11-097M2 Mayor Loughmiller called for a Public Hearing for Consideration/Discussion/Action on the Request by the City of McKinney, for Approval of the Request to Amend Chapter 146 - Zoning Regulations of the Code of Ordinances, to Modify the Definition of a Church or Rectory to Allow a Temporary Not-for-Profit Housing Shelter as an Accessory Use, and Accompanying Ordinance. Senior Planner Brandon Opiela explained the proposed modification to the ordinance and stated that the changes would be to allow an onsite housing shelter which would provide no more than fourteen guests per evening and it would limit the accessory use to a maximum of 30 nights per calendar year. He stated that a nonprofit organization "Family Promise of Collin County" approached the city with providing a place for homeless people. Mr.

Opiela stated that the current ordinance only housed ministers, rabbis, priests, nuns, and similar staff personnel. He stated that the provision of temporary free overnight lodging allowed shall be limited to a maximum of 30 nights per calendar year, shall provide housing for no more than 14 guests per night, and shall require an annual permit for such accessory use issued by the Chief Building Official. Mr. Opiela stated that staff recommends approval of the amendment. Mr. Opiela stated that the churches would be required to meet the fire and safety conditions that other businesses have to meet. City Attorney Mark Houser stated that as long as the facilities meet the city's requirements then the city is protected from liability. City Manager Jason Gray stated that Staff has approached this as adding it to an existing use as opposed to adding a new use category or changing the definition that other uses currently fall under. Mr. Houser stated that there is no provision in the ordinance that would allow an organization to add more than the allowed 30 nights per year. Mayor Loughmiller called for public comment and there were none.
