Please provide a detailed narrative about your organization including years established, mission, goals, scope of services, staff, successes, contribution to community, etc.

On November 10, 1914, seven visionary women in McKinney gathered at the home of Mrs. J.E. Reeves to establish an art club. Over the years, our club has undergone several name changes and welcomed hundreds of members, yet our mission remains the same: to celebrate the beauty of art, friendship, and community. The Art Club of McKinney is proud to include both nationally recognized and emerging artists, working across various mediums and techniques to create vibrant and expressive art.

Our membership is a diverse tapestry of painters, illustrators, photographers, potters, and art enthusiasts who simply appreciate the joy of creativity. As a collective of North Texas artists, we are fortunate to enjoy robust community support. Key organizations that champion our activities include the Heard-Craig Center for the Arts, The Cove (a local artists' cooperative), the McKinney Arts Commission, and the McKinney Community Development Corporation. We welcome collaboration opportunities with other groups, such as the Master Gardeners of Collin County, to strengthen our community bonds.

Our purpose is to elevate the art standards of our community through education, various club projects, and sponsored programs. By fostering these connections and sharing our passion for art, we continue to inspire and enrich the cultural landscape of McKinney.

Established in 1914, the Art Club of McKinney is the oldest art club in Texas! We have a wealth of history in the city of McKinney and have watched and participated in developing what it has become today: a vibrant cultural community with a lively downtown that attracts locals as well as visitors from far and wide.

The Art Club of McKinney is involved in many of the programs that add to the cultural value of the city. We will continue to collaborate with the city of McKinney and its cultural activities, either directly by the Art Club or through its individual members. The Art Club of McKinney wishes to deepen its

bonds with the city and explore new relationships with fellow local arts organizations.

The mission of the Art Club is to elevate the art standards of the community through education, various projects, and sponsored programs. Fully operated and managed by volunteers, the Art Club of McKinney has no paid staff members.

We meet monthly from August to May, offering interesting and educational programs to our members and guests. Our programs are presented by artists or art-related individuals who have established themselves locally or in their respective cities through their art or art-related businesses. Visitors are invited to attend.

In addition to the monthly meetings, the Art Club of McKinney presents three art shows to the public: the High School Student Art Show, the Member Art Show, and the Art Meets Poetry Show. The Member Art Show is an opportunity for Art Club members to showcase the abundant artistic talent in McKinney. The student show is open to any high school student who resides in the McKinney area and often serves as the first opportunity for a young person to publicly show their art. Neither contest is juried, allowing for a wide range of art and skill submissions. The Art Meets Poetry event is a collaboration with McKinney's Mockingbird Poetry Society. All shows are open for free public viewing and attract patrons from across the metroplex and beyond. Art show receptions for the artists and attendees are well-attended affairs where artists receive recognition and begin the process of networking and exploring relationships with other artists and prospective patrons.

The Art Club of McKinney also participates in other McKinney events including Arts in Bloom, McKinney Night Market, McKinney Public Library programs, and other art presentations and classes.

The Art Club of McKinney has no foreseeable changes to its operation. The Club is experiencing rapid growth, which should enhance the programs and services we offer. Total membership currently stands at 135+ members (110 last year),

reflecting our commitment to fostering a vibrant, artistic community.

How will the event showcase McKinney for tourism and / or business development?

The City of McKinney already has a reputation of being an art and cultural destination. The Art Club of McKinney, with its nearly 110-year history, is and should be a driving force for the continuation and growth of this highly regarded reputation. The Club is growing (110 members to 135+ members in 6 months and we have outgrown our current venues due to the increase in participation of the events), and we are collaborating with the City of McKinney and other local organizations, such as the Master Gardeners and McKinney Library, to bring unique and popular events to the city to enrich its art mecca reputation.

High School Student Art Show
The High School Student Art Show provides a platform for

young, emerging artists to display their talents, attracting visitors and art enthusiasts from across the region. This event fosters a sense of community and supports the local economy by drawing tourists to McKinney, boosting patronage of local businesses such as restaurants, cafes, and shops. Additionally, the show highlights McKinney's commitment to nurturing artistic talent, which enhances the city's reputation as a vibrant cultural hub, encouraging further tourism and business development.

Art Meets Poetry Event

The Art Meets Poetry event is a unique celebration that combines visual art and the written word, bringing together artists and poets to create collaborative works. This event attracts a diverse audience, including art lovers, literary enthusiasts, and cultural tourists, thereby promoting McKinney as a destination for innovative cultural experiences. By showcasing local talent and fostering interdisciplinary collaboration, the event underscores the city's dynamic cultural scene, which can lead to increased tourism and stimulate local business growth.

