I. Applying Organization: Collin County Historical Society

Mission

The mission of the Collin County Historical Society (CCHS) is to preserve and honor the past, connect with the present, and embrace the future. Through our Collin County History Museum (CCHM), we are committed to the collection and preservation of the rich heritage and history of the people and stories of the events that helped shape the place we proudly call home: McKinney and Collin County. Further, we prioritize maintaining a free admission policy during our regular business hours.

Strategic Goals and Objectives

We fulfill the mission of our organization through the following goals:

1. to preserve and protect our cultural history for future generations
2. to disseminate historical information through our museum collections, archives, research library, and publications
3. to promote resources and educational programs that highlight the history of Collin County and Texas and their contributions to our nation
4. to improve intellectual and physical access to our information and museum collections
5. to leverage new technology resources to engage visitors in a meaningful way

Scope of Services

CCHM is an archival museum with historical artifacts, photographs, documents, diaries, manuscripts, historical maps, archival newspapers, and land records that provide valuable research information for genealogists, historians, authors, teachers, and students. The museum has a library collection of books dedicated to McKinney, Collin County, and

Texas history. Docents also provide interactive educational programming to students across Collin County.

Day to Day Operations

The museum is open to the public and FREE on Thursdays, Fridays, and Saturdays from 10 a.m. – 4 p.m. Special tours and interactive school tours can be scheduled at any time. Special events are held throughout the year.

Paid Staff and Volunteers

Currently the museum has four staff members. The positions are: 1) Executive Director, in charge of daily operations, future planning, and exhibit design; 2) Archive Manager, in charge of our ephemera and object catalogs and research requests; 3) Museum Operations Assistant Manager, in charge of memberships and bookkeeping; 4) Lead Tour Guide in charge of docents and exhibit maintenance.

The first two positions are funded through our museum operations budget. The second two positions are funded through a program called the *Senior Community Service Employment Program* provided by the Texas Workforce Commission through the US Department of Labor.

The CCHM has many invaluable weekly volunteers who help with promotions and events, in the archives, and with museum tours. Volunteers from our Board of Directors serve as our Educational Program Coordinator, Technology and Website Manager, Accounting Manager, and Facilities Managers.

II. Promotional Grant

Overview

CCHS is seeking promotional grant funding from MCDL to promote attendance in 2023 to the CCHM's *Created in Collin County* exhibit. The new exhibit will attract and delight visitors with remembrances of all things wonderful and important that were created in Collin County. Narratives, historic photos, artifacts, and set designs will tell the stories of the famous people, innovation, diverse businesses and products, and entertainment that has come from Collin County. While most of the exhibit will focus on McKinney, the *Created in Collin County* exhibit would not be complete

without notable subjects from throughout Collin County. Our new exhibit logo will highlight that we are the “Collin County History Museum in McKinney.” We feel that the addition of “in McKinney” best helps direct our visitors and promote McKinney.

McKinney is a great place to grow up, live, create, and build a business. The CCHM strives to celebrate all the wonderful things that have been *Created in Collin* throughout the years by highlighting specific people, products, and events.

At 13 years old, Dickie Jones, who was born in McKinney, became the well-known voice of Disney’s Pinocchio. WWII hero and actor Audie Murphy was from Collin County and often visited McKinney. Carrol Shelby, racecar driver and automobile designer, owned two businesses in McKinney: a chili factory and a wheel factory. The television series *Barney and Wishbone* was filmed in Collin County with local talent, and the 1970’s feature film *Benji* was filmed in McKinney. Haystacks Calhoun, pioneer of entertainment wrestling, was born in McKinney, and the CCHM regularly gets requests from wrestling enthusiasts for information about him. There are countless successful athletes of note who have called Collin County home. Many familiar products were also *Created in Collin*, such as Coca Cola and Nehi; Haggard Clothing made pants in their McKinney factory. Our native Bois d’Arc tree was prized by Native Americans for its strength and flexibility and is now cultivated in all 50 states. In a clever variation on our theme, our new exhibit will also feature educators who “created” the environment that grew our most prominent citizens. Many have had schools named for them. The *Created in Collin* exhibit will feature, among others: Edward Doty, Ruth Dowell, Leonard Evans, Beth Stapleton, and Bill Haynes. Innovator Maria Luisa Vega created the first bilingual school in the country right here in McKinney. These are just some of the subjects that will be featured in the new 2023 *Created in Collin* exhibit at the Collin County History Museum in McKinney.

