Total Claimants Seeing Physicians in Proposed Network			695	653	589
Match Percentage				94%	85%

Avesis network match on these top 20 providers, based on number of claimants is very strong at 94%. Avesis has a broader overall network than our current Davis Vision network and compares more favorably over the NVA network. Additionally, efforts are underway to recruit the disrupted providers into the proposed Avesis Network.
