## **APPLYING ORGANIZATION**

### **The Salvation Army DFW Command**

The Salvation Army, established in 1865, has been supporting those in need without discrimination for 130 years in the United States. Nearly 30 million Americans receive assistance from The Salvation Army each year through the broadest array of social services that range from providing food for the hungry, relief for disaster victims, assistance for the disabled, outreach to the elderly and ill, clothing and shelter to the homeless and opportunities for underprivileged children. 82 cents of every dollar spent is used to carry out those services in 5,000 communities nationwide.

The DFW Metroplex Command is part of the U.S. Southern Territory headquartered in Atlanta. It is the largest local-serving metropolitan command in the United States, that provides a compassionate range of services for residents in Dallas, Tarrant, Collin, Denton, and Ellis Counties in North Texas. The DFW Metroplex Command serves approximately 100,000 people each year with 70 different programs and services to help meet the needs of men, women, and children. Services include transitional housing for the homeless, emergency homeless shelters, substance abuse rehabilitation, domestic violence shelter, emergency financial assistance, food pantries, Christmas assistance, summer day camp, after-school programs, Boys & Girls Clubs, youth sports programs, housing for senior citizens, veteran programs, performing arts training, Project Tomorrow scholarships, extreme weather relief, disaster relief, and free everyday meals.

### **The Salvation Army McKinney Corps and Community Center**

The Salvation Army's Community Center in McKinney is located east of Central Expressway (US 75) and less than a mile from the Town Lake Recreation Center. We have been part of this community for more than 18 years and we feel proud of being part of this vibrant city. Following our organization's mission, the center offers multiple community programs that include:

- Christmas Assistance (Angel Tree Program)
- Emergency Financial Assistance
- Food Assistance Program (Food Pantry)
- Summer Heat Relief – Cooling Stations
- Youth Programs
- Women's Programs
- Men's Programs
- Senior Adult Recreation

## **PROJECT**

The gymnasium in our center is used by the community on a regular basis for different athletic activities and special events. The scope of the project is to replace the existing vinyl gym flooring. The current flooring application has extensive wear and tear and it is glued down directly to concrete foundation, which

makes this application not suitable for safely athletic activities. The plan is to replace the current floor with a Connor Rezil Base gym flooring system / third grade maple. This flooring application is designed not only to provide a safe and durable surface for athletic activities but is also a product that could stand extensive use for over 50 years, under the proper maintenance.

- SUPPLY AND INSTALL CONNOR REZIL BASE RP (1 5/8" HT ) WITH 25/32" X 2 1/4" THIRD GRADE MAPLE
- STRIPPING OF ALL 2" BASKETBALL, VOLLEYBALL, & PICKLEBALL LINES
- 1 ADA RAMP
- BLACK VENT COVE BASE
- 2 COLOR SHIELD CENTER CIRCLE LOGOS
- INCLUDES: MATERIALS, INSTALLATION, SAND, FINISH, AND GAME LINES

The goal of the project is to provide a high shock absorption and rebound uniformity athletic surface in the gym. Additionally, enhance the playing surface for athletic activities and provide a safer environment for end users. The objective of flooring improvement is to increase the participation of the McKinney Community in our sports programs that include basketball, pickleball, other athletic activities and community special events. The current youth basketball and athletic performance programs count with 75 members, the senior pickleball league counts with 125 members and the senior bridge league 100 members. These activities promote community engagement, emphasizing family unity, youth charterer building and respect to the elder.

Project Location: 600 Wilson Creek Pkwy. McKinney, Texas

Project Schedule: March 2019-May 2019

The project was bid on, using The Salvation Army guidelines that included a minimum of two bids before the work was awarded. The selection process included the evaluation and tabulation of the bids, which is followed by the approval of all our Leadership levels.

The Salvation Army plans to expand the McKinney location in the next five years. The expansion will focus on growing our community programs and providing the facility with the necessary tools to succeed. Additionally, it is our plan to add additional storage and expand the parking capacity in order to continue our direct engagement with the community.

**Provide specific information to illustrate how this project aligns with one or more of the goals and strategies adopted by McKinney City Council and McKinney Community Development:**

- Support cultural, sports, fitness, entertainment, community projects and events that attract resident and visitor participation and contribute to the quality of life, business development and growth of McKinney sales tax revenue
- Highlight and promote McKinney as a unique destination for residents and visitors alike
- Meet citizen needs for quality of life improvements, business development and sustainable economic growth for residents in the City of McKinney

## **Responses:**

Community facilities contribute to the general quality of life in the community by providing exposure and opportunities for a wide variety of intellectual, cultural, and physical activities. For many citizens, affordable and accessible community facilities have been their introduction to art, books, organized sports, and other pursuits.

