## **I. Applying Organization**

**OUR MISSION:** *At ManeGait Therapeutic Horsemanship, children and adults with disabilities move beyond their boundaries through the healing power of the horse and the dedication of a professional and caring community.*

Founded in 2007 by business and community leaders Bill and Priscilla Darling and their daughter, Landon Darling Schneider, ManeGait has had the privilege of serving North Texas for over 12 years. Guided by our mission, ManeGait believes in the life-changing benefits of equine therapy and the impact of our programs on the families we serve. As a nonprofit organization, ManeGait's stewardship, business leadership, and community support have become the foundation for our center's growth and longevity. Building on this solid foundation, we are excited about the future of ManeGait and aspire to serve our riders, advance our industry, and enrich our community for generations to come.

**MANEGAIT PROGRAM OVERVIEW:** ManeGait provides weekly therapeutic horsemanship programs to 150 adults and children with physical, emotional, cognitive and behavioral disabilities, delivering more than 6,000 hours of services each year. Our staff is made up of 10 full-time and 8 part-time employees. Certified instructors lead our programs with the assistance of 26 skilled therapy horses and a team of over 285 volunteers each week.

- **Therapeutic Horseback Riding** – ManeGait's core riding program consists of weekly private or small group riding lessons tailored to the needs of each rider. Individual goals are established and monitored throughout the session to help our special needs riders receive the physical, mental, and emotional benefits of therapeutic riding.
- **Therapeutic Carriage Driving** – This is a form of equine-assisted therapy where participants drive a horse-drawn carriage or cart. The program promotes coordination, fine and gross motor skills, visual perception, spatial awareness, communication skills, and independence.
- **GaitWay to the Brain Program** – Developed at ManeGait, the GaitWay to the Brain program improves outcomes for our riders by incorporating brain-building exercises into the framework of riding lessons and reinforcing these outcomes with at-home activities. Supported by evidence-based neurological research, this methodology is designed to increase brain and body integration for participants. Success of this program has led to a university research study and replication at riding centers across the U.S. and Canada.
- **'ManeGait to Freedom' Program** – This program is specifically designed to support the needs of military veterans and first responders.

**WHO WE SERVE:** ManeGait riders range from 5 to 72 years of age, with more than 70% are under the age of 21. Participants come from five North Texas counties. Disabilities served include: Autism Spectrum Disorder, Cerebral Palsy, Intellectual Disability, Developmental Delay, Down Syndrome, Attention Deficit Disorder / ADHD, Traumatic Brain Injury, Post-Traumatic Stress Disorder, among many other disabilities.

## II. Project

ManeGait is requesting funding for new permanent signage at our therapeutic riding center in northwest McKinney. The **goal** is to ensure the safety and enjoyment for over 4,000 people who visit ManeGait on an annual basis including rider families, volunteers, and event attendees. ManeGait's current directional and parking signs are limited; most are more than 11 years old and need to be replaced.

### Grant funding will support the following signs:

- *Disabled Parking* signs near ManeGait's Administrative building and GaitHouse
- *Rider Parking* signs near the covered riding arena
- *Personnel Only* signs on all pasture gates
- *Directional and Exit* signs - the metal structure will be permanent, but the signs themselves will be interchanged depending on the event parking and traffic flow needs.

**Project Scope:** These signs are part of a larger \$23,676 project which included two new large ManeGait entrance signs, building signage, and driveway signs. However, this portion of the project best aligns with MCDC's goals as it helps ManeGait facilitate and manage guests during our four annual events:

- Special Olympics Equestrian Competition (Spring)
- ManeGait Country Fair (April)
- ManeGait Gala at the 'Gait (October)
- ManeGait Horse Show (November)

**Timeline:** Once funding is approved, the installation of these signs will be completed within 2 months.

**Future Growth:** ManeGait does have plans for future property renovation. These signs may be relocated under the new site plan; however, they are durable and built to last for 10+ years.

