

SECOND AMENDMENT TO 2012 DEVELOPMENT AGREEMENT

This Second Amendment to 2012 Development Agreement (this "Second Amendment") is executed between Trinity Falls Holdings LP, a Texas limited partnership (the "Owner") and the City of McKinney, Texas (the "City") to be effective November 2, 2016 (the "Effective Date"). The Owner and the City are sometimes herein referred to individually as a "Party" and collectively as the "Parties".

RECITALS

A. WHEREAS, CH-B Trinity Falls, LP and the City entered into that certain 2012 Development Agreement effective December 4, 2012, recorded in the Real Property Records of Collin County on January 16, 2013, as Document Number 20130116000067920 (the "2012 Agreement") which was subsequently amended by that certain First Amendment to 2012 Development Agreement effective February 27, 2014, recorded in the Real Property Records of Collin County as Document Number 20140227000184320 (the "First Amendment"), which collectively with the 2012 Agreement is referred to as the "Development Agreement"; and

B. WHEREAS, CH-B Trinity Falls, LP assigned its interest in the Development Agreement to Owner on July 20, 2016; and

C. WHEREAS, the Parties desire to amend the Development Agreement as reflected in this Second Amendment; and

D. WHEREAS, in the event of any conflict or inconsistency between this Second Amendment and the Development Agreement, the provisions and intent of this Second Amendment shall control; and

E. WHEREAS, except as amended by this Second Amendment, the Parties intend that the Development Agreement shall remain in full force and effect; and

F. WHEREAS, terms used in this Second Amendment that have their initial letter capitalized but which are not defined in the Second Amendment shall have the meanings given to such terms in the Development Agreement.

NOW THEREFORE, for and in consideration for the mutual obligations of the Parties set forth herein, the Parties agree as follows:

1. Section 3.2 (g), (i), (j) and (k) of the Development Agreement shall be amended to read as follows:

(g) THERE SHALL NOT BE A DEFAULT WITH RESPECT TO THE OBLIGATION TO PROVIDE POLICE SERVICES AS REQUIRED BY SECTION 3.9.1 OF THIS AGREEMENT.

- (i) THERE SHALL NOT BE A DEFAULT WITH RESPECT TO THE OBLIGATION (IF APPLICABLE) TO BEGIN CONSTRUCTION OF A FIRE SERVICES FACILITY AS REQUIRED BY SECTION 3.9.3 OF THIS AGREEMENT.
- (j) THERE SHALL NOT BE A DEFAULT WITH RESPECT TO THE OBLIGATION (IF APPLICABLE) TO COMPLETE CONSTRUCTION OF A FIRE SERVICES FACILITY AND CAUSE SUCH FACILITY TO BE OPERATIONAL AS REQUIRED BY SECTION 3.9.2 OF THIS AGREEMENT.
- (k) THERE SHALL NOT BE A DEFAULT WITH RESPECT TO THE OBLIGATION TO FUND THE COST OF FIRE FIGHTING PERSONNEL AS REQUIRED BY SECTION 3.9.2 OF THIS AGREEMENT.

2. Section 3.3 of the Development Agreement is replaced in its entirety by the following:

Section 3.3 Public Infrastructure. Public Infrastructure, erosion control, screening and buffering, shall be designed to comply with the Governing Regulations and no construction or installation of such Public Infrastructure, erosion control, screening and buffering shall begin until plans and specifications have been reviewed and approved by the City. All Public Infrastructure, erosion control, screening and buffering shall be constructed, inspected, and installed in compliance with the Governing Regulations. Owner shall comply with all applicable TCEQ bond submittal requirements regarding any additional inspectors or additional inspections. TCEQ bond submittal inspections shall be performed by inspectors (certified and state-licensed, to the extent required by law) that have been approved by the District and that have agreed, in writing, to be bound by this Agreement (each, a "Certified Inspector"). The cost for any inspections by Certified Inspectors shall be paid for by the contractor performing the work (or by the owner of the property on which the work is being performed). For TCEQ bond submittals, Public Infrastructure inspection shall be made through the administrative control of the District pursuant to procedures to be adopted by the District, and each Certified Inspector agrees to be bound by such procedures, in which event there shall be provided to the City a copy of the report of each such inspection.

