## **I. Applying Organization**

- Describe the mission, strategic goals and objectives, scope of services, day to day operations and number of paid staff and volunteers.

This grant request is submitted on behalf of the Board of Trustees of Holy Family School in McKinney. Holy Family School provides a loving environment for children, meeting the needs of McKinney and surrounding area's diverse population. They promote a sense of self-worth, a respect for others and a love for learning. In partnership with parents and the community, their programs allow each child to grow, develop and learn to his or her fullest potential. All net funds from the Believe! 10k/5k run go towards scholarships for students and families who need financial assistance during the school year. The school was started in the 1951 to address a need for safe, effective baby care and preschool within the Spanish-speaking migrant community. Holy Family School, founded as a safe haven and educational cornerstone for preschool-aged children, has grown and evolved over the past 64 years and now has a stellar reputation within the community. Holy Family School alumni are now leaders in the community and have pointed to the difference the school made in their lives as children. (Please see additional information about daily operations, staff, and volunteers on the HFS website - [www.hfsmckinney.org](http://www.hfsmckinney.org))

- Disclose and summarize any significant, planned organizational changes and describe their potential impact on the Project/Promotion/Community Event for which funds are requested.

The Holy Family School has recently named a new Head of School, Ms. Stephanie VanKirk. With extensive experience in nonprofit management and children's programs, Ms. VanKirk's mission for the Believe Race this year is to garner even more support from within the McKinney and Dallas church communities, and increase participation of youth runners from across north Texas by a large margin. She also plans to increase the participation of our Holy Family students and their families in the race itself.

## **II. Project or Promotion/Community Event (whichever is applicable)**

- Outline details of the Project/Promotion/Community Event for which funds are requested. Include information regarding scope, goals, objectives, target audience.

The idea of creating a race like Believe! Started in 2006 when Holy Family School was in much need of funding for scholarships. A compassionate and dedicated group of McKinney citizens came together and, motivated by the power of believing and willingness to serve, Believe! was born. This small group accomplished something never done in McKinney: the creation of a 10k/5k race through historic downtown. Working closely with several community groups, including McKinney Main Street and the City of McKinney, the first Believe! Race took place on November 25<sup>th</sup>, 2006. Held during the annual McKinney "Home for the Holidays" (formally Dickens of a Christmas), the Believe event brought in runners from all over North Texas, out of state and several foreign countries. This year marks the tenth anniversary of Believe, and we're confident that the race will continue to attract runners from all parts of Texas and the US to

downtown McKinney. With any luck, we'll also once again garner a few international runners!

- **For Promotional Grants/Community Events** – describe how this initiative will **promote the City of McKinney for the purpose of business development and/or tourism.**

In 2006 McKinney was the fastest growing community with a population over fifty thousand in the United States. As such, the Believe! team realized that there was a growing need for affordable, quality childcare in the area. Even today, with our town named The Best Place to Live in the United States, many parents live below the poverty level on one income due to the lack of affordable childcare for their infants and preschoolers. Single mother languish in long lines waiting for federal or state funding because there is simply no money for child care.

Believe! would have to create a project large enough that it would capture the attention of the community, touch the hearts of volunteers and participants, and be unique enough to start a strong tradition in our great city. The theme and timing of the run has been intentionally designed to benefit the downtown merchants, the annual Home for the Holidays festival, and the tourism and economy of McKinney. Building on nine consecutive years of success, this grant request for \$15,000 will help fund the promotional and advertising expenses associated with the race. Our statistics show that 42.2% of the race participants come from outside McKinney. There were a total of 851 registered runners and 359 were from cities other than McKinney. Believe! attracts people who may stay the night in McKinney the Friday night before the race and stay to shop after run on Saturday and enjoy Home for the Holidays events. Local families also attend the event, bringing several thousand people to the kickoff of the Home for the Holidays week end. We would like to build on this success and market the race to increase participation and grow the numbers of visitors who come to our great city.

- Describe how the proposed Project/Promotion/Community Event fulfills strategic goals and objectives for your organization.

Our goal remains to fund pre-school scholarships for the children who need us most by hosting a safe, challenging, beautiful 5/10k race to show off our historical downtown and help increase attendance at Home for the Holidays. The average race has brought in around 1,200 runners, not including families, volunteers, and spectators which increase the total to around 3,000 in attendance. With each registration, we are increasing the monetary donation to the Holy Family School's Scholarship Fund and growing the event for the following year.

- Please also include planned activities, time frame/schedule, and estimated attendance and admission fees if applicable.

