Mr. Paul Grimes
City Manager, City of McKinney
(C/O Trevor Minyard)

Delivered via email

Dear Manager Grimes:

The City and Focused Advocacy executed an agreement for legislative and advocacy consulting services effective on Nov. 1, 2018 (hereinafter "the contract"). That Contract was then subsequently extended under its mutual renewal clause for an additional two-year period under the same terms and conditions on Sept. 16, 2020. We would now like to proposal amending the existing agreement to allow for an additional two year renewal on the same terms and conditions as the existing contract.

The original contract language in section 3 contains an option to renew the agreement as restated in full here: "**(At the mutual agreement of both parties, this contract may be renewed for one additional 24-month period.**"

We would propose the original contract to be amended in section 3 to read as follows:

"At the mutual agreement of both parties, this contract may be renewed for two additional 24-month periods."

Please accept this letter as our written agreement to amend and renew the original contract under the same terms conditions for the period beginning October 1, 2022 through September 30, 2024.

If this amendment and renewal are agreeable, please sign below. After executing, please email a scanned copy of the signed letter to Snapper@focusedadvocacy.com and mail an original to:

We look forward to continuing our relationship with the City by providing our services. We appreciate your continued faith in our firm.

Respectfully,
