- 17-1249** Mayor Fuller called for Consideration/Discussion/Action on a Resolution Authorizing the City Manager to Amend the Memorandum of

Understanding and Collaborative Agreement with the Cities of Frisco, Plano, Denton, Dallas, Greenville, The County of Dallas, Dallas Housing Authority, Denton Housing Authority, Frisco Housing Authority, Plano Housing Authority, McKinney Housing Authority, Grandview Housing Authority, Waxahachie Housing Authority, Cleburne Housing Authority, Ferris Housing Authority, Ennis Housing Authority and Royse City Housing Authority for Regional Fair Housing Assessments and Regional Collaboration to Affirmatively Further Fair Housing. Community Services Administrator Shirletta Best stated that after assessing old data against new data for discrepancies, it was concluded new data was significant; to move forward with old data would risk the report being rejected by HUD and provide inaccurate information for local community development planning. All assessments, stand-alone or under the Housing assessment partnership, are required to use the new datasets. The report the City receives in July 2018 will be a more accurate reflection of the program and its costs. The City made provisions where we could visit with the consulting team and with HUD and made it clear that this would be the final opportunity for any cost provisions. We felt it was a greater risk not to participate in the program as that would impact other grants as well. Council unanimously approved the motion by Council member Elliott, seconded by Mayor Fuller, to approve a Resolution authorizing the City Manager to amend the Memorandum of Understanding and Collaborative Agreement with the Cities of Frisco, Plano, Denton, Dallas, Greenville, The County of Dallas, Dallas Housing Authority, Denton Housing Authority, Frisco Housing Authority, Plano Housing Authority, McKinney Housing Authority, Grandview Housing Authority, Waxahachie Housing Authority, Cleburne Housing Authority, Ferris Housing Authority, Ennis Housing Authority and Royse City Housing Authority for Regional Fair Housing Assessments and Regional Collaboration to affirmatively further fair housing. The maintenance includes sand blasting and painting the inside and outside as well as repair of any structures that failed during inspection. She is in attendance at several events throughout the community assisting in any way she can. I appreciate her hard work and dedication.

Many Gold Star families were in attendance and we appreciate them for their sacrifice. You have done a fantastic job and it is sad to see you go. You have done a great service to McKinney and we all appreciate you very much. I had the opportunity to go to Austin twice last week. I want to brag on our staff. Mr. Jose Madrigal, Trevor Minyard and I went to

meet with the Economic Development Department to discuss funding for some of our Airport expansion projects. Mr. Madrigal was great and represented the City well. It was a pleasure working with you on that. I also went to Austin to testify in front of the PUC with our City Manager, who is the best City Manager in this country and Council member Philips. I want to thank you publicly for the word you gave me as it was very much appreciated at a time of quite awkward silence. Happy holiday and Merry Christmas to everybody.

City Manager Paul Grimes noted that there are still some activities in downtown McKinney. Visit the website for additional holiday events going on not just for Christmas but also for the New Year's in the downtown area. Thanks to residents and businesses who contributed to Santa's Toy Drive. We collected more than 3,200 toys and 84 bikes for the children in Collin County. I was there with Council member Philips and it was an impressive sight. McKinney got some great publicity. Thank you to everyone who contributed. On behalf of City staff, we wish all of you and your family a Merry Christmas, Happy Holidays, and prosperous New Year.