Community facilities can create a sense of ownership and community pride in residents. As a result, they may be more likely to pay more attention to the maintenance of the community – keeping it clean and free from vandalism, supporting community events, and generally helping to create a vibrant and satisfying living environment.

Community facilities can provide services that help everyone. Youth programs or senior citizen activities can ease the stress of a working parent or caring son. Children, youth and senior citizens will have a place to go and have productive activities, participate in organized sports, learn arts, and much more as healthy alternatives.

Community facilities can improve the economic climate and prospects of the community by attracting businesses and new residents. Businesses want to be in communities with good community facilities for the same reasons that individuals do. It helps them attract same minded businesses and neighbors. More businesses and good neighbors mean more and better jobs, a higher tax base, and a healthier local economy.

## **Marketing and Outreach**

Describe marketing plans and outreach strategies for your organization and for the Project for which you are requesting funding – and how they are designed to help you achieve current and future goals.

## **Metrics to Evaluate Success**

Outline the metrics that will be used to evaluate success of the proposed Project. If funding is awarded, a final report will be required summarizing success in achieving objectives outlined for the event.

#### **IV. MARKETING AND OUTREACH**

The most effective way to get the 'word out' about the new project and ways to participate- for marketing and outreach will be established by posting the information regarding the programs and projects offered by the Salvation Army via:

- City of McKinney Online Bulletin
- City-Wide Press Releases
- Collaborative Events with Community-Based Agencies and Businesses
- Social Media Platforms
- Location Marquee

#### **V. METRICS TO EVALUATE SUCCESS**

The Salvation Army keeps service reports/ statistics of ALL programming/operations that occur within the facility that offers direct/indirect support to the community; ranging from total number of individuals served to the number of hours the facility is being utilized by participating community agencies. The reports are based on sign-in sheets, verbal reporting from agencies and attendance rosters- that are all verified on a weekly/monthly basis.

### REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of the Operating Fund of The Salvation Army - Dallas/Fort Worth Metroplex Area Command, which comprise the statement of financial position as of September 30, 2017, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

To the Board of Trustees of The Salvation Army,  
a Georgia Corporation  
Page 2

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Operating Fund of The Salvation Army - Dallas/Fort Worth Metroplex Area Command as of September 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Other Matters**

#### Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and state awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

As discussed in Note 1, the financial statements present only the Operating Fund of The Salvation Army - Dallas/Fort Worth Metroplex Area Command and do not purport to, and do not, present fairly the financial position of The Salvation Army - Dallas/Fort Worth Metroplex Area Command as a whole or The Salvation Army, a Georgia corporation, as of September 30, 2017, and the changes in their net assets and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

a Georgia Corporation

**OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS**

In accordance with *Government Auditing Standards*, we have also issued our report dated March 7, 2018, on our consideration of the Operating Fund of The Salvation Army - Dallas/Fort Worth Metroplex Area Command's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Operating Fund of The Salvation Army - Dallas/Fort Worth Metroplex Area Command's internal control over financial reporting and compliance.

OPERATING FUND**

**NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED SEPTEMBER 30, 2017**

**1 PURPOSE AND ORGANIZATION**

The Salvation Army, founded in 1865, is a not-for-profit international religious organization and charitable movement organized and operated on a quasi-military pattern and is a branch of the Christian Church. Its memberships include officers (clergy), soldiers and adherents (laity), members of varied activity groups and volunteers who serve as advisors, associates and committed participants in its service functions.

The accompanying financial statements are summaries of the financial position, results of operations, net asset classifications and sources and applications of cash of the Operating Fund (the "Fund") of The Salvation Army - Dallas/Fort Worth Metroplex Area Command (the "Command"). The Command is a local unit of The Salvation Army, a Georgia corporation. The Command operates under the direction of The Salvation Army - Texas Divisional Headquarters in Dallas, Texas, and The Salvation Army - Southern Territorial Headquarters in Atlanta, Georgia. The Fund is used to record the day-to-day operations of the Command, including the receipt and use of funds with no external restrictions. The Fund does not include land and buildings and certain other interest-earning assets which are under the legal control and discretion of The Salvation Army, a Georgia corporation.

