerts. When we have our dress rehearsal (which is the day of the concert), they will have dinner in downtown McKinney. Our audience comes from all over the metroplex areas as well (Please see graphs provided) and they will spend time before and after our concerts dining in restaurants in McKinney.

We have a vision to build the next best orchestra outside Dallas Symphony and Forth Worth Symphony. We also have a vision to build a youth orchestra program that will rival The Greater Youth Orchestra and we realize we need the support of every aspect that McKinney can offer. Our financial priorities have been to aim to compensate our musicians a competitive rate. Although we have raised their pay multiple times since 2012, we are still not yet competitive.

With the help of the promotional grants, we will be able to spread the word about our wonderful orchestra to more people.

3: Financial

The most important aspect of our organization is to compensate all our artists and musicians; compensate them appropriately and on time. Since the formation, the organization has raised the per service rate for musicians four times. Starting at \$50 per service in 2012, it is now \$80.00 for rank and file members and \$84 for Tier 2 members, \$91 for Tier 1 members and \$96 per service for Principal Members and \$106 for the concertmaster. Financial planning is crucial to the success of the orchestra. The orchestra has enjoyed a surplus for the last four years which has given the leadership team to plan further into the future and plan further growth and expansion. Since the orchestra moved to McKinney in 2014, we have programmed more community oriented and pops concerts and have dedicated to the following:

1. To provide the community with variety of concerts and
2. To maintain financially healthy organization.
3. Building an audience and at the same time try to carry the traditions of high artistic vision.
4. Find meaningful ways to connect to our community.

This grant from McKinney Community Development Corporation will enable us to budget more on Facebook sponsored ads and target areas outside of Texas. This will also allow us to allocate funds towards radio ads with NPR. They are usually more costly but it definitely targets our demographic. It has proven to be quite effective in the 2021-2022 concert season resulting in our biggest audience participation yet. We anticipate further growth next season.

FINANCIAL PLANNING

The considerations we take in our financial planning falls both on long term as well as short term. Here are the factors we take to planning our long term goals:

LONG TERM

1. Increase concert programs (Planning to expand by one more concert in 2023-2024 season)
2. Increase pay rate for musicians.
3. Increase donors.
4. Increase audience members. (This season we saw an increase doubling all projections and expectations)

5. Increase staff to assist in the everyday business and operations of the organization

SHORT TERM

1. Minimize and or eliminate deficits.
2. Balance the budget at the end of the season

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Schedule B (Form 990, 990-EZ, or 990-PF), such as legislation enacted after the schedule and its instructions were published, go to www.irs.gov/Form990.

Note: Terms in **bold** are defined in the *Glossary* of the Instructions for Form 990.

Reminders

Certain tax-exempt organizations are no longer required to report the names and addresses of their contributors on Schedule B (Form 990 or 990-EZ). However, these organizations must continue to keep this information in their books and records. Organizations described in section 501(c)(3) and section 527 are still required to report the names and addresses of their contributors on Schedule B. See Regulations section 1.6033-2 (T.D. 9898), 2020-25 I.R.B. 935, and *General Rule*, later.

Purpose of Schedule

Schedule B (Form 990, 990-EZ, or 990-PF) is used to provide information on contributions the organization reported on:

- Form 990, Return of Organization Exempt From Income Tax, Part VIII, *Statement of Revenue*, line 1;
- Form 990-EZ, Short Form Return of Organization Exempt From Income Tax, Part I, line 1; or
- Form 990-PF, Return of Private Foundation, Part I, line 1.

Who Must File

Every organization must complete and attach Schedule B to its Form 990, 990-EZ, or 990-PF, unless it certifies that it doesn't meet the filing requirements of this schedule by:

- Answering "No" on Form 990, Part IV, *Checklist of Required Schedules*, line 2; or
- Checking the box on:
 - Form 990-EZ, line H; or
 - Form 990-PF, Part I, *Analysis of Revenue and Expenses*, line 2.

See the separate instructions for these lines on those forms.

If an organization isn't required to file Form 990, 990-EZ, or 990-PF but chooses to do so, it must file a complete return and provide all of the information requested, including the required schedules.

Accounting Method

When completing Schedule B (Form 990, 990-EZ, or 990-PF), the organization must use the same accounting method it checked on Form 990, Part XII, *Financial Statements and Reporting*, line 1; Form 990-EZ, line G; or Form 990-PF, line J.

Public Inspection

Note: Don't include social security numbers of contributors as this information may be made public.

- Schedule B is open to public inspection for an organization that files Form 990-PF.
- Schedule B is open to public inspection for a section 527 political organization that files Form 990 or 990-EZ.
- For all other organizations that file Form 990 or 990-EZ, the names and addresses of contributors aren't required to be made available for public inspection. All other information, including the amount of contributions, the description of **noncash contributions**, and any other information, is required to be made available for public inspection unless it clearly identifies the contributor.

If an organization files a copy of Form 990 or 990-EZ, and attachments, with any state, it shouldn't include its Schedule B (Form 990, 990-EZ, or 990-PF) in the attachments for the state, unless a schedule of contributors is specifically required by the state. States that don't require the information might inadvertently make the schedule available for public inspection along with the rest of the Form 990 or 990-EZ.