3. Section 3.6 of the Development Agreement is replaced in its entirety by the following:

Section 3.6 Certified Inspector Records and Reports. Each Certified Inspector shall maintain a permanent record of all Public Infrastructure inspected. All such records shall be available for copying by the City or the District. All such records shall be kept in a form reasonably approved by the City and as otherwise required by the District, the TCEQ and the Attorney General. Each Certified Inspector shall meet with an Owner

representative on-site, or at a location within the City, at least weekly to discuss the construction or installation of the Public Infrastructure and shall provide to the City and the District a copy of each Public Infrastructure inspection report within ten (10) days after the inspection is performed (including reports that identify deficiencies and subsequent corrective actions). Unless the City shall have objected in writing with reasonable specificity to the District within fifteen (15) days of the City's receipt of copies of such certificates, records or reports, then such certificates, records or reports shall be deemed accepted and approved by the City for all purposes, save and except compliance with the Governing Regulations.

4. Section 3.7 of the Development Agreement is replaced in its entirety by the following:

Section 3.7 Inspection of Public Infrastructure. All Public Infrastructure shall be constructed, inspected and installed in compliance with the approved plans and specifications and the Governing Regulations. The City shall engage one or more third-party inspectors or shall designate City employees which shall be certified and state-licensed to the extent required by law and acceptable to the City and District (each, a "Certified Inspector") in accordance with the scope of work attached hereto as Exhibit E, which inspectors shall inspect the construction or installation of all Public Infrastructure in accordance with the approved plans and specifications and the Governing Regulations and to provide TCEQ bond submittal inspection reports prepared in accordance with the procedures to be adopted by the District and TCEQ bond submittal requirements. Each Certified Inspector shall agree in writing to be bound by Sections 3.6 and 3.7 of this Agreement and the Governing Regulations. In the event the City determines based upon inspection reports from the Certified Inspector that any Public Infrastructure is not being constructed in compliance with the Governing Regulations and the Owner or contractor fails to correct the non-compliance within a reasonable period of time after notice thereof, the City shall have the right to enforce compliance and to stop new work on the Public Infrastructure by the issuance of a "stop work order" until the non-compliance is corrected to the satisfaction of the City. The cost for the Certified Inspectors shall be paid for by the Owner.

5. A new Section 3.9.4 is added to the Development Agreement as follows:

Section 3.9.4 The Owner may convey the Fire Station Property to the District to be held by the District until the Owner commences construction on the fire station facility, at which time the Fire Station Property shall be reconveyed by the District to Owner pursuant to Section 11.01 of the 2012 Agreement Concerning Creation and Operation of McKinney Municipal Utility District No. 1 of Collin County and Section 11.01 of the 2012 Agreement Concerning Creation and Operation of McKinney Municipal Utility District No. 2 of Collin County.

6. Section 4.3 of the Development Agreement is replaced in its entirety by the following:

Section 4.3 Plan Review and Inspection Fees. All plan review and inspections of Structures by the City shall be subject to the payment by the owner/contractor of the applicable published City fees for plan review and inspection of Structures within the City. The City shall waive all plan review fees for Public Infrastructure in lieu of the payment by Owner of the Third-Party Review Fees set forth in Section 3.3 above. The City shall waive all inspection fees relating to the Public Infrastructure in lieu of the Owner paying all costs of the Certified Inspectors set forth in Section 3.6 above. Nothing in this Section 4.3 is intended to obligate the City to perform any inspections of Public Infrastructure or any Structure or to create any liability of the City to determine whether any Public Infrastructure or any Structure is constructed in accordance with the Governing Regulations.