The CCHM is known for innovative technology, and the *Created in Collin* exhibit will not disappoint. The CCHM is currently developing a multifaceted offering of interactive technology to compliment the new exhibit, including a trendy immersive experience and a digital tour guide. We will also continue to use QR codes and our popular patron iPads to enhance our exhibit.

Scope

Through the years, McKinney has been transformed from a pioneer town, to a thriving farming community, to the vibrant town we enjoy today. Every year thousands of people visit McKinney and enjoy the vintage charm and intrigue of the historical buildings that make up the downtown square.

The Collin County History Museum will use promotional grant money to purchase advertising in both digital and print format. We will purchase (6) 1/4 page print ads, promoting McKinney and our *Created in Collin County* exhibit, in Celebration Magazine which distributes approximately 180,000 printed copies annually to Collin, Dallas, and southern Denton counties, adding 500 to 1,000 new subscribers every issue. Celebration Magazine will also distribute advertising for our exhibit through (5) dedicated email blasts, with information about our exhibit, to their 75,000 subscribers and 5,400 Facebook followers. The magazine features a partnership listing of the museum on their website. A digital copy of the magazine is also available online on the Celebration website. Our museum writes feature articles in each of the editions of the magazine where advertising has been purchased. In doing so, we are able to draw interest to McKinney and its charms through the articles in 2023 Celebration Magazine publications.

McKinney and the Collin County History Museum were featured in 2019 on the Daytripper television series on PBS, which continues to be available on television and online. Through a partnership with the Daytripper, the Collin County History Museum will capitalize on the exposure created by the series. Social Media is a rapidly evolving landscape, and the Daytripper reaches over 187,000 Texas travelers with each post. By utilizing the advertising services of the Daytripper, it is the goal of the museum to draw travelers from all over Texas to McKinney to visit our *Created in Collin County* exhibit in 2023.

New this year, it our goal to attract visitors who are traveling on high-traffic interstates and highways in the Dallas-Fort Worth metroplex through a billboard campaign. As the home of over 400 corporate headquarters, major sports teams, amusement parks and entertainment venues, D/FW is a leader in big business and is one of the top travel destinations in the U.S., making it easy to reach visitors and residents alike.

Through MCDC promotional funding, the museum will create content to utilize local radio spots offered to non-profits. The museum is looking for a fresh young

perspective to attract families and visitors by creating a “brand” unique to historic and charming McKinney.

Also included in our budget are printed materials that are distributed at hotels, visitors centers, and highway travel centers.

Promotional Goals for the *Created in Collin County* Exhibit

- Promote heritage tourism in McKinney.
- Collaborate and form partnerships with McKinney businesses to attract visitors in 2023, not only to the museum exhibits but to other businesses in McKinney.
- Host and promote lectures, events, and activities to attract visitors and promote the rich heritage of McKinney.
- Utilize technology to create and promote engaging and interactive exhibits to show why McKinney is special as a destination.

Promotional Objectives - how the proposed project fulfills the strategic goals for our organization.

Strategic Goal 1 To preserve and protect our cultural history for future generations.

- Utilize technology tools to create and promote engaging and interactive exhibits that tell the history of McKinney.

Strategic Goal 2 To disseminate historical information through our museum collections, archives, research library, and publications.

- Host and promote lectures, events, and activities to attract visitors and promote the rich heritage of McKinney.

Strategic Goal 3 To promote resources and educational programs that highlight the history of Collin County and Texas and their contributions to our nation.

Strategic Goal 4 To improve intellectual and physical access to our information and museum collections

Strategic Goal 5 To leverage new technology resources to

engage visitors in a meaningful way.

Target Audience: The CCHM in McKinney is FREE and open to the general public. As evidenced by our attendance information below, it appeals to all age groups and all types of organizations.

Attendance: Pre-pandemic, our current exhibit attracted about 7,500 visitors in 2019. Since reopening after the pandemic, our attendance has been returning to normal and slowly increasing. We have a goal to become a tourist destination through our partnership with the PBS *Daytripper* television series. We have also introduced a free self-guided kids' tour series called the "Collin County Kids Trail" to attract young families. We think that sharing a love for Collin County with children is important for the future.

Every week hundreds of visitors walk through the doors of the Collin County History Museum. They come from all across Collin County, Texas, the United States, and other countries. The museum offers visitors a unique place to learn and explore. Many people visit the museum in conjunction with a shopping and dining experience on our historic square. The CCHM also attracts large groups for private tours. It is important that a historic town such as McKinney offers tourists a variety of opportunities for enjoyment and wholesome family entertainment. The CCHM *Created in Collin* exhibit will continue to attract people by word-of-mouth to McKinney.

