Solid waste collection services shall be provided at a level of service at least equal to current services available in the City, or equal to the level of services available in other parts of the City with topography, land use and population density similar to those contemplated or projected in the annexed area, whichever may be applicable.
3. The collection of refuse from individual properties shall be made in accordance with the usual Sanitation Department scheduling. Residential customers may utilize the North Texas Municipal Water District - McKinney Landfill in accordance with City ordinances.

E. WATER SERVICE:

1. For portions of the annexed area within the City of McKinney legally certificated area (CCN) the City of McKinney shall provide water services to this annexed area by any of the methods by which it extends the services to any other area of the municipality. For new development, the City of McKinney requires developers to construct the necessary infrastructure to meet the needs of the development. This requirement may also include off-site improvements.
2. The responsibility for construction of the infrastructure by the developer is noted in the pending Developer Agreement.
3. For portions of the annexed area within the City of McKinney legally certificated area (CCN), the City of McKinney shall allow the provision of extensions of water facilities to the areas annexed on the effective date of this ordinance. Such extensions shall be in accordance with Section 110-1 through 110-165 of the Code of Ordinances, City of McKinney, and as amended.
4. Connection to existing city water mains for water service will be provided in accordance with existing City Policies. Upon connection to existing mains, water will be provided at rates established by City Ordinance.
5. For portions of the annexed area within the City of McKinney legally certificated area (CCN), water services shall be provided at a level of services at least equal to current services available in the City, or equal to the level of services available in other parts of the City with topography, land use and population density similar to those contemplated or projected in the annexed area, whichever may be applicable.
6. Water mains installed or improved to City standards within the annexed area which are part of the City of McKinney water system and are located within dedicated easements, rights-of-way, or any other acceptable location approved by the City Engineer, shall be maintained by the City of McKinney upon the effective date of this ordinance.
7. Maintenance of private lines will be the responsibility of the owner or occupant.
8. Where other water districts provide water service, the development shall still meet the City of McKinney standards for the sizing and construction of utilities.

F. SANITARY SEWER SERVICE:

1. The City of McKinney shall provide sewer services to this annexed area by any of the methods by which it extends the services to any other area of the municipality. For new development, the City of McKinney requires

Exhibit C – Service Plan

developers to construct the necessary infrastructure to meet the needs of the development. This requirement may also include off-site improvements.

2. The City of McKinney shall allow the provision of extensions of sanitary sewer facilities to the areas annexed upon the effective date of this ordinance. Such extensions shall be in accordance with Section 110-1 through 110-165 of the Code of Ordinances, City of McKinney, and as amended.
3. Connection to existing city sanitary sewer mains for sewage service will be provided in accordance with existing City Policies. Upon connection to existing mains, sanitary sewer collection will be provided at rates established by City Ordinances.
4. Sanitary sewer services shall be provided at a level of services at least equal to current services available in the City, or equal to the level of services available in other parts of the City with topography, land use and population density similar to those contemplated or projected in the annexed area, whichever may be applicable.
5. Sanitary sewer mains and lift stations installed or improved to City Standards within the annexed area which are located within dedicated easement, rights-of-way, or any other acceptable location approved by the City Engineer, shall be maintained by the City of McKinney upon the effective date of this ordinance.

G. STREETS:

1. Emergency street maintenance shall be provided for publicly dedicated streets or roads within the areas annexed upon the effective date of this ordinance. Routine maintenance will be scheduled as part of the City's annual street maintenance program in accordance with the then current policies and procedures defined by ordinance.
2. Street services shall be provided at a level of services at least equal to current services available in the City, or equal to the level of services available in other parts of the City with topography, land use and population density similar to those contemplated or projected in the annexed area, whichever may be applicable.

H. PARKS AND RECREATION:

1. The City of McKinney shall provide parks and recreation services to this annexed area by any of the methods by which it extends the services to any other area of the municipality. For new development, the City of McKinney requires developers to construct hike/bike trails in keeping with the Parks Master Plan. Additionally, new developments must still satisfy the parkland dedication requirements that call for land or fees in lieu of land for park.
2. Residents within the areas annexed may utilize all existing park and recreation facilities upon the effective date of this Ordinance. Fees for such usage shall be in accordance with current fees established by ordinance.
3. Additional park and recreation facilities shall be constructed based on Park policies defined in the 2012 Comprehensive Plan as amended, and the Parks Master Plan. The general planned locations and classifications of parks will ultimately serve residents from the current city limits and residents from areas being considered for annexation.

Exhibit C – Service Plan