See the instructions for Form 990, 990-EZ, or 990-PF for information on telephone assistance and the public inspection rules for these forms and their attachments.

Contributions To Be Included on Part I

A *contributor* (person) includes individuals, fiduciaries, partnerships, corporations, associations, trusts, and exempt organizations. In addition, section 509(a)(2), 170(b)(1)(A)(iv), and 170(b)(1)(A)(vi) organizations must also report **governmental units** as contributors.

Contributions

Contributions reportable on Schedule B (Form 990, 990-EZ, or 990-PF) are contributions, grants, bequests, devises, and gifts of money or property, whether or not for charitable purposes. For example, political contributions to section 527 political organizations are included. Contributions don't include fees for the performance of services. See the instructions for Form 990, Part VIII, line 1, for more detailed information on contributions.

General Rule

Unless the organization is covered by one of the *Special Rules*, later, it must report in Part I contributions from all persons who contribute \$5,000 or more (in money or other property) during the **tax year**. As described below, certain organizations report only total contribution amounts. Contributions may be made directly or indirectly and may take the form of money, **securities**, or any other type of property.

Include all separate and independent gifts that are \$1,000 or more to determine a contributor's total contribution. Gifts that are less than \$1,000 may be disregarded. Include each contribution reported on Form 990, Part VIII, line 1. For example, if an organization that uses the accrual method of accounting reports a pledge of noncash property in Part VIII, line 1, it must include the value of that contribution in calculating whether the contributor meets the General Rule (or one of the Special Rules, if applicable), even if the organization didn't receive the property during the tax year.

Certain organizations not required to report contributor names and addresses.

Certain organizations are no longer required to report the names and addresses of their contributors on Schedule B. Such organizations are those other than:

- Section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and nonexempt private foundations described in section 6033(d)), or
- Section 527 political organizations. Organizations not required to report the names and addresses should enter "N/A" in Part I, column (b). These organizations must continue to:
 - Collect the names and addresses of their contributors,
 - Keep this information in their records and books, and
 - Make the information available to the IRS upon request.

Section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and nonexempt private foundations described in section 6033(d)), and section 527 political organizations must report the names and addresses of their contributors in Part I, column (b), on Schedule B.

Special Rules

Section 501(c)(3) organizations that file Form 990 or 990-EZ.

For an organization described in section 501(c)(3) that meets the 33¹/3% support test of the regulations under sections 509(a)(1) and 170(b)(1)(A)(vi), and not just the 10% support test (whether or not the organization is otherwise described in section 170(b)(1)(A)), list in Part I only those contributors whose contribution of \$5,000 or more during the tax year is greater than 2% of the amount reported on Form 990, Part VIII, line 1h(A); or Form 990-EZ, line 1. *An organization that claims the benefit of this special rule must either (1) establish on Schedule A (Form 990 or 990-EZ), Part II, that it met the 33¹/3% support test for the current year or prior year; or (2) check the box on Schedule A (Form 990 or 990-EZ), Part I, line 7 or 8, and the box on Schedule A, Part II, line 13, as a section 170(b)(1)(A)(vi) organization in its first 5 years.*

Example. A section 501(c)(3) organization, of the type described above, reported \$700,000 in total contributions, gifts, grants, and similar amounts received on Form 990, Part VIII, line 1h. The organization is only required to list in Parts I and II of its Schedule B each person who contributed more than the greater of \$5,000 or 2% of \$700,000 (\$14,000) during the tax year. Thus, a contributor who

gave a total of \$11,000 wouldn't be reported in Parts I and II for this section 501(c)(3) organization. Even though the \$11,000 contribution to the organization was greater than \$5,000, it didn't exceed \$14,000.

Section 501(c)(7), (8), or (10) organizations.

For contributions to these social and recreational clubs, fraternal beneficiary and domestic fraternal societies, orders, or associations that weren't for an exclusively religious, charitable, etc., purpose, list in Part I contributions from each contributor who contributed \$5,000 or more during the tax year, as described under *General Rule*, earlier.

For contributions to a section 501(c)(7), (8), or (10) organization received for use exclusively for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals (section 170(c)(4), 2055(a)(3), or 2522(a)(3)), list in Part I contributions from each contributor whose aggregate contributions for an exclusively religious, charitable, etc., purpose were more than \$1,000 during the tax year. To determine the more-than-\$1,000 amount, total all of a contributor's gifts for the tax year (regardless of amount). For a noncash contribution, complete Part II.

All section 501(c)(7), (8), or (10) organizations that listed an exclusively religious, charitable, etc., contribution in Part II or III must also complete Part III to provide further information on such contributions of more than \$1,000 during the tax year and show the total amount received from such contributions that were for \$1,000 or less during the tax year.

All section 501(c)(7), (8), or (10) organizations listing contributions under this special rule should enter "N/A" in Part I, column (b), and should not enter the name and address of any contributor.