Promotional Schedule: To help attract visitors, the museum will continue to hold monthly events. (See itemized Events Schedule attached.)

McKinney City Council and McKinney Community Development Corporation goals supported by the proposed project:

- Eligible for MCDL consideration under Sections 501 to 505 of the Texas Local Government Code (refer to MCDL Grant Guidelines)
- Support cultural, sports, fitness, entertainment, community projects and events that attract resident and visitor participation and contribute to quality of life, business development and growth of McKinney sales tax revenue.

- Highlight and promote McKinney as a unique destination for residents and visitors alike.

Overview of alignment with goals and strategies adopted by McKinney City Council and McKinney Community Development Corporation by the proposed project:

The CCHM is a 501(c) 3 organization and is eligible for MCDC consideration for grant funding. The *Created in Collin* exhibit meets the goals and strategies adopted by the McKinney City Council and MCDC in the following ways:

- Because the museum is located just one block east of the historic downtown square, thousands of visitors attending the exhibit contribute to the growth of the McKinney sales tax revenue by shopping and eating in the downtown square.
- The museum is a Texas Historic Landmark and offers a unique destination not only for the enjoyment of the museum exhibit but for visitors to also enjoy the unique architecture and historical features of the building.

Has a request for funding for this promotional grant been submitted to MCDC in the past? No

II. Financial

Overview of CCHM Financial Status

The CCHM has been able to continue to increase our financial resources for our monthly budget expenditures. The Board of Directors has focused on building collaborative relationships and partnerships with historical organizations, McKinney organizations, businesses, and the Collin County Historical Commission. Through these collaborative relationships and partnerships, we have seen an increase in donations, memberships, and financial support for the museum. The CCHM is currently seeking additional grant funding from federal institutions and private foundations to continue Collin County archival projects and to improve the CCHM.

Our financial statements are not audited, but are professionally prepared and reviewed by: Nabors CPA Services, Wayne Nabors, Certified Public

Accountant. (See financial attachments.)

Projected Total Promotional Expenditures

Promotional Grant Request from MCDC: \$15,000

Promotional In-Kind Services: \$7,000

Total Promotional Budget 2023: \$22,000

MCDC funds requested will fund 68% of 2023 **Created in Collin County** exhibit promotion. Through in-kind services CCHS will fund 32%. (See itemized Project Budget attachment.)

IV. Marketing and Outreach

The CCHM will utilize the following marketing plans and outreach strategies:

- Submit advertising to newspapers and magazines in both print and digital formats
- Post promotional events on the Collin County History Museum website
- Utilize Google Analytics Statistics from the museum's webpage
- Work with MCVB to include the museum in tour groups visiting McKinney
- Post *Created in Collin* videos to YouTube
- Distribute email communication to schools and colleges in Collin County Utilize social media by postings on Twitter and Facebook accounts
- Post event dates on the McKinney Convention and Visitors Bureau, Chamber of Commerce, and Main Street online calendars
Submit articles for publication in newspapers and magazines

Metrics to Evaluate Success

The museum collects attendance data for our exhibits through Google Forms. When visitors come to the museum, they sign in through a form which collects information and statistics about our visitors. We track the number of adults and children for that visit, along with their city and state. There is also a place to submit visitor feedback and comments. Statistics will be shared in the final report.

We utilize Google Analytics for our CCHM website. This tool has a number of features that generate detailed statistics and allow us to review how well users are interacting with our website and content. This tool helps us know how visitors find our website, what pages they click on while on the site, and how they click through the site. We can track the demographics of the visitors to the website, as well as what device they use to access our museum website. We feel successful when we continue to see the number of visitors increase and see visitors coming from all around the world.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined that, as indicated in your application, you are a private foundation within the meaning of section 509(a) of the Code. In this letter, we are not determining whether you are an operating foundation as defined in section 4942(j)(3).

If your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA). However, since you are a private foundation, you are subject to excise taxes under Chapter 42 of the Code. You also may be subject to other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

You are required to file Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as a Private Foundation. Form 990-PF must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law

late, unless there is reasonable cause for the delay.

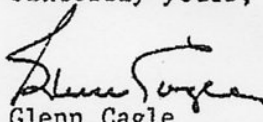

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Because this letter could help resolve any questions about your exempt status and private foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Glenn Cagle
District Director
