I hereby certify that on the 9TH day of JUL., 19 99, this survey was made on the ground and this survey plat has been prepared as per the field notes thereby produced, and it properly represents the facts as found on the ground. This survey plat has been prepared in accordance with, and in substantial compliance with , all rules and regulations promulgated by the Texas Board of Professional Land Surveying. Unless otherwise noted, the surveyor has relied solely on the record data provided in the title commitment for the determination of the boundaries of the land parcel surveyed and for any easements of record which may be shown or addressed on the survey. The survey shows visble easements, encroachments, conflicts, or protrusions apparent on the ground.
