

CAPER REPORT

Consolidated Annual Performance And Evaluation Report City of McKinney, Texas

Community Development Block Grant (CDBG)
Housing & Community Development Department
November, 2019

INTRODUCTION

- The CAPER is a year-end report detailing performance and activities under the CDBG Annual Action plan during the period of October 1 - September 30. The City provides the annual action plan at the start of the program year and the CAPER concludes program activity. The Action Plan is shared with the public prior to the start of each year and the CAPER is shared at the end of the year.
- Funds and activities as required, were predominately used to meet the CDBG national objectives of benefiting low-to-moderate income persons, areas and households.
- The Annual Action Plan provides the process for proposed CDBG funded activities. The public had opportunity to participate in the process through the application process, public hearings, focus groups and community forums, including a public comment period. The CAPER documents performance and other requirements directed by the U.S. Department of Housing and Community Development (HUD) and local goals of the program by the City.

Regulatory

- As required, all CDBG activities awarded under the U.S. Department of Housing & Urban Development must overall meet the requirement of using at minimum 70% or greater of all funds to benefit low-to-moderate income (LMI) persons.
- For area activities, McKinney is an CDBG "exception grantee," whereby it is only required to meet a minimum of 38.8% threshold; this percentage represents the minimum percentage of low- and moderate-income persons that must reside in the service area of an area benefit activity for the activity to be assisted with CDBG funds.
- McKinney used its funds to impact eligible LMI persons and households. The city did not exceed any statutory cap requirements under grant administration and public service activities.
