

As is typical this time of year, new project activity slowed a bit over the last month. Chairman Lindsay and I attended the Bisnow Dallas 2016 Economic Outlook event in Dallas on December 1st. I attended the Area Development Consultants' Forum in Orlando, FL, followed immediately by a trip to Los Angeles with the Dallas Regional Chamber's DFW Marketing team. Both trips provided excellent opportunities to network with site consultants and hear about the current trends in the market.
