RE: ST 3212- Stacy Rd 5&6 Lanes Project (20-49-CC)

Mr. Aniswarie Kanamazina, P.E.
City of McKinney
Engineering Department
221 N. Tennessee Street
McKinney, TX 75069

23rd September 2020

Dear Mr. Kanamazina

All received sealed bid proposals for the above referenced project were opened by the City of McKinney on Thursday 10th September 2020 at 2:00 pm. A total of six (6) bids were received and the amount of each were read aloud and recorded at the bid opening. The bidding contractors were as follows:

- Ed Bell Construction
- Mario Sinacola & Sons Excavating
- Pavecon Public Works, LP
- McMahon Contracting
- Quality Excavation Ltd
- Tiseo Paving

No errors or bidding irregularities were encountered with the bids submitted.

Pavecon Public Works, LP (Pavecon) of Grand Prairie Texas submitted the low bid in the amount of **\$6,110,714.09**.

As Engineer of Record, Atkins North America, Inc (Atkins), has reviewed and evaluated all bid proposals in compliance with the City of McKinney project bid advertisement. Criteria for the evaluation were mainly based on the lowest bid/price, Contractor qualifications, Contractor similar project experience, Contractor previous client recommendations, bid bond, and safety record.

Based on the review and evaluation each bid proposal against the aforementioned criteria, and with consultation with the City of McKinney staff, Atkins recommends that the contractor Pavecon be the selected contractor for the **20-49CC Stacy Rd Lanes 5 & 6 project**. Atkins vetting of Pavecon Construction Statement of Qualifications and references, finds that they have a record of satisfactorily completing similar projects for the City of Flower Mound, City of Farmers Branch, City of Allen, and City of Arlington. Atkins was able to contact and speak with these cities and received positive recommendations with no substantial issues.

With all the verification and checks completed, Atkins is therefore recommending the City accept the bid submitted and award a construction contract to Pavecon in the amount of **\$6,110,714.09** for construction of the Stacy Rd Lanes 5 & 6 widening project. We are available to discuss this project and our recommendation further at your convenience.

Kind Regards

Shane Tully, PE