### Provide specific information to illustrate how this Project aligns with one or more of the goals and strategies adopted by McKinney City Council and McKinney Community Development:

- Eligible for MCDC consideration under Sections 501 to 505 of the Texas Local Government Code (refer to MCDC Grant Guidelines and/or page 1 of this application)
- Support cultural, sports, fitness, entertainment, community projects and events that attract resident and visitor participation and contribute to quality of life, business development and growth of McKinney sales tax revenue
- Highlight and promote McKinney as a unique destination for residents and visitors alike
- Meet citizen needs for quality of life improvements, business development and sustainable economic growth for residents in the City of McKinney
- Demonstrate informed financial planning – addressing long-term costs, budget consequences and sustainability of projects for which funding is requested

**Indicate which goal(s) listed above will be supported by the proposed Project/Promotional/Event:**

- *Support cultural, sports, fitness, entertainment, community projects and events that attract resident and visitor participation and contribute to quality of life, business development and growth of McKinney sales tax revenue*

ManeGait Therapeutic Horsemanship has been improving the **quality of life** of McKinney residents and their families for over 12 years. We are the only large-scale therapeutic riding center in our area, attracting riders and volunteers from five North Texas counties. Innovative programs and proven outcomes have led to a high demand for ManeGait services. As a result, our waitlist has grown to more than 150 adults and children with disabilities hoping to join ManeGait programs when openings become available. **Of the 200 special needs families we serve annually, 27% are McKinney residents and 73% visit McKinney on a weekly basis to take part in ManeGait’s riding programs.**

- *Highlight and promote McKinney as a unique destination for residents and visitors alike*

**ManeGait is a perfect example of how McKinney is “unique by nature”.** It is a beautiful, peaceful property, which gives guests the opportunity to experience nature in a personal way. Volunteers tell us that just being at ManeGait is a therapeutic experience in and of itself. Visiting during special events often inspires people to become regular weekly volunteers or program participants. On average, 69% of ManeGait volunteers and 67% of event attendees reside outside of McKinney.

Independent Auditor's Report

To the Board of Directors  
ManeGait

We have audited the accompanying financial statements of ManeGait (the "Organization"), which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activities and change in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of ManeGait as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

ManeGait (the “Organization”) is incorporated under the laws of the State of Texas as a nonprofit organization and is located in McKinney, Texas. The Organization is a therapeutic horsemanship center offering therapeutic equestrian activities and therapy in a caring, high-integrity environment. The Organization serves children and adults with disabilities so that they can move beyond their boundaries through the healing power of the horse and the dedication of a professional, caring community. The focus of therapeutic riding lessons is skill development and progression while improving the rider’s physical, cognitive, emotional and social skills. The Organization derives most of their revenues from free-will donations, fundraising events, grants and rider fees.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

For reporting purposes, resources are classified into three net asset categories according to the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets - net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily restricted net assets - net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions received with donor imposed restrictions that are met in the same year as received are reported as revenues of the unrestricted net asset class.

Permanently restricted net assets - net assets subject to donor-imposed stipulations that they be maintained in perpetuity by the Organization. There were no permanently restricted net assets at December 31, 2017 and 2016.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and all highly liquid investments purchased with an initial maturity of three months or less. The FDIC deposit insurance insures deposits up to \$250,000 per deposit, per insured bank for each ownership category. There was no uninsured cash at December 31, 2017 and 2016.

Accounts Receivables

Trade accounts receivable consist of rider fees. Management evaluates accounts receivable and writes off account when they are deemed uncollectible. The results of using the method are not materially different from using the reserve method.

ManeGait  
NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property, Plant and Equipment

Property, plant and equipment are recorded at cost if purchased, or at estimated fair value as of the date of donation. The Organization capitalizes expenditures for these assets in excess of \$1,000 and with an estimated useful life greater than one year. The costs of maintenance and repairs are charged to expense as incurred. Depreciation is computed on a straight-line basis over estimated useful lives as follows:

	<u>Estimated Lives</u>
Leasehold improvements	10 - 20 years
Farm equipment	5 - 7 years
Program equipment	5 years
Vehicles	5 - 7 years
Admin equipment	5 years
Horses	5 years
Arena	19 - 20 years

Accrued Liabilities

Various expenses of the Organization that were incurred before December 31, 2017 and 2016, respectively, but paid afterward, have been accrued and reported as accrued liabilities.

Contributions

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Contributions are recorded as revenue at the time an unassailable right to the gift has been established and the proceeds are measurable in the amount. Conditional promises to give are not included as support until the conditions are substantially met.

Insurance Proceeds

During 2017, the Organization sustained roof damages which was covered by insurance. Insurance proceeds for the year ended December 31, 2017 was \$184,605.