The Salvation Army is an organization exempt from income taxation under Section 501(a) as an entity described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended and is exempt from state income taxes under related state provisions. Accordingly, no provision for federal or state income taxes is included in the accompanying financial statements.

The Command's program services include the following:

Carr P. Collins Social Service Center (Dallas) - Programs offered include, among others, temporary housing for local and transient indigent men; emergency financial assistance and counseling to families and individuals who, due to illness, disaster, or unemployment are unable to meet their own needs; shelter and recovery assistance for victims of domestic violence; recovery services for those with alcohol and drug abuse problems; and job counseling.

Mabee Social Service Center (Fort Worth) - Programs offered include, among others, temporary shelter for homeless men, women and families; comprehensive substance abuse treatment for women; and transitional housing for homeless and mentally challenged individuals.

Arlington, Cedar Crest, Irving, Garland, Northside, Oak Cliff, Pleasant Grove, Denton, McKinney, Collin County and Waxahachie Corps/Community Centers, Reconnect Corps, Harbor Light Corps, Friendship House, and Lewisville Service Center - Operating units providing spiritual and social programs for young people and adults, group activities, pastoral counseling, homemaking classes, institutional and family visitation, sports and recreation facilities, emergency welfare services and educational and music classes.

OPERATING FUND**

**NOTES TO FINANCIAL STATEMENTS  
(continued)**

The Irving Corps/Community Center also operates a child development center offering all day and after-school care and meals for children. The Garland, Irving, and Waxahachie Corps/Community Centers also operate Boys' Clubs, which offer a wide variety of educational and recreational programs for young people.

**2 SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The accompanying financial statements have been prepared in accordance with the national accounting policies of The Salvation Army. These policies are consistent with accounting principles generally accepted in the United States of America.

The Salvation Army has adopted the provisions of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 958-605, *Contributions Received* ("ASC 958-605"), and FASB ASC 958-205, *Not-for-Profit Entities: Presentation of Financial Statements* ("ASC 958-205"). ASC 958-605 requires that contributions received, including unconditional promises to give, be recognized as increases in net assets in the period received at their fair value. ASC 958-205 establishes the standards for external financial reporting for not-for-profit organizations, which includes a statement of financial position, a statement of activities, a statement of functional expenses and a statement of cash flows. It requires the classification of resources into three classes of net assets based on the absence or existence of donor-imposed restrictions.

In order to observe restrictions which donors place on contributions and other gifts, as well as designations made by the Board of Trustees/Directors, all assets, liabilities and support and revenue are accounted for in the following net asset classifications:

- Unrestricted net assets - not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes or locations by action of the Board of Trustees/Directors.
- Temporarily restricted net assets - subject to donor-imposed stipulations that may be fulfilled by actions of The Salvation Army to meet the stipulations or become unrestricted at the date specified by the donor.
- Permanently restricted net assets - subject to donor-imposed stipulations that they be retained and invested permanently by The Salvation Army. The donors require the Fund to use all or part of the investment return on these net assets for specified or unspecified purposes.

**THE SALVATION ARMY - DALLAS/FORT WORTH METROPLEX AREA COMMAND  
OPERATING FUND**

**NOTES TO FINANCIAL STATEMENTS  
(continued)**

**Cash and Cash Equivalents**

For purposes of these statements, cash equivalents are defined as short-term, highly liquid investments that are both readily convertible to known amounts of cash and have original maturities of three months or less.

Cash and cash equivalents in the accompanying statement of financial position include restricted cash that must be used as follows:

Garland Corps building repairs/renovations	<u>\$ 18,157</u>
--	------------------

**Contributions Receivable**

Contributions receivable that are expected to be collected within one year are recorded at net realizable value. Contributions receivable that are expected to be collected in future years are recorded at fair value based on the present value of their estimated future cash flows and are discounted at the rate applicable to the year in which the contribution was made. Conditional contributions receivable are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

**Property, Equipment, Depreciation and Reserves**

All land and buildings used by the Command, as well as any contributions or reserves established for purchase or replacement of land or buildings, are held in separate funds which are under the legal control and discretion of The Salvation Army, a Georgia corporation. Consequently, these assets are not included in the accompanying financial statements. The Fund has not been assessed a specific fee or rent charge for utilization of these facilities. Rent charges may be assessed for utilization of other facilities from third parties.

