STAFF REPORT

DATE: November 30, 2016

FROM: Guy R. Giersch, Historic Preservation Officer

THROUGH: Samantha Pickett, Planning Manager

SUBJECT: Request by Sean Cotter for Final Approval of a Level 2 Historic Neighborhood Improvement Zone Tax Exemption for Rehabilitation Work to the House Located at 106 South Bradley Street.

STAFF RECOMMENDATION: Staff is recommending final approval of a Level 2 (50%) tax exemption for 106 South Bradley Street under the Historic Neighborhood Improvement Zone Tax Exemption Program.

ITEM SUMMARY: On August 1, 2016 Staff issued a Letter of Eligibility determining that the proposed improvements at 106 South Bradley Street would qualify for a Level 2 or Level 3 tax exemption.

On November 30, 2016, the applicant submitted paid receipts for:

Repair and Paint Exterior of House (exterior)	\$18,800.00
total	\$18,800.00

The applicant has submitted the necessary documentation to qualify for a Level 2 (50%) tax exemption since the total money spent on verified exterior improvements exceeds \$10,000 and was completed within the allotted time period. The Historic Preservation Officer has confirmed the documentation and the work.

BACKGROUND: On February 6, 2007, the City Council passed Ordinance #2007-02-014, as amended by Ordinance #2013-11-110 and Ordinance # 2015-12-105. The goal of the ordinance is to encourage preservation of McKinney's historic residential core by providing tax exemptions to owners of homes within a defined geographic area called the Historic Neighborhood Improvement Zone.

The ordinance establishes three levels under which owners of residential properties located in the Historic Neighborhood Improvement Zone may receive tax exemptions based on verified investments meeting specified criteria.

Under Level 1, homes which receive the designation of the Historic Marker may receive a 100% exemption of the City's ad valorem taxes for a period of 7 years. Level 1 (and its accompanying Historic Marker Program) is administered by the Historic Preservation Officer and the Historic Preservation Advisory Board.

Under Level 2, owners who make verified exterior improvements costing at least \$10,000 during any 12-month period may receive a 50% exemption of the City's ad valorem taxes for a period of 15 years.

Under Level 3, owners who make verified exterior and/or interior improvements costing at least \$5,000 during any 12-month period may receive a 30% exemption of the City's ad valorem taxes for a period of 15 years. If an owner submits plans for additional improvements under Level 2 or Level 3 during any period of exemption previously granted under Level 3, such owner, upon approval of the Building and Standards Commission, may receive an exemption of 50% of the ad valorem taxes for a period of 15 years from the date of such approval.

The application process for Level 2 and Level 3 requires owners to submit plans for proposed improvements to residential properties to the Historic Preservation Officer (and to the Building Permits Department, if a building permit is required). Owners then receive a Letter of Eligibility if the Historic Preservation Officer determines that the proposed improvements qualify for the tax exemption program. Upon completion of the improvements, owners are required to submit documentation to the Historic Preservation Officer acknowledging that the improvements have been made in accordance with the plans and verifying that the eligible costs have been incurred. After receiving the final documentation from the applicant, the HPO completes a field investigation of the property to confirm the documentation.

For the verification process to be completed under Level 2 or Level 3, tax exemptions require final determination by the Building and Standards Commission.

RE: 2016-011HT Letter of Eligibility to Qualify the Residential Property Located at 106 South Bradley Street for a Level 2 or Level 3 Historic Neighborhood Improvement Zone (HNIZ) Tax Exemption.

Dear Mr. Cotter:

This letter shall serve as your Letter of Eligibility for the Historic Neighborhood Improvement Zone (HNIZ) Tax Exemption Program. Your application for 106 South Bradley Street was received on July 29, 2016.

The following proposed improvement(s) are eligible:

- Window Repair - Exterior
- Repair and Paint Exterior of House - Exterior

Upon completion of the improvements, dated, paid, final receipts from the contractor must be submitted to this office for verification. Once copies of receipts are verified and the project is inspected, a Staff Report will be forwarded to the next meeting of the Building and Standards Commission for approval or denial of the tax exemption.

From the date of issuance of this Letter of Eligibility, you have 1 year to complete any or all of the proposed improvements listed above. Depending on the combination of verifiable costs of these exterior and interior improvements, you may qualify for a Level 2 or Level 3 exemption. If the combined cost of eligible *exterior* improvements is in excess of \$10,000, you may receive an exemption of 50% of the City's ad valorem taxes for a period of 15 years (Level 2 of the Historic Neighborhood Improvement Zone Program). If the combined cost of eligible *interior or exterior* improvements is in excess of \$5,000, you may receive

an exemption of 30% of the City's ad valorem taxes for a period of 15 years (Level 3 of the Historic Neighborhood Improvement Zone (HNIZ) Tax Exemption Program).

Please be advised that there is an aggregate cap of \$150,000 on the total amount of ad valorem taxes that can be exempted in any budget year under any or all of the levels set forth in the HNIZ Tax Exemption Program. Therefore, it is possible that the completion of eligible improvements may not result in a historic tax exemption should capacity not be available in the program. At this time, capacity is still available in the program.

If you have any questions, please contact me at 972-547-7416.

Sincerely,

Guy R. Giersch, Historic Preservation Officer