Contributed Assets and Services

Contributed assets are reflected as contributions in the accompanying financial statements at their estimated values on the dates of receipt. Contributed services are reflected in the financial statements at the fair value of the services received if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Contributed assets and services are donated to the Organization by various individuals, corporations, and other organizations. In-kind goods and services for the year ended December 31, 2017 was \$15,250. In-kind goods and services for the year ended December 31, 2016 was \$1,248.

Approximately 490 individuals volunteered approximately 19,900 hours of service with an estimated value of approximately \$480,000 for the year ended December 31, 2017. Approximately 465 individuals volunteered approximately 18,200 hours of service with an estimated value of approximately \$440,000 for the year ended December 31, 2016. The value of this contributed time is not reflected in the accompanying financial statements because it does not meet the above criteria.

The costs of providing the Organization's various programs and supporting services have been summarized on a functional basis in the statement of activities and change in net assets for the years ended December 31, 2017 and 2016. Accordingly, no provision for income taxes has been provided in the accompanying financial statements. The Organization is not recognized as a private foundation.

The Organization has concluded that it does not have any unrecognized tax benefits resulting from the current or prior period tax positions. Accordingly, no additional disclosures have been made on the financial statements regarding ASC 740, *Income Taxes*. The Organization does not have any outstanding interest or penalties, and none have been recorded in the statement of activities and change in net assets for the years ended December 31, 2017 and 2016. The Organization's informational returns filed are generally subject to examination for three years after the later of the due date or date of filing. As a result, the Foundation is no longer subject to income tax examination by tax authorities for years prior to 2014.

8. FINANCIAL CONDITION

The Organization depends heavily on donations and special events for its revenue. The ability of the donors to continue giving amounts comparable with prior years may be dependent, among other things, upon current and future overall economic conditions and the continued deductibility for income taxes purposes of donations to the Organization. While management believes the Organization has the resources to continue its programs, its ability to do so, and the extent to which it continues, may be dependent on the above factors.

9. SUBSEQUENT EVENTS

NOTES TO THE FINANCIAL STATEMENTS

1. CHANGE IN ACCOUNTING PRINCIPLE

Effective January 1, 2018, ManeGait (the “Organization”) adopted Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958) and Health Care Entities (Topic 954) – *Presentation of Financial Statements of Not-for-Profit Entities*. The ASU amends the current reporting model for nonprofit organizations and enhances their required disclosures. The major changes include: (a) requiring the presentation of only two classes of net assets now entitled “net assets without donor restrictions” and “net assets with donor restrictions”, (b) modifying the presentation of underwater endowment funds and related disclosures, (c) requiring the use of the placed in service approach to recognize the expirations of restrictions on gifts used to acquire or construct long-lived assets absent explicit donor stipulations otherwise, (d) requiring that all nonprofits present an analysis of expenses by function and nature in either the statement of activities and changes in net assets, a separate statement, or in the notes and disclose a summary of the allocation methods used to allocate costs, (e) requiring the disclosure of quantitative and qualitative information regarding liquidity and availability of resources, (f) presenting investment return net of external and direct expenses, and (g) modifying other financial statement reporting requirements and disclosures intended to increase the usefulness of nonprofit financial statements.

Implementation of ASU 2016-14 did not require reclassification or restatement of any opening balances related to the period presented. The Organization’s net assets previously reported as temporarily restricted and permanently restricted are now reported as net assets with donor restrictions. Likewise, the Organization’s net assets previously reported as unrestricted are now reported as net assets without donor restrictions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

The Organization is incorporated under the laws of the State of Texas as a nonprofit organization and is located in McKinney, Texas. The Organization is a therapeutic horsemanship center offering therapeutic equestrian activities and therapy in a caring, high-integrity environment. The Organization serves children and adults with disabilities so that they can move beyond their boundaries through the healing power of the horse and the dedication of a professional, caring community. The focus of therapeutic riding lessons is skill development and progression while improving the rider’s physical, cognitive, emotional and social skills. The Organization derives most of their revenues from free-will donations, fundraising events, grants and rider fees.

