

To Whom it May Concern,

A filing of Minor Replat is being requested by the owners of part of Lot 3 Block 12 of Waddill Addition and Lot 1 Block A of Winteg Francis Addition. The purpose of this replat is to change a property line with respect to a fence. The replat in question will have two lots. Additionally, a variance is requested for the property to solve an issue associated with double frontage along Francis and Waddill Rights-of-way.

Sincerely,

Joel Wilhite
