It is specifically understood and agreed by and between MSHI and CITY that should MSHI not construct the Public Infrastructure upon and across the "MISD ROW," defined below, that the

amount of the Grant will be reduced by an amount equal to the estimated cost to construct the Public Infrastructure upon and across the MISD ROW. Such reduction in the scope of work performed will result in the CITY funding a Grant in an amount equal to the verified, actual construction costs of the Public Infrastructure (exclusive of the MISD ROW segments) up to an amount not to exceed One Million One Hundred Ninety Thousand Dollars (\$1,190,000.00).

- b. The Grant shall be payable to MSHI within thirty (30) days following the full and final completion of all of the following requirements on or before July 1, 2019:
- 1) MSHI shall be responsible for acquiring and causing all on-site rights-of-way and easements necessary for the construction of the Public Infrastructure to be dedicated to CITY at no cost to CITY; and
  - 2) MSHI shall be responsible for acquiring and causing all off-site rights-of-way and easements necessary for the construction of the Public Infrastructure to be conveyed to CITY at no cost to CITY save and except such rights-of-way that must be acquired from McKinney Independent School District ("MISD") for the construction of the Public Infrastructure upon and across MISD's land (the "MISD ROW"); and
  - 3) MSHI shall be responsible for the design and construction of the Public Infrastructure in accordance with the CITY's Code of Ordinances, Street Design Manual, Thoroughfare Plan and all other applicable guidelines, rules, regulations, codes and statutes (collectively "City Specifications") as evidenced by CITY's final acceptance of the Public Infrastructure following MSHI's tender to CITY of any required lien releases, bills paid affidavit, and a Maintenance Bond in the amount of at least fifteen percent (15%) of the cost of the Public Infrastructure; and
  - 4) MSHI's completion of the Project, consisting of at least one 55,000 square foot twelve (12) screen movie theater, with lounge seating and food/drink delivery, and two (2) Class A retail buildings containing a total of approximately 20,250 square feet of improved conditioned retail space, and receipt of a Certificate of Occupancy for each of the structures and uses comprising the Project, which Certificates of Occupancy will not be unreasonably withheld provided that such structures and uses meet all of the requirements of the Code of Ordinances, City of McKinney, Texas, and provided the express terms and conditions described in Section 4 below are satisfied.

#### SECTION 4. OBLIGATIONS OF MSHI

While this Agreement is in effect, MSHI shall comply with the following terms and conditions to be eligible for any Grant(s); as such conditions are described or may apply:

- a. Prior to the commencement of construction on the Public Infrastructure MSHI shall acquire, where necessary, and convey or cause to be conveyed to the CITY all on-site and off-site rights-of-way, save and except MISD ROW, and infrastructure easements necessary for the construction of the Public Infrastructure as depicted on Exhibit A, attached hereto and incorporated herein by reference for all purposes allowed by law. MSHI shall convey or cause said on-site and off-site rights-of-way and infrastructure easements to be conveyed to the CITY in fee simple by plat dedication or separate instrument in a form that is acceptable to the CITY (the "ROW Conveyances"). All conveyances shall be at no cost to the CITY. MSHI understands and acknowledges that additional right-of-way and easements from the Property may be required at the time of platting of tracts situated adjacent to the properties conveyed hereunder. The rights-of-way and infrastructure easements conveyed, dedicated or granted to the CITY shall be free and clear of all encumbrances, unless expressly permitted in writing by the CITY, which condition of title shall be approved by the CITY prior to the conveyance or dedication. The CITY shall have the right to terminate this Agreement if the on-site and off-site rights-of-way and infrastructure easements have not been acquired and conveyed or caused to be conveyed by MSHI to CITY in accordance with this paragraph and all obligations between the parties shall terminate. MSHI shall dedicate all on-site rights-of-way and easements necessary for the construction of the Public Infrastructure to CITY at no cost to CITY on or before December 31, 2018, and MSHI shall also cause all off-site rights-of-way, save and except MISD ROW, and easements necessary for the construction of the Public Infrastructure to be conveyed to CITY at no cost to CITY on or before July 1, 2019.
- b. MSHI shall design and construct the aforementioned Public Infrastructure, pursuant to City specifications, in the area as generally depicted on Exhibit A. It is agreed that subject to force majeure, all construction shall be completed (to a condition which would satisfy all requisites for final acceptance by the City if such acceptance has not actually occurred) on or before July 1, 2019. All Public Infrastructure contemplated by this Agreement shall be subject to City's inspection and approval upon completion.

- c. As a condition to MSHI's receipt of the Grant for its construction of the Public Infrastructure, MSHI shall provide the following compliance certificates to CITY: compliance certificates specifying the as-built, actual costs of the construction (including any documentation of contractor payments incident thereto), and that construction of the Public Infrastructure has been completed and accepted by CITY in accordance with the terms and conditions of this Agreement and all CITY codes, ordinances and regulations, as verified by CITY, such verification not to be unreasonably withheld or delayed. MSHI shall not be eligible for the Grant for any portion(s) of the Public Infrastructure until the final completion and acceptance of the Public Infrastructure has occurred and MSHI has submitted any required lien releases, bills paid affidavits, and a two-year Maintenance Bond in the amount of at least fifteen percent (15%) of the cost of the Public Infrastructure.
- d. MSHI shall be responsible for the completion of construction of the Project, consisting of at least one 55,000 square foot twelve (12) screen movie theater, with lounge seating and food/drink delivery, and two (2) Class A retail buildings containing a total of approximately 20,250 square feet of improved conditioned retail space together with all appurtenances thereto and receive a Certificate of Occupancy for each required structure and/or use within the Project on or before July 1, 2019.
- e. MSHI shall also be responsible for obtaining and submitting (i) a "Bills Paid Affidavit", as shown on Exhibit B, satisfactory to the CITY, covering all vendor/contractor payments and draws for the Project; and (ii) any other cost and payment documentation reasonably requested by CITY for the Project. The CITY, or its designee, may verify that the expenditures were made in such amounts prior to the Grant disbursement.
- f. MSHI shall be in compliance with all applicable City of McKinney codes, state and federal laws, and local ordinances applicable to the Project.

## **SECTION 5. EVENTS OF DEFAULT.**

Each of the following shall constitute an event of default under this Agreement:

- a. CITY's failure to process a Grant payment to MSHI in accordance with Section 3 of this Agreement.

- b. MSHI's violation or failure to perform any of the covenants contained in Section 4 hereinabove.

## SECTION 6. EFFECT OF AN EVENT OF DEFAULT

In the event of default under Section 5, the non-defaulting party shall give written notice to the other party of any default, and the defaulting party shall have thirty (30) days to cure said default. Should said default remain uncured and the non-defaulting party is not otherwise in default, the non-defaulting party shall have the right to immediately terminate this Agreement.

As long as it shall not be in default, MSHI shall further have the power to enforce specific performance to collect amounts owing upon CITY's default without terminating this Agreement. No action shall lie for punitive damages, and no special or consequential damages shall be recovered by either party. No Grant payment shall be due or owing by CITY to MSHI after termination.

## SECTION 7. MISCELLANEOUS PROVISIONS