7. Section 5.1.1.1.1 of the Development Agreement is replaced in its entirety by the following:

5.1.1.1.1 not sooner than the date of the request for the issuance of a building permit for the 1,800th Dwelling Unit or later than the issuance of a building permit for the 2,200th Dwelling Unit, use its best efforts to implement the City's capital improvement plans to design, acquire easements for, construct, cause to be dedicated to and accepted by the City, and make operational, the "Bloomdale Pump Station" and the water lines required to deliver an adequate supply of water from the Bloomdale Pump Station to the north side of Bloomdale Road as shown on the City's Water Master Plan. Within 60 days after Owner's Notice to the City that at least 1,000 building permits have been issued, the City shall provide Notice to Owner of the City's ability and intentions with regards to the timing of construction of the Bloomdale Pump Station and associated infrastructure, including, but not limited to, the NTMWD facilities required to deliver water to the Bloomdale Pump Station;

8. Section 5.1.1.2.3.1 (erroneously numbered in the Development Agreement) of the Development Agreement is replaced in its entirety by the following:

5.1.1.2.3 subject to Section 5.1.1.4 below and provided the Bloomdale Pump Station is operating at such time, not sooner than the issuance of a building permit for the 1,800th Dwelling Unit or later than the issuance of a building permit for the 2,200th Dwelling Unit, design, acquire easements for, construct, and tender for dedication to and acceptance by the City, the water distribution facilities designated as the "East Feed" on attached Exhibit C-5 (including facilities and improvements related thereto, the "East Water Feed");

9. Section 5.1.3.5 of the Development Agreement is replaced in its entirety by the following:

Section 5.1.3.5 In the event the City uses its power of eminent domain under Section 5.1.3.12 for the acquisition of off-Property right-of-way and easements for the construction of FM 543/Trinity Falls Parkway as a four-lane, divided thoroughfare and provided Owner has delivered to the City by November 1, 2016, legal descriptions of

such off-Property right-of-way interests sufficient to begin eminent domain proceedings. Owner shall commence construction of FM 543 as shown on Exhibit C-5 within ninety (90) days after such right-of-way has been acquired by City and shall diligently pursue completion thereof in conformance with City standards prior to the issuance of the 655th building permit; however, building permits shall continue to be issued for up to an aggregate total of 750 Dwelling Units so long as Owner is diligently pursuing completion of construction, as solely determined by City, after which any building permit issuance shall cease until completion; and upon completion and approval by the City of FM 543/Trinity Falls Parkway, building permits for up to an aggregate total of 1,760 Dwelling Units may be issued until the conditions described in Section 5.1.3.7 are satisfied; however, permit issuance shall otherwise cease until the conditions in Section 5.1.3.7 are satisfied. The City Engineer, at his discretion, may allow additional Dwelling Unit permits prior to approval of the completion of construction if the road is safe for public use. Without limiting the items required for opening the road for public use, the following must be completed where applicable: pavement, striping, lighting, signage, guard rails, sidewalks, and other items the construction and installation of which would cause unsafe conditions if performed while the roadway is open.

10. Article VI of the Development Agreement is replaced in its entirety by the following:

“ARTICLE VI

TERM OF AGREEMENT

This Agreement shall terminate on December 4, 2027; however, it shall be automatically extended for successive five (5) year periods if the Owner and District obligations are not completed by December 4, 2027. If extended under this Article, the Agreement shall terminate upon City’s written acknowledgement of the full performance of all obligations hereunder, whether by Owner or District, unless extended by mutual agreement of Owner and the City (as extended, the “Term”). The Term shall not be affected by any limited purpose annexation pursuant to Section 7.3.”