Spring (Member) Art Show

The Spring (Member) Art Show is an annual highlight that features the diverse talents of the Art Club of McKinney's members. This event draws art collectors, critics, and enthusiasts to McKinney, providing a significant boost to the local economy. Visitors attending the show often explore the city's other attractions, dine at local restaurants, and stay in local accommodations, thus contributing to the overall economic development of the area. The show not only highlights the artistic vibrancy of McKinney but also positions it as a thriving center for the arts, promoting long-term tourism and business opportunities.

In addition to these events, we host and participate in other events and activities that would benefit from more visibility via marketing. For example, we plan to participate in the Arts in Bloom 2025 event and host an artist networking mixer in the Fall and Spring.

Provide a detailed narrative of the event(s) including mission, goals, activities, schedule, production timeline, goals for growth / expansion, etc.	<p>The Art Club of McKinney is requesting this grant for the promotion, marketing, and advertising of the Art Club of McKinney's annual events: High School Student Art Show, Art Meets Poetry event, and the Art Club of McKinney Spring (Member) Show. Please keep in mind dates and venues may change. Last year, we had record breaking attendance and participation and we are currently pursuing alternate venue options to accommodate our growth.</p> <p>The breakdown of each event is as follows:</p> <p>The High School Student Art Show, tentatively scheduled for October 18th and 19th, 2024 at The Cove, McKinney, TX, provides the community with an opportunity to view and appreciate the sophisticated artwork created by the emerging generation of visual art talent in our area. This event grants students the chance to prepare and display their works in a competitive, judged, and public art show, often for the first time. This is a judged show. The judge for the show, a known artist in the community, provides helpful feedback to each artist and assists in presenting awards at the event. The event is free to the public.</p> <p>Last year, we showcased 86 pieces of high school student art</p>

at The Cove in McKinney, TX in 11 award categories with 10+ high schools represented. The event included a Friday evening reception and awards presentation and Saturday full day exhibit, attracting 210+ attendees total from across the region. Multiple volunteers from the Art Club of McKinney dedicated their time to intaking artwork, curating and hanging the show, designing and printing programs, assisting with food, welcoming visitors, counting visitors, tearing down, assisting with pickup of artwork and cleanup, and meeting other needs for the event. The Art Club of McKinney secured 22+ sponsors to help fund cash awards and honorary mention awards for the students. This fundraising effort was very successful and helped offset some of the expenses. An entry fee (\$10-15) was charged for art submissions. While this fee did not cover all the expenses of the show, it helped offset some of the costs.

Our goal this year is to reach more schools in the area to give their high school art students the opportunity to participate.

The Art Meets Poetry event will be a 4th year collaborative program this year with McKinney's Mockingbird Poetry Society. It is tentatively scheduled to be held February 7-8, 2025 at The Cove, McKinney, TX. This is a powerful event where poets use a piece of art as a muse for their writing and the artist uses poetry to create a piece of art. Artists and poets meet for the first time at the event. It is not uncommon for the artists and poets to embrace, laugh, and cry when they first meet. They have developed a connection that culminates with the encounter at the event. Live poetry readings at the event allow artists and poets to showcase their collaboration. The public is drawn to these human interactions and attend to witness this phenomenon as well as the art, of course! This event is not judged and no awards are given. The event is free to the public.

Last year, there were 40 such pairings. The participants of the event included published poets and internationally known artists, all from the McKinney, North Dallas area, and suburbs. The event included a Friday evening reception and Saturday full day exhibit and evening reception. We had 280+ visitors from all over the DFW Metroplex and even a few from out-of-state. Multiple volunteers from the Art Club of McKinney and Mockingbird Poetry Society dedicated their time to intaking

artwork, curating and hanging the show, designing and printing programs, assisting with food, welcoming visitors, counting visitors, tearing down, assisting with pickup of artwork and cleanup, and meeting other needs for the event. The event had a fund-raising component which benefited three food-related charities in the McKinney area: Community Garden Kitchen, The Community Food Pantry, and McKinney Community Lifeline Center. A total of \$680 was raised and donated. The funds were raised by using a raffle of an original piece of art and three printed pieces of the original art donated by an artist from the Art Club of McKinney. Art and poetry submissions have been free in the past. However, we did charge a \$10 entry fee last for those who were not members of the Art Club of McKinney or Mockingbird Poetry Society. Non-member entry fee money (\$110) was donated to the local food-related charities.