The event will take place on Saturday, November 28<sup>th</sup>, 2015. Start and Finish will be located at Mitchell Park and the awards ceremony will take place on the Main Stage at Home for the Holidays. Before the races begin, Believe! offers the community a time to celebrate with the sunrise and create a very special children's event. The Great Santa Chase! Thanks to our mayor, Brian Loughmiller, who has been our guest Santa for 9 years, the children love to "chase" Santa and burst through a banner made especially for them. Each child receives a candy cane for being part of the event. Then they are encouraged to run in the 5k Mayors Challenge. During the award ceremony, Judge Paul Raleeh continues to promote our city, schools, and

Home for the Holidays by sharing fun facts about the great town and the great traditions here! After the commencement of the awards all participants could join in the Home for the Holidays, including eating in restaurants and some very special Christmas shopping. Believe! receives numerous compliments about the timing of the run and having family day in downtown to celebrate the beginning of the holidays. Please see full schedule attached.

- Include the venue/location for Project/Promotion/Community Event?

The event takes place at Mitchell Park, in downtown McKinney.

- Provide a timeline for the Project/Promotion/Community Event.

During Home for the Holidays

6:00 am - Volunteer Check-in

7:00 am - Race Registration

7:30 am - Sunrise Celebration

8:00 am- 10K starts

8:15 am - The Great Santa Chase

8:20 am - Warm Up

8:25 am - 5K and 1 Mile Holiday Walk

9:45 am - Awards Ceremony

- Detail goals for growth/expansion in future years.

Believe! is thrilled to pair up again with Home for the Holidays and present the 10<sup>th</sup> annual Believe! Believe's long term vision is to increase preschool scholarship funding for families in need within our community. We will continue to look for fun and family-friendly ways to bring energetic, creative fundraising to McKinney and help get the community involved as we raise funds for both Believe! and HFS. Believe! is building year by year on past successes, and we are hopeful that local businesses will help us with sponsorships in a more substantial way now that event has grown in strength and credibility. We see the day when the run will have several thousand participants, and truly be a jump-start to the Saturday's events at Home for the Holidays. We are looking for partners and grants to help us make this vision a reality, and to invest in an idea that is likely to reap great benefits in the future.

**Has a feasibility study or market analysis been completed for this proposed project?**

This is the 10<sup>th</sup> year for the Believe! race. We do not think a feasibility study is necessary. If you have questions or concerns about this, let us know.

**Provide specific information to illustrate how this Project/Promotion/Event will enhance quality of life and further business and economic development in the City of McKinney, and support one or more of MCDC's goals:**

- Develop and strengthen public, community amenities to improve quality of life for residents in the City of McKinney
- Support projects eligible for Type B funding under state law
- Contribute to economic development and/or tourism within McKinney
- Educate the community about the impact "buying local" has on quality of life in McKinney

Believe! is unique in that it features McKinney's historic downtown area. The courses are chip timed and officially certified by USATF in 2010. They are not only breathtaking with the turning of the trees in November and our beautiful homes, but also are challenging courses which brings in more competitive runners. It has become a tradition for many, many families kicking off the holiday season. We intend to keep the race locally influenced and administered, not corporate and urban like so many runs have become. Opportunities to feature local talent abound, from the pre-race "Sunrise Celebration" and music, to the post-race awards celebration. As the run progresses, we look forward to integrating more local talent. Also we feel the run has an important place in McKinney by promoting health and fitness to all who participate including our children.

Besides the philanthropic aspect of Believe!, we want this race to exist in the city to boost McKinney's economy and small businesses. Before Believe! there were not a lot of visitors early morning in our downtown area which was competing against one of the busiest shopping weekends of the year. Believe! which has something for all age groups, encourages families to come to our downtown and shop and eat in one of our great restaurants. This grant is a way for us to promote Believe! and consequently Home for the Holiday, and ultimately, McKinney.

**Has a request for funding, for this Project/Promotion/Community Event, been submitted to MCDC in the past?**

X Yes

No

**III. Financial**

- Provide an overview of the organization's financial status including the impact of this grant request.

The Believe! race is a self-contained endeavor which benefits Holy Family School in McKinney. The net proceeds from each year's race are given to the Scholarship Fund at Holy Family School to help low income families afford quality childcare for their preschoolers. The Board of Directors of Believe! retains a portion of the proceeds from the prior year's race to cover start-up expenses for the current year's race. The grant will allow a higher donation to be given to HFS which will impact more families within McKinney. This is more critical than ever with the expansion of the Samaritan Inn. The grant monies will be utilized for promoting the Believe! race, targeting populations outside of McKinney.

- Please attach your budget for the current year and audited financial statements for the preceding two years. If financials are not available, please indicate why.

We have attached the 2014 deposits and expenses for the Believe! race. Earlier expense information is not available. We also can provide a financial summary for the Holy Family School, if needed

**What is the estimated total cost for this Project/Promotion/Community Event?**

**\$40,000**

**(Include a budget for the proposed Project/Promotion/Community Event.)**

**What percentage of Project/Promotion/Community Event funding will be provided by the Applicant? 100%**

**Are Matching Funds available?**  Yes  No

Cash \$	Source	% of Total
In-Kind \$	Source	% of Total

**Are other sources of funding available?** *No*

**Have any other federal, state, or municipal entities or foundations been approached for funding?** *No*

**IV. Marketing and Outreach**

Describe marketing plans and outreach strategies for your organization and for the Project/Promotion/ Community Event for which you are requesting funding – and how they are designed to help you achieve current and future goals.