11. Since the initial effective date of the Development Agreement, the parties acknowledge certain additions and deletions to the Property as described therein. In order to accurately reflect the depiction of the Property to which the Development Agreement applies, a new exhibit entitled “*Exhibit A District M.U.D. Map*” has been prepared to be substituted for the Exhibit A in the Development Agreement. From and after the effective date of this Second Amendment, all references in the Development Agreement to Exhibit A shall mean and refer to the Exhibit A attached hereto, which is incorporated herein for all purposes.

12. In accordance with Paragraph 9 above new legal descriptions have been prepared to accurately define the limits of those areas shown on Exhibit A as M.U.D. No. 1 Tract B, M.U.D. No.1 Tract C, and M.U.D. No. 2 Tract B. Accordingly, from and after the effective date of this Second Amendment, all references in the Development Agreement to Exhibit B-2 shall mean and refer to Exhibit B-2A and Exhibit B- 2B which are attached hereto and incorporated

herein for all purposes; and all references in the Development Agreement to Exhibit B-4 shall mean and refer to Exhibit B-4 which is attached hereto and incorporated herein for all purposes.

13. From and after the effective date of this Second Amendment, all references in the Development Agreement to Exhibit C-1, Exhibit C-1A, Exhibit C-2, Exhibit C-2A, Exhibit C-3, Exhibit C-3A, Exhibit C-4, Exhibit C-4A or Exhibit C-5 shall mean and refer, as applicable, to Exhibit C-1, Exhibit C-1A, Exhibit C-2, Exhibit C-2A, Exhibit C-3, Exhibit C-3A, Exhibit C-4, Exhibit C-4A or Exhibit C-5 which are attached hereto and incorporated herein for all purposes.

14. The City's Street Design Manual is hereby incorporated by reference as part of the Governing Regulations under Development Agreement, subject to the elimination of Section 8.5 thereof requiring bike lanes. Accordingly, Exhibit D of the Development Agreement is hereby revised and from and after the effective date of this Second Amendment, all references in the Development Agreement to Exhibit D shall mean and refer to Exhibit D which is attached hereto and incorporated herein for all purposes.

15. Owner and City acknowledge that in accordance with the provisions of Section 12.18.1 of the Agreement, a special warranty deed for the CCOL ROW from CH-B TRINITY FALLS, LP to the City (the "CH-B CCOL Deed"), was delivered to EMILY MANSFIELD as Escrow Agent to be held by Escrow Agent pursuant to the Escrow Instructions contained in Section 12.18.2 and Exhibit M of the First Amendment. Notwithstanding the fact that the CH-B CCOL Deed was delivered into escrow, the property comprising the CCOL ROW remains titled in Owner with the result that Owner is, and will remain, liable for the payment of ad valorem taxes assessed against such property during the term of the escrow, even though the property comprising the CCOL ROW cannot be developed by Owner (except for the installation of utilities) for a period of up to 40 years. Owner has requested, and City has agreed, to allow Owner to convey the CCOL ROW to the McKinney Municipal Utility District No. 2 of Collin County ("MUD No. 2"), which will remain in title during the term of the escrow and is exempt from ad valorem taxes, on the condition that MUD No. 2 deliver a deed (the "MUD CCOL Deed") for the CCOL ROW substantially in the form of the Special Warranty Deed in Exhibit L containing the legal description of the property being conveyed and being subject only those Permitted Exceptions presently in the CH-B CCOL Deed. Upon approval of the MUD CCOL Deed by City and Escrow Agent's receipt of the MUD CCOL Deed from MUD No. 2, Escrow Agent is instructed to release the CH-B CCOL Deed to Owner and substitute, in lieu thereof, the MUD CCOL Deed.

OF AUSTIN, TX

16. Exhibit M attached to the First Amendment is hereby modified in the following particulars:

Section 2. Escrow of CCOL Deed is revised to add the following sentence to the end thereof:

"Upon receipt of the MUD CCOL Deed referred to in Paragraph 15 of the Second Amendment and written approval thereof from the City, Escrow Agent is instructed to

accept the MUD CCOL Deed in substitution of the CH-B CCOL Deed held by Escrow Agent and to return the CH-B CCOL Deed to Owner.”