Equipment is stated at cost or, if donated, at fair market value at the date of donation. Equipment is capitalized based upon actual cost and depreciated on a straight line basis over three to ten years. As a matter of Salvation Army policy, items costing \$10,000 or more are capitalized and all other items are expensed to occupancy and equipment costs.

Provision is made for estimated major future costs of property maintenance and replacement of vehicles and some equipment by transfer of operating net assets to board designated unrestricted net assets. As of September 30, 2017, cash and cash equivalents include the following, which are board designated to be used for certain purposes:

Vehicle replacement reserve	\$ 156,287
Property maintenance reserve	<u>115,650</u>
	<u>\$ 271,937</u>

**THE SALVATION ARMY - DALLAS/FORT WORTH METROPLEX AREA COMMAND  
OPERATING FUND**

**NOTES TO FINANCIAL STATEMENTS  
(continued)**

The Command is subject to the provisions of ASC 360-10-35, *Impairment or Disposal of Long-Lived Assets*. The standard requires impairment losses to be recorded on long-lived assets when indicators of impairment are present and when the undiscounted cash flows estimated to be generated by those assets (excluding interest) are less than the carrying amount of the assets. In such cases, the carrying value of assets to be held and used are adjusted to their estimated fair value and assets held for sale are adjusted to their estimated fair value less selling expenses. No impairment losses were recognized during the year ended September 30, 2017.

**Support and Revenue**

All items of support and revenue are stated on the accrual basis. Contributions subject to donor-imposed restrictions are recorded as temporarily restricted support and are reclassified as unrestricted when the donor-imposed restriction has been fulfilled or the stipulated time period has elapsed. Contributions with restrictions that are met during the fiscal year are recorded as unrestricted support. Support and revenue are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions that are not fulfilled in the accounting period. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulations or by law. All expenses are reported as decreases in unrestricted net assets. Expirations of temporary restrictions on net assets, that is, the expiration of the donor-imposed stipulated purpose or the elapsing of the specified time period, are reported as net assets released from restrictions.

Contributions receivable that are scheduled to be received after the end of the reporting period are shown as increases in temporarily restricted net assets and are reclassified to unrestricted net assets when the purpose or time restriction is met. Contributions receivable subject to donor-imposed stipulations that the corpus be maintained permanently are recognized as increases in permanently restricted net assets. Contributions received for fundraising events are recorded as deferred revenue until the event is held.

In addition to contributions from the public at large, the Fund also receives certain amounts which are earned or otherwise released from funds held in trust by Southern Territorial Headquarters. These amounts are included in contributions in the accompanying financial statements.

**Donations-in-kind and Contributed Services**

Material donations-in-kind items used in The Salvation Army programs and services (e.g., vehicle, free rent, equipment, etc.) and donated goods distributed (e.g., clothing, furniture, foodstuffs, etc.) are recorded at their estimated fair value as revenue and expense at the time the items are placed into service or distributed.

**THE SALVATION ARMY - DALLAS/FORT WORTH METROPLEX AREA COMMAND  
OPERATING FUND**

**NOTES TO FINANCIAL STATEMENTS  
(continued)**

Contributed equipment is recorded at fair value at the date of donation as unrestricted support and revenue unless the use of such contributed assets is restricted by a donor-imposed restriction.

Contributed services are reported as contributions at their fair value if the services received (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. In addition, the appropriate value of donated services of individuals is recorded as an expense when such services qualify for cost reimbursement from third-party providers.

Unpaid volunteers have made significant contributions of time to the Command. The value of this contributed time is not reflected in the accompanying statements since it does not create or enhance non-financial assets or require specialized skills.

**Expenses**

All expenses are stated on the accrual basis and are presented in the statement of activities and changes in net assets and the statement of functional expenses. Allocations of expenses to program services and supporting services are estimated based on personnel time and actual expenses incurred for the related activities.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

**Recently Issued Accounting Pronouncement**

In August 2016, the FASB issued Accounting Standards Update 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*, which makes improvements to the information provided in financial statements and accompanying notes of not-for-profit entities related to net asset classification requirements and the information presented about a not-for-profit entity's liquidity, financial performance and cash flows. The new standard is effective for the fiscal year ending September 30, 2019. The Command is currently evaluating the effect that implementation of the new standard will have on its financial position, changes in net assets and cash flows.

