WHO WE ARE

The YMCA of Metropolitan Dallas serves thousands of men, women and children each year, regardless of age, income or background.

Anchored in 18 North Texas communities, the Dallas Y has the long-standing relationships and physical presence not just to promise, but to deliver lasting personal and social change.

The Y ensures all people have equitable access to the essentials needed to become thriving members of the community.

OUR MISSION

To put Christian values into practice through programs that build healthy spirit, mind and body **for all**.

More than 3,100 people are members of the McKinney Family YMCA, which supports them at every stage of their life in building positive healthy habits.