Section 7. Notice is revised to substitute the following for Owner:

To Owner: **McKinney Municipal Utility District No. 2 of Collin County**

Certified Inspectors

EXHIBIT E

Inspections

The construction observation and inspection service provider (Provider) shall provide inspector(s) throughout the entire process for installation and construction of all public infrastructure and improvements performed by others (Contractors), including infrastructure and improvements related to water, wastewater, storm drainage, and street pavement related to the Trinity Falls project (the Project), whether onsite or offsite. The observation and inspections shall be performed on behalf of the District, the Owner, and the City. Inspectors shall be experienced and qualified, and shall be certified or licensed when appropriate. Inspectors shall observe all testing requirements/operations. The observation and inspection services will, in general, be performed "fulltime," meaning in general 40 hours per week while construction activity requiring observation, inspection, and reporting is occurring. They will also be available (onsite) for after-hours construction activities (5:30 p.m. to 7:30 a.m.) if given 24 hour notice by the Owner and/or Contractor. They shall also be available for weekend inspections, if given notice by 4:30 p.m. on the Thursday prior to the upcoming weekend. The Owner and/or Contractor shall provide a minimum of a 24 hour notice for all planned testing activities (other than weekends and/or after hours construction activities) if conducted during regular (normal) working hours (7:30 a.m. to 5:30 p.m.).

The Provider shall observe and inspect the work for compliance with the contract documents. The Provider shall notify the contractor immediately if any work is being performed that is not in compliance with the plans and specifications and instruct the contractor to correct the non compliant items. If the contractor refuses to correct the non compliant work the Provider shall have the authority to stop the work immediately. The Provider shall follow all City of McKinney standard inspection procedures, except when different than the standards in this agreement. In that case the more stringent requirement shall apply. Provider shall report directly to the Chief Construction Inspector for the City of McKinney.

If the Provider observes any unsafe practice the Provider shall immediately notify the contractor and require that the unsafe practice cease immediately.

The Provider shall maintain orderly files and records, and provide daily reports to the District's engineer, the Owner, and the City for all activities which detail their observations, recommendations, conversations, and other communications. The daily reports shall be organized and provided on a weekly basis on a

form provided by, or acceptable to the District's engineer, the Owner, and the City. Generally, the reports shall document weather conditions, project conditions, work performed, inspector's hours on site, contractor's hours on site, job site visitors observed, items of work completed or underway, daily activities and observations in general, and more detailed activities and observations in the case of test procedures performed or in the case of work that may be disproved or rejected. The Provider shall obtain and review all testing reports and certificates of compliance performed and provided by others and provide written objections and/or concerns to the District's engineer, the Owner, the City, and the Contractor within 24 hours of receipt. Provider shall report immediately to the City and Owner the occurrence of any accident observed, and to the Owner, the District's engineer, and the City of any unanticipated project conditions. The Provider shall prepare "punch lists" upon substantial completion of the work until the District's engineer, the Owner, and the City believe the work is in general conformance with the contract documents.

The above shall be considered *minimum* inspection requirements and additional inspection time shall be provided depending on the level of activity and needs. One of the intents of these requirements to assist the Owner, the District and the District's engineer in satisfying the TCEQ requirements of determining if work performed by others within a district that will be subject to or eligible for reimbursement of cost through the sale of bonds, is performed in accordance with the contract documents and specifications, and to satisfy the City's requirements that enable it to approve and accept all work that are subject to the City's approval, acceptance, and release of building permits.

The Provider shall include on its staff, or as a responsible sub-consultant, an engineer registered in the State of Texas that is capable of and agrees to be responsible for providing a TCEQ Engineer's Certificate of Completion of Water District Project upon completion of the work. An example of the form is attached.