The Organization’s programs are as follows:

Therapeutic Riding – The Organization’s riding programs consist of weekly private or small group lessons where riders learn to walk, trot, canter jump, and compete as equestrians. Horseback riding is a rewarding activity that provides many physical, cognitive, and emotional benefits. These benefits include greater core strength, balance, coordination, and speech; as well as confidence, independence, teamwork, and the unconditional acceptance and companionship of a horse.

GaitWay to the Brain – Developed at the Organization, GaitWay to the Brain (“GaitWay”) is the first program of its kind to integrate brain-building exercises into the framework of equine therapy to extend and amplify the benefits of riding. Outcomes of the GaitWay program have been validated by third-party research and have led to replication of the program at riding centers across the U.S. and Canada. GaitWay classes are conducted one-on-one or in small groups. The program takes participants through a series of activities that stimulate underutilized parts of the brain, which gives clients the improved ability to focus, center themselves, and get the most benefit out of therapeutic riding.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting (Continued)

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets available for use in general operations and not subject to donor restrictions. See Note 7.

Net assets with donor restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are restrictions when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. There were not perpetual net assets in nature at December 31, 2018. See Note 8.

Liquidity

Assets are presented in the accompanying statement of financial position according to their nearness of conversion to cash and liabilities according to the nearness of their maturity and resulting use of cash. See Note 3.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and all highly liquid investments purchased with an initial maturity of three months or less. The FDIC deposit insurance insures deposits up to \$250,000 per deposit, per insured bank for each ownership category. There was approximately \$120,000 uninsured cash at December 31, 2018.

Accounts Receivable

Accounts receivable consist of rider fees. Management evaluates accounts receivable and writes off accounts when they are deemed uncollectible. The results of using the method are not materially different from using the reserve method.

Property, Plant and Equipment

Property, plant and equipment are recorded at cost if purchased, or at estimated fair value as of the date of donation. The Organization capitalizes expenditures for these assets in excess of \$1,000 and with an estimated useful life greater than one year. The costs of maintenance and repairs are charged to expense as incurred. Depreciation is computed on a straight-line basis over estimated useful lives as follows:

	<u>Estimated Lives</u>
Leasehold improvements	10 - 20 years
Farm equipment	5 - 7 years
Program equipment	5 years
Vehicles	5 - 7 years
Admin equipment	5 years
Horses	5 years
Arena	19 - 20 years

Accrued Liabilities

Various expenses of the Organization that were incurred before December 31, 2018, respectively, but paid afterward, have been accrued and reported as accrued liabilities.

ManeGait  
NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value of Financial Instruments

The carrying value of cash and cash equivalents, cash and cash equivalents – with donor restrictions, accounts receivable, contributions receivable, prepaid expenses, accounts payable, accrued liabilities, and refundable advance approximate fair value due to the short-term maturities of these assets and liabilities.

Contributions

Contributions, including unconditional promises to give, are recognized as revenue in the period received. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give due in the next year are recorded at their net realizable value. Unconditional promises to give due in subsequent years are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received.

In-kind Goods and Services

Contributed assets are reflected as contributions in the accompanying financial statements at their estimated values on the dates of receipt. Contributed services are reflected in the financial statements at fair value of the services received if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

The value of in-kind goods and services is as follows for the year ended December 31, 2018:

Program equipment	\$ 3,000
Horses	6,000
Repairs and maintenance	<u>6,386</u>
	<u>\$ 15,386</u>

In addition, many individuals volunteer their time and efforts that help the Organization provide its services. For the year ended December 31, 2018, approximately 470 volunteers spent approximately 21,000 hours of service. The value of these services were approximately \$534,000. The value of this contributed time is not reflected in the accompanying financial statements because it does not meet the above criteria.

Deferred Revenue

Deferred revenue arise from advance billing of rider fees for the subsequent riding sessions received in the current period. Rider fees are reflected as revenue as services are provided.

Refundable Advance

Refundable advance includes amounts received prior to year-end in connection with the 2019 Gala at the Gait which is held after December 31, 2018.

ManeGait  
NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and changes in net assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

	<u>Method of Allocation</u>
Salaries and benefits	Time and effort
Depreciation	Square footage
Insurance	Square footage and usage
Utilities	Square footage and usage

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c) (3) of the Internal Revenue Code, except to the extent it has unrelated business income. For the year ended December 31, 2018, the Organization had no material net unrelated business income. Accordingly, no provision for income taxes has been provided in the accompanying financial statements. The Organization is not recognized as a private foundation.

