

Petition for the Rejection of the Proposed Zoning Change # 13-194Z

at the corner of North Brook Drive and Rockhill Road

This particular piece of land is currently zoned RG 18 Multifamily. It lies directly across from access to the city's hiking/biking trail, is 0.4 of a mile of Al Ruschhaupt Park and is at an entrance to a neighborhood of over 400 homes.

The proposed rezoning to PD Light Industrial to include a 32,000 square foot warehouse and 4,000 square feet of office space is not appropriate for a residential neighborhood.

We, the undersigned citizens of the city of McKinney, oppose the rezoning of the 3.56 acre property (#13-194Z) at the corner of North Brook Drive/Jordan Road and Rockhill Road. Each of us has personally signed this petition and our address is correctly stated.

This particular piece of land is currently zoned RG 18 Multifamily. It lies directly across from access to the city's hiking/biking trail, is 0.4 of a mile of Al Ruschhaupt Park and is at an entrance to a neighborhood of over 400 homes.

The proposed rezoning to PD Light Industrial to include a 32,000 square foot warehouse and 4,000 square feet of office space is not appropriate for a residential neighborhood.

We, the undersigned citizens of the city of McKinney, **oppose** the rezoning of the 3.56 acre property (#13-194Z) at the corner of North Brook Drive/Jordan Road and Rockhill Road. Each of us has personally signed this petition and our address is correctly stated.