Grant money will be used exclusively for advertising and promotion to areas outside of McKinney. Local advertising, expenses on website development and promotion is funded by income for local sponsors, and from some start-up expenses held from prior year's race. What is listed in the "Use of Grant" section are items that are not funded by our current budget, and will spell out the specific use of grant funds. No grant money will be used for operational expenses or local advertising. We would propose that the natural partnership between the Believe! race and McKinney Main Street should now extend to the Chamber of Commerce and the Convention and Visitors Bureau. We would like to tap in to the Bureau's expertise on how to advertise the race and help us build more and better relationships with local businesses.

Specific uses for grant money would include:

The focus of the marketing strategy is targeting surrounding DFW residents to kick off the start of the 2015 holiday season by participating in the 5k/10k race through beautiful historic downtown McKinney. Specifically, the target audience is as follows:

1. Frequent competitive and non-competitive short-distance runners interested in an event to

participate over the holiday weekend. They are looking for race courses that are challenging and well-managed to track their performance, but also come with a tradition of fun and giving back to the community

2. Families of all ages who lead an active lifestyle that are interested in building on their own holiday traditions in a way that promotes a healthy lifestyle and an opportunity for service
3. Festival goers in the DFW area that would be interested in participating in the run/walk event as a part of a full day of activities at the "Home for the Holidays" event in downtown McKinney.

The Believe 2015 race is different from other races in the DFW area because of its philanthropic history of benefiting educational scholarships for needy children in the area, as well as being the opening element to a fun day of holiday activities in the downtown McKinney area. We intend to highlight that uniqueness in marketing and PR messages. The marketing activities will focus on the following elements, and will spend approximately \$15,000 in funding:

- Paid digital social media: utilizing highly geo-targeted paid media plan on social channels like Facebook and Twitter, we will focus on driving awareness and engagement with the three segments listed above. The Facebook and Twitter pages will contain content about the race, how to register, details on the charity, and a way for viewers and followers to "share" the content with friends and family. While we will focus on McKinney residences as a core target, we will also reach out broadly to the DFW area in hopes of drawing new runners and their families to the historic McKinney area and fun family holiday events. Cost: \$10,000
- Email outreach: targeted emails to past runners, sponsors, and volunteers will kick off the effort.. Emails will include photo of 2015 race shirt, pricing, special "early bird" offers incorporating MEDC and other corporate sponsor information, and link to registration site. Cost: \$2,000
- PR effort: pitch local media (McKinney, Frisco, Plano, Coppell, Allen, Dallas and more) with interview with Ned Searles, race founder. Ned will cover the history of the 9 year-old race and how the race has a deep personal connection to himself and his family. All PR interviews will include a press packet with social channel detail, race logo, race registration URL, photos from previous year races, and website information. Target media include McKinney Gazette, Dallas Morning News, Plano Star Courier, Allen American and more. Cost: \$1,000
- Local community outreach: Yard signs, local store and church banners and flyers, and marketing materials for sponsoring corporations to provide in break rooms and other areas for their employees will be developed. \$2,000

After the race, a full analysis of the media spend, engagement metrics like click throughs and "likes", as well as attribution of race registrations will be conducted to understand what efforts yielded the most effective and efficient response. The goal is to have over 13,000 run/walkers in 2015, and to bring in new or first time participants from a broader area across the DFW region. Learnings from 2015 race will inform ongoing improvements for 2016.

## **V. Metrics to Evaluate Success**

Outline the metrics that will be used to evaluate success of the proposed Project/Promotion/Community Event. If funding is awarded, a final report will be required summarizing success in achieving objectives outlined for the event.

Every year the committee members come together and evaluate how the event went and where they can improve again next year. At each of these meetings, the committee discusses what worked, what could be improved upon, or what needs to be changed. Our team includes people that are expert in marketing, finance and in administration of run events. Our committee takes a careful look on not only the day of the race, but also the entire administration for the entire year. We are interested in getting local input from local merchants, hotels and civic groups on how to improve the participation and quality of the event.

## **Acknowledgements**

### ***If funding is approved by the MCDC board of directors, Applicant will assure:***

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed information for Exempt Organizations Under Section 501(c)(3) for some helpful information about your responsibilities as an exempt organization.

Revenue Procedure 75-50, published in Cumulative Bulletin 1975-2 on page 578, sets forth guidelines and record keeping requirements for determining whether private schools have racially nondiscriminatory policies as to students. You must comply with this revenue procedure to maintain your tax-exempt status.

If you distribute funds to other organizations, your records must show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), you must have evidence the funds will be used for section 501(c)(3) purposes.

If you distribute funds to individuals, you should keep case histories showing the recipient's name and address; the purpose of the award; the manner of