The Organization has concluded that it does not have any unrecognized tax benefits resulting from the current or prior period tax positions. Accordingly, no additional disclosures have been made on the financial statements regarding ASC 740, *Income Taxes*. The Organization does not have any outstanding interest or penalties, and none have been recorded in the statement of activities and change in net assets for the year ended December 31, 2018. The Organization's informational returns filed are generally subject to examination for three years after the later of the due date or date of filing. As a result, the Foundation is no longer subject to income tax examination by tax authorities for years prior to 2015.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported and disclosures. Actual results could differ from those estimates.

3. LIQUIDITY AND AVAILABILITY

The following reflects the Organization's financial assets as of December 31, 2018, reduced by amounts not available for general use because of donor-imposed restrictions within one year of the statement of financial position date. NOTES TO THE FINANCIAL STATEMENTS

3. LIQUIDITY AND AVAILABILITY (Continued)

As a part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. To help manage unanticipated liquidity needs, the Organization has a committed line of credit in the amount of \$200,000, which it could draw upon. In addition, the Board designates a portion of any operating surplus to its operating reserve, which was \$50,000 as of December 31, 2018. See Note 7.

Audit fees	\$ 8,500
Gala expenses	50,611

6. LINE OF CREDIT

The Organization has a \$200,000 line of credit with a financial institution. The interest rate is the Prime rate with a floor of 4.25%. On August 25, 2018, the line of credit was renewed with a new maturity date of August 25, 2020. As of December 31, 2018, the outstanding balance was \$0.

7. BOARD DESIGNATED NET ASSETS

The Board has designated \$50,000 from net assets without donor restrictions as an operating reserve at December 31, 2018. The operative reserve is to ensure the stability of the mission, programs, employment, and ongoing operations of the Organization. The operating reserve will be funded with surplus operating funds and will be calculated each year after approval of the annual budget.

ManeGait  
NOTES TO THE FINANCIAL STATEMENTS

8. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are restricted for the following purpose at December 31, 2018:

Subject to expenditure for specified purpose:	
Herd expansion	\$ 10,500
Harnessing Our Horsepower – capital improvement project	<u>56,672</u>
	<u>\$ 67,172</u>

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose for the year ended December 31, 2018:

Harnessing Our Horsepower – capital improvement project	<u>39,328</u>
	<u>\$ 49,328</u>

9. SPECIAL EVENTS

The Organization has various special events to help fund current operations. The revenue and related expenses from such events are as follows for the year ended December 31, 2018:

	Special Events <u>Revenue</u>	Special Events <u>Expense</u>	Net Special <u>Events</u>
Golf outing	\$ 131,318	\$ 27,852	\$ 103,466

	<u>\$ 987,728</u>	<u>\$ 334,955</u>	<u>\$ 652,773</u>

In addition to special events, total fundraising expenses were 19% of total donations, net special events and grant revenues for the year ended December 31, 2018.

10. CONDITIONAL PROMISE TO GIVE

In December 2017, the Organization was awarded a matching grant in the amount of \$43,000 from Adair Foundation. The Organization must raise the \$43,500 for the Harnessing Our Horsepower – capital improvement project to receive the matching grant. During 2018, the Organization fulfilled the condition.

11. FINANCIAL CONDITION

The Organization depends heavily on donations and special events for its revenue. The ability of the donors to continue giving amounts comparable with prior years may be dependent, among other things, upon current and future overall economic conditions and the continued deductibility for income taxes purposes of donations to the Organization. While management believes the Organization has the resources to continue its programs, its ability to do so, and the extent to which it continues, may be dependent on the above factors.

12. SUBSEQUENT EVENTS

In preparing the financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through June 5, 2019, the date the financial statements were available to be issued and determined that there were no such events or transactions that require disclosure for the year ended December 31, 2018.

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. During your advance ruling period, you will be treated as a public charity. Your advance ruling period begins with the effective date of your exemption and ends with advance ruling ending date shown in the heading of the letter.

Shortly before the end of your advance ruling period, we will send you Form 8734, Support Schedule for Advance Ruling Period. You will have 90 days after the end of your advance ruling period to return the completed form. We will then notify you, in writing, about your public charity status.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

Letter 1045 (DO/CG)