However, if a section 501(c)(7), (8), or (10) organization didn't receive total contributions of more than \$1,000 from a single contributor during the tax year for exclusively religious, charitable, etc., purposes and consequently wasn't required to complete Parts I through III with respect to these contributions, it need only check the third *Special Rules* box on the front of Schedule B and enter, in the space provided, the total contributions it received during the tax year for an exclusively religious, charitable, etc., purpose.

Specific Instructions

CAUTION Don't attach substitutes for Schedule B or attachments to Schedule B with information on contributors. Parts I, II, and III of Schedule B may be duplicated as needed to provide adequate space for listing all contributors. Number each page of each part (for example, Page 2 of 5, Part II).

Part I. In column (a), identify the first contributor listed as No. 1 and the second contributor as No. 2, etc. Number

consecutively. In column (b), section 501(c)(3) organizations (including section 4947(a)(1) nonexempt charitable trusts and section 501(c)(3) nonexempt private foundations) and section 527 organizations enter the contributor's name, address, and ZIP code. Identify a donor as "anonymous" only if the organization doesn't know the donor's identity. Other organizations would enter "N/A" in place of each contributor's name, address, and ZIP code. In column (c), enter the amount of total contributions for the **tax year** for the contributor listed.

In column (d), check the type of contribution. Check all that apply for the contributor listed. If a *cash contribution* came directly from a contributor (other than through payroll deduction), check the "Person" box. A cash contribution includes contributions paid by cash, credit card, check, money order, electronic fund or wire transfer, and other charges against funds on deposit at a financial institution.

If an **employee's** cash contribution was forwarded by an employer (indirect contribution), check the "Payroll" box. If an employer withholds contributions from employees' pay and periodically gives them to the organization, report only the employer's name and address or "N/A," as applicable, and the total amount given unless you know that a particular employee gave enough to be listed separately.

Check the "Noncash" box in column (d) for any contribution of property other than cash during the tax year, and complete Part II of this schedule. For example, if an organization that uses the accrual method of accounting reports a pledge of noncash property on Form 990, Part VIII, line 1g, it must check the "Noncash" box and complete Part II even if the organization didn't receive the property during the tax year.

For a section 527 organization that files a Form 8871, Political Organization Notice of Section 527 Status, the names and addresses of contributors that aren't reported on Form 8872, Political Organization Report of Contributions and Expenditures, don't need to be reported in Part I if the organization paid the amount specified by section 527(j)(1). In this case, enter "Pd. 527(j)(1)" in column (b) instead of a name, address, and ZIP code; but you must enter the amount of contributions in column (c).

Part II. In column (a), show the number that corresponds to the contributor's number in Part I. In column (b), describe the **noncash contribution** received by the organization during the tax year, regardless of the value of that noncash contribution. Note the public inspection rules discussed earlier.

In columns (c) and (d), report property with readily determinable market value (for example, market quotations for securities) by listing its **fair market value (FMV)**. If the organization immediately sells **securities** contributed to the organization (including through a broker or agent), the contribution must still be reported as a gift of property (rather than cash) in the amount of the net

proceeds plus the broker's fees and expenses. See the instructions for Form 990, Part VIII, line 1g, which provide an example to illustrate this point. If the property isn't immediately sold, measure market value of marketable securities registered and listed on a recognized securities exchange by the average of the highest and lowest quoted selling prices (or the average between the bona fide bid and asked prices) on the contribution date. See Regulations section 20.2031-2 to determine the value of contributed stocks and bonds. When FMV can't be readily determined, use an appraised or estimated value. To determine the amount of a noncash contribution subject to an outstanding debt, subtract the debt from the property's FMV. Enter the date the property was received by the organization, but only if the donor has fully given up use and enjoyment of the property at that time.

The organization must report the value of any **qualified conservation contributions** and contributions of **conservation easements** listed in Part II consistently with how it reports revenue from such contributions in its books, records, and financial statements and in Form 990, Part VIII, *Statement of Revenue*.

For more information on noncash contributions, see the instructions for Schedule M (Form 990), Noncash Contributions.

If the organization received a partially completed Form 8283, Noncash Charitable Contributions, from a donor, complete it and return it so the donor can get a charitable contribution deduction. Keep a copy for your records.

Original (first) and successor donee (recipient) organizations must file Form 8282, Donee Information Return, if they sell, exchange, consume, or otherwise dispose of (with or without consideration) charitable deduction property (property other than money or certain publicly traded securities) within 3 years after the date the original donee received the property.

Part III. Section 501(c)(7), (8), or (10) organizations that received contributions for use exclusively for religious, charitable, etc., purposes during the tax year must complete Parts I through III for each person whose gifts totaled more than \$1,000 during the tax year. Show also, in the heading of Part III, the total of gifts to these organizations that were \$1,000 or less for the tax year and were for exclusively religious, charitable, etc., purposes. Complete this information only on the first Part III page if you use duplicate copies of Part III.

If an amount is set aside for an exclusively religious, charitable, etc., purpose, show in column (d) how the amount is held (for example, whether it is commingled with amounts held for other purposes). If the organization transferred the gift to another organization, show the name and address of the transferee organization in column (e) and explain the relationship between the two organizations.
