**Elevations**

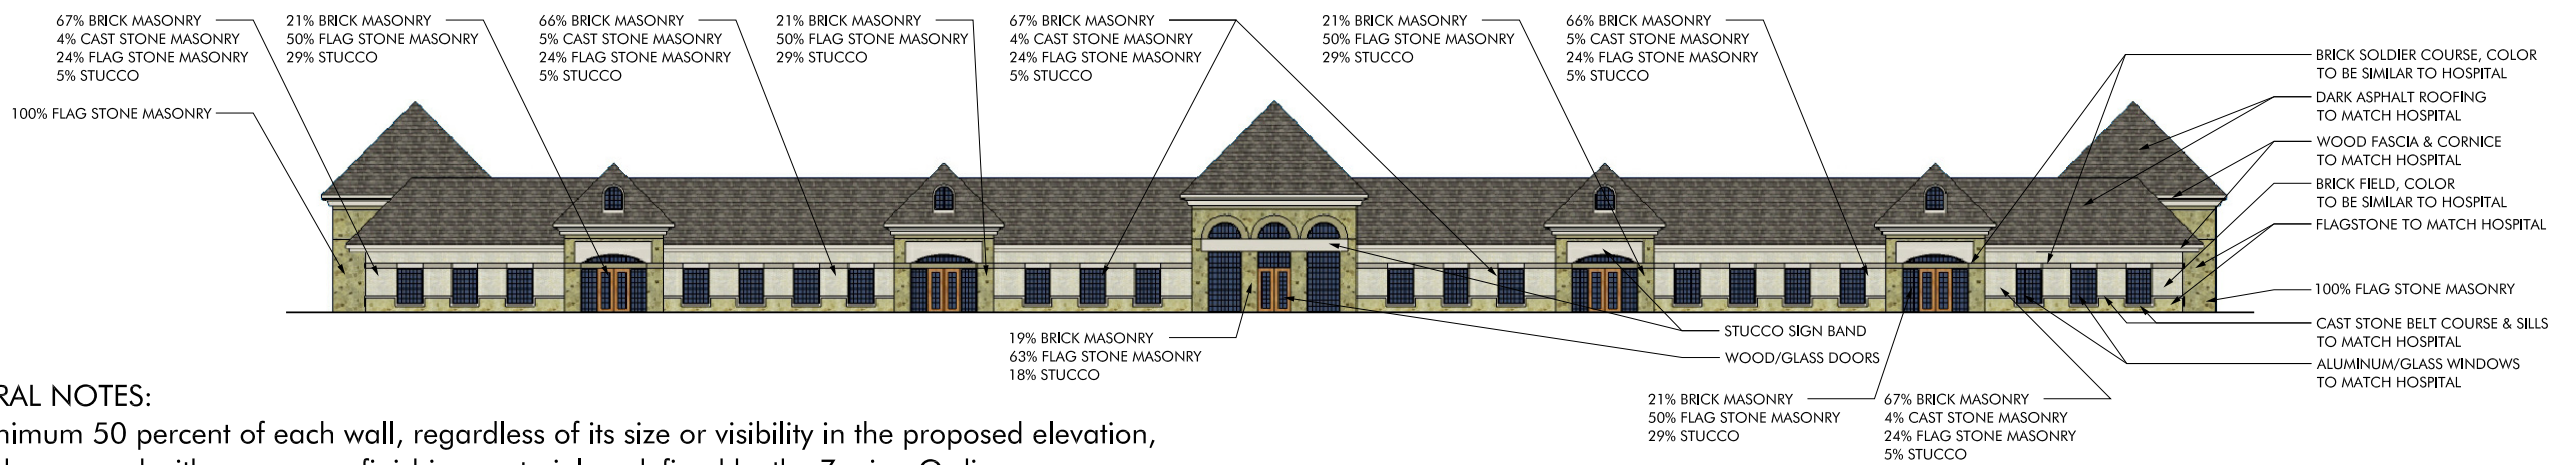

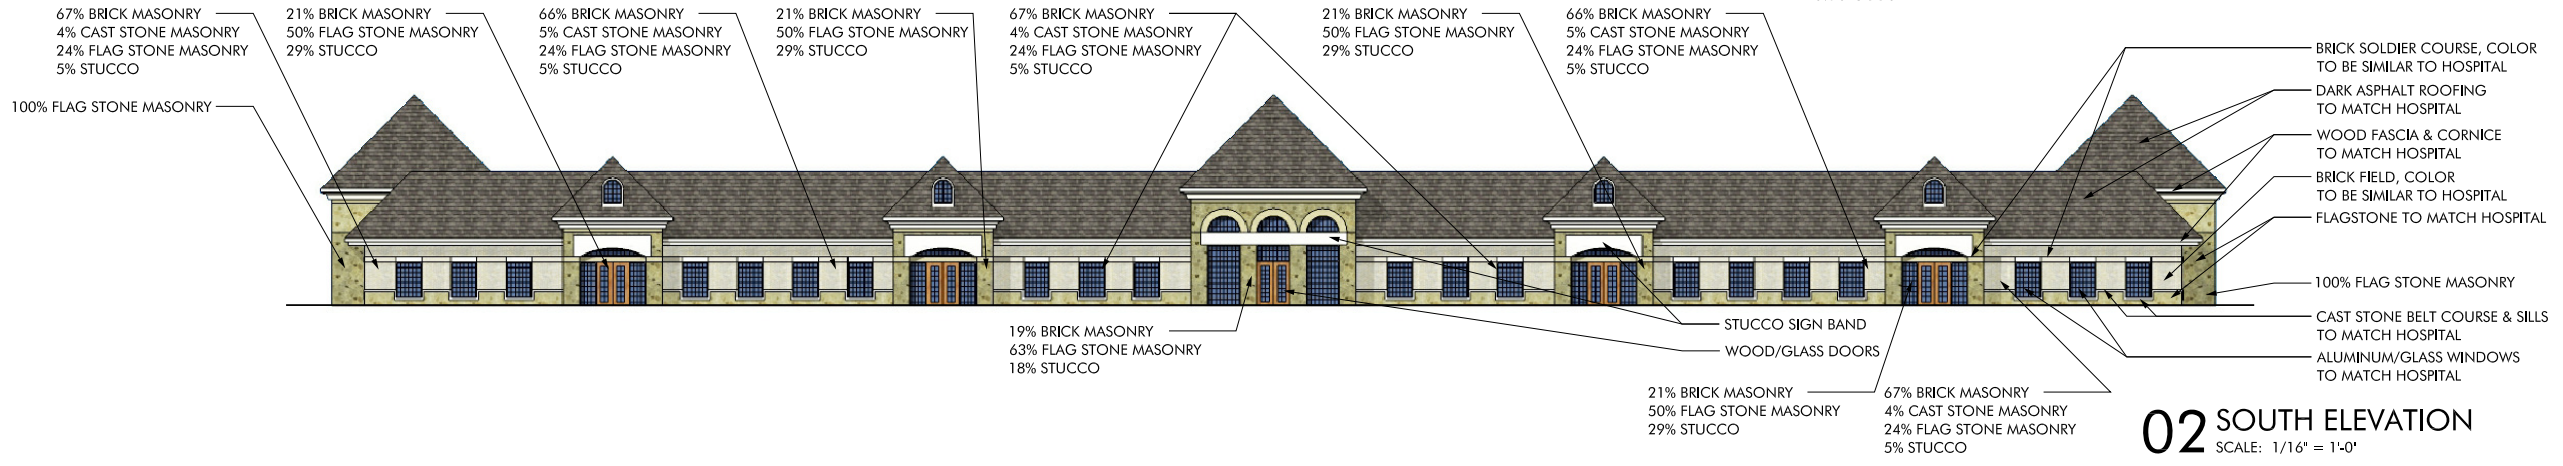

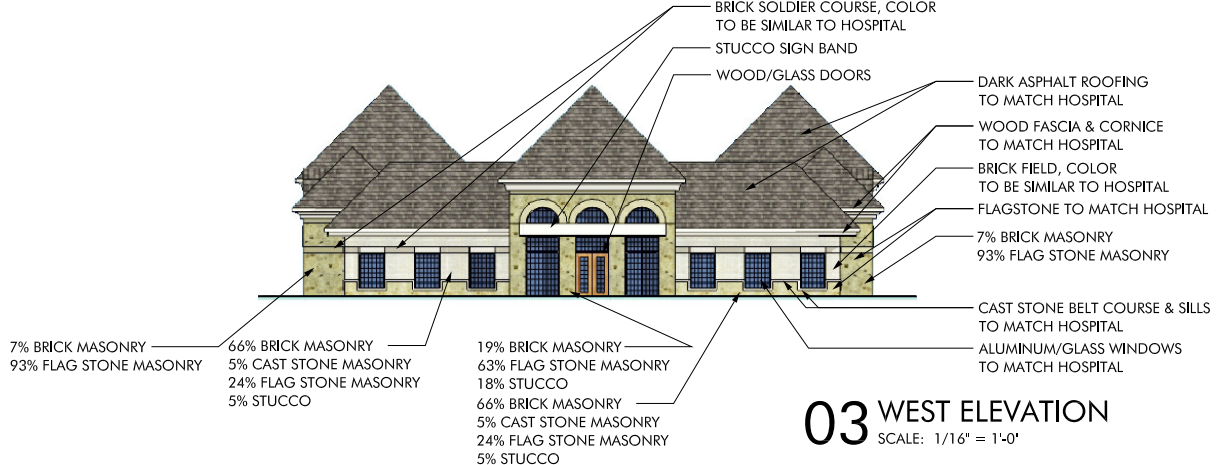

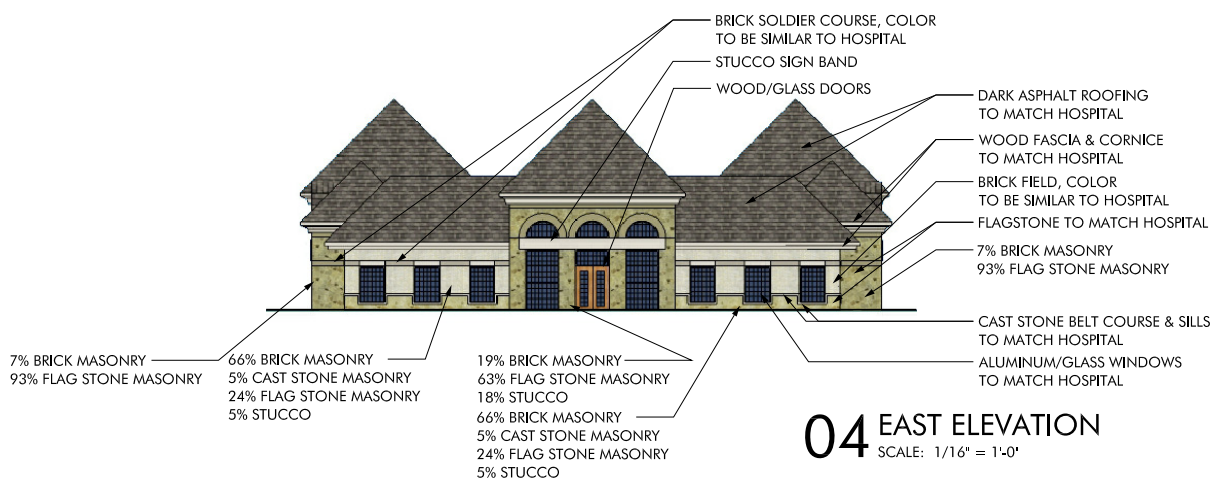

project number 11040.100

date 04.11.11

sheet

**A4.01**

These elevations were received by the Planning Department on May 5, 2011.

**GENERAL NOTES:**

- A minimum 50 percent of each wall, regardless of its size or visibility in the proposed elevation, shall be covered with a masonry finishing material as defined by the Zoning Ordinance. Additional percentages of masonry finishing materials must be provided on walls longer than 24 inches to receive points as prescribed in section 146-139 of the Zoning Ordinance
- Material percentages disregard glass area, and are shown as percentages of solid wall area.
