EXTERNAL SENDER ALERT: CAUTION: This message is marked as an EXTERNAL EMAIL! Be cautious of links and attachments!

This plant had a closing date of April. but you said due to the lawsuit file by the company nothing was being done nor would anything occur to curtail or stop the operation.

We are now 5 months into the timeline that should have ended their operations. Can you provide me with what if any contact with the company or actions the city has taken to move the process along to end their operations?

We would also voice our objections to the new concrete operations 21-0087Z "PD" - Planned Development District, Generally to Allow for Industrial Uses, Located on the East Side of County Road 317 and Approximately 2,000 Feet South of Harry McKillop Boulevard.
