

November 2019

Library Visits, Checkouts, PC Usage, and Program Attendance totals all saw a decline vs November of 2018. These declines are an anticipated side effect of the expansion and renovation of John and Judy Gay Library. There are, however, some notable areas of growth.

The Library continued to offer special cultural programs throughout November, including Passport to East Asia, Scottish Music and Dance, and MultiLingual Storytimes- all partnerships with outside organizations.

120% Teen Program Attendance Increase

39% Volunteer Hours Increase

17% Outreach Attendance Increase

7% Digital Circ Increase
