Junior Players' McKinney Arts Commission Narrative Final Report 2019

In 2019 Junior Players continued its program offerings in McKinney by providing a total of 45 after-school sessions with 25 at Old Settler's and 20 at McKinney Community Center. These after school sessions provided several different variants of art forms for students to enjoy. One Discover Theater program was offered for 5 sessions at McKinney Community Center, one Discover Theater program was offered for 10 sessions at Old Settler's Recreation Center, One Discover Musical Theater program was offered for 10 sessions at Old Settler's, one Discover Dance program was offered for 5 sessions at McKinney Community Center, and Discover Art program was offered for 5 sessions at Old Settler's. Attendance in all sessions was great and the objectives of each workshop were successfully met. Additionally, Junior Players is financially matching the programs by offering Discover Theater, Discover Art, Commercial Dance Masterclass, Singing Cowboy Performances, and Sing-Along Cowboy at local locations across McKinney.

In the summer of 2019, Junior Players provided 4 Discover Theater camps at the McKinney Community Center, 2 in July and 2 that extended from July into August. Typically we do use Old settlers Recreation Center in order to provide more summer camp locations, however it was under construction during this summer. These camps are designed to introduce children to basic skills in theater utilizing various theater games and oral communication exercises. The students also put together an original short play that was performed at the summer camps' culminating event called The Festival of Plays. Overall, the children had a very positive experience, and the teaching objectives were successfully met.

Also, in the summer of 2019, we held a Middle School Discover Shakespeare Summer Camp at the McKinney Performing Arts Center extended from June into July. The purpose of this camp is to educate students on the intriguing world of Shakespeare and spark their interest in his historically famous work.

At the conclusion of each program students and parents are asked to complete surveys about the program. Participant Surveys found:

- 92% want to do more arts.
- 84% want to learn more about the arts
- 68% reported feeling better about themselves as a result of the program

According to parents of the McKinney participants:

- 100% would recommend our program to a friend.
- 90% noticed an increase in their child's interest in theater
- 70% noticed an increase in their child's knowledge of theater
- 40% noticed an increase in their child's self-esteem
- 60% noticed that their child was more confident speaking in front of others

When asked what students liked most about our classes and camps, participant comments included:

- "I enjoyed that it was fun yet able to learn! We were determined in a way that was enjoyable." – Alizza, age 14, Discover Theater Summer Camp