Discussions are underway this year to consider a general fee for all entries of art/poetry to help offset the cost of the production this year. Our goal this year is to allow more artists and poets an opportunity to participate. We have outgrown our current venue and are seeking alternate venue options for the amazing growth we have had.

The Spring (Member) Art Show provides an opportunity for the Art Club of McKinney members to showcase their artwork to the public. This year's event will be tentatively held March 21-22, 2025 at The Cove, McKinney, TX. The member art is quite diverse with 2D, 3D, Photography, and Fiber Arts among the mix. There is an entry fee of \$25 to help offset the expenses of the event. This is a judged show. The judge for the show, a known artist in the community, provides helpful feedback to each artist and assists in presenting cash awards at the event. The event is free to the public.

Last year, the event included a Friday evening reception and Saturday full day exhibit and evening reception. The event showcased 40 art submissions in 8 award categories. Multiple volunteers from the Art Club of McKinney dedicated their time to intaking artwork, curating and hanging the show, designing and printing programs, assisting with food, welcoming visitors, counting visitors, tearing down, assisting with pickup of artwork and cleanup, and meeting other needs for the event. We had 150+ visitors from McKinney and the DFW Metroplex, as well

as a few out-of-towners. Entry fees totaled \$965.

We will not have a judge this year. Instead, we will focus on promoting artists and the arts in the community and showcasing more work for viewing and for sale. Our membership has grown so much that we have outgrown our current space and are seeking alternate venues to accommodate double the number of art submissions.

Specific Marketing Plans and Budget

Provide a detailed marketing plan and budget for the event(s). Plan should also include promotional channels (print ads including publication names, social media, radio, posters, flyers, yard signs, etc.).

Budget Proposal for Event Promotion and Marketing

Facebook and Instagram Ads: \$600

We invest in promoting each event for an entire two weeks leading up to it on both Facebook and Instagram. Feedback from last year's event visitors indicated that many discovered our events through these social media ads.

Posters/Flyers: \$600

One of our volunteers creates these materials, which are then printed locally and distributed to shops and stores around the area. This strategy has proven effective in increasing visibility for our events.

Programs: \$900

Designed by one of our volunteers and printed locally, these programs are distributed at our events. They highlight our sponsors, serving as keepsakes that encourage future sponsorship. Programs are also handed out to participants and interested attendees.

Cards: \$400

These postcard-sized and business-sized cards are designed by one of our volunteers, printed locally, and distributed widely. They contain all event information and are shared among friends and family, placed in stores and shops, and handed out by artists.

Promotional Merchandise: \$500

Designed by one of our volunteers and distributed at events. These items increase visibility and awareness of our organization, sponsors, and collaborators.

Feature Article in a Publication: \$1800

We aim to feature the Art Club of McKinney's accomplishments in a prominent publication, showcasing the significant impact we've had in the community over the past few years. This will be our first opportunity to gain visibility in this manner.

Photography: \$1000

We plan to hire a photographer for the year to capture high-quality content for our website and marketing materials. This includes headshots of board members and chairs, photos of members and volunteers, and coverage of our events.

Videography: \$1000

We intend to create reusable video content of Art Club of McKinney meetings and events for promotional purposes on our website. This includes member and sponsor interviews and event highlight reels.

Impact

All these promotional materials and efforts will be used to enhance the visibility of the City of McKinney, our organization, our sponsors, supporters, and collaborators across all digital platforms and printed materials.

vertical banners for each event. These banners served as eye-catching visuals, encouraging passersby to stop and attend.

Posters, Flyers, and Cards: These traditional marketing materials were successful in increasing event visibility. Distributing them in local shops and stores helped attract a broader audience.

Areas for Improvement:

Video Footage and Professional Photography: We realized the need for high-quality video footage and professional photography to enhance our marketing efforts. This would provide a more polished and professional look and feel for our organization.

Funding: To achieve a more polished visual presence, we recognized the necessity of securing additional funding for video and photography services. This will be crucial for improving our promotional materials and overall marketing strategy.

Promotional Merchandise: It is beneficial for visitors, guests, and interested parties to have something tangible to remember our organization by. Investing in promotional merchandise will help reinforce our brand and leave a lasting impression.

By incorporating these lessons into our future plans, we aim to enhance the visibility and professionalism of our events, ensuring a greater impact on our audience and community.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