**THE SALVATION ARMY - DALLAS/FORT WORTH METROPLEX AREA COMMAND  
OPERATING FUND**

**NOTES TO FINANCIAL STATEMENTS  
(continued)**

**3 CONTRIBUTIONS RECEIVABLE AND OTHER RECEIVABLES**

Contributions receivable are recorded at net realizable value in the accompanying financial statements. Total contributions receivable of \$1,257,380 have been included in the accompanying statement of financial position. Of this amount, \$806,698 is due from the United Way, and \$450,682 is due from individual donors. Contributions receivable are valued in accordance with ASC 958-605 using a discount rate of 10% for the present value calculation. As of September 30, 2017, the discount on contributions receivable after one year was not considered significant and was not recorded. The table below shows how the contributions receivable are to be collected:

Contributions receivable due in:	
Less than one year	\$ 998,630
One year to five years	<u>258,750</u>
	<u>\$ 1,257,380</u>

Other receivables consist primarily of amounts due under various government grants and contracts. Based on the collectibility of funds from all of these sources, management believes that an allowance for doubtful accounts is not considered necessary.

**4 DUE TO OPERATING REVOLVING LOAN FUND**

On certain occasions, the Fund borrows monies from the operating revolving loan fund in order to finance day-to-day operations. These borrowings are repaid when certain receivables are collected from governmental units.

**5 PENSION, RETIREMENT AND POST-RETIREMENT BENEFIT PLANS**

**Employee Pension Plan**

Eligible employees of the Command participate in The Salvation Army Pension Plan (the "Plan") with other Salvation Army territories, which provides for death, disability and retirement benefits. The Plan is a defined contribution, money purchase plan. Annual contributions to the Plan are based on a stipulated percentage (6.00% in fiscal year 2017) of eligible employees' salaries. Amounts charged to the Fund and included in expenses for this plan were \$484,044 in fiscal year 2017.

**THE SALVATION ARMY - DALLAS/FORT WORTH METROPLEX AREA COMMAND  
OPERATING FUND**

**NOTES TO FINANCIAL STATEMENTS  
(continued)**

**Officers' Retirement and Other Post-Retirement Benefits Provisions**

The Salvation Army has a noncontributory retirement provision for officers, which provides retirement benefits, as defined by Salvation Army policy governing such benefits. Retirement allowances are determined based upon active officer allowances and length of service. Amounts charged to the Fund and included in expenses for this plan were \$90,324 in fiscal year 2017.

The Salvation Army also provides certain health care and death benefits for retired Salvation Army officers as part of the retirement provision for officers. The Salvation Army also provides a housing and furnishings allowance at the time of retirement. All Salvation Army officers and their eligible dependents are eligible for these benefits, as defined by Salvation Army policy. Provision for these benefits is made in a manner similar to that for officers' retirement benefits. Amounts charged to the Fund and included in expenses for this plan were \$224,827 in fiscal year 2017.

**6 EMPLOYEE MEDICAL PLAN**

Employees of The Salvation Army are provided health benefits under a self-insured program which is administered by a third-party claims administrator. The employee medical plan is funded by assessments made to all centers of operation which in turn assess the programs of the unit based on premium rates for all employees eligible for participation and by earnings on the designated assets of the plan maintained by the Southern Territorial Headquarters of The Salvation Army. Amounts charged to the Fund and included in expenses for this plan were \$2,564,313 in fiscal year 2017.

**7 INSURANCE**

The Salvation Army maintains self-insurance programs for general liability, automobile, workers compensation and property coverage. The programs which are administered by the Southern Territorial Headquarters of The Salvation Army are intended to provide coverage for claims arising in all centers of operation. Funding for these programs is obtained through assessments to all centers of operation which in turn assess the programs of the unit for each line of coverage and through earnings on assets designated by the Southern Territorial Headquarters of The Salvation Army to pay claims. Amounts charged to the Fund and included in expenses were \$979,251 in fiscal year 2017.

The balances receivable or payable are presented as amounts due from or due to the related party in the accompanying statement of financial position.

During the year ended September 30, 2017, the Command recorded income of \$5,880,817 from trust accounts maintained by and under the legal control and discretion of Southern Territorial Headquarters to assist in the operations of the Command, including the payment of various liabilities to Texas Divisional Headquarters. This amount is included in the accompanying financial statements as other income.

The Command is assessed an administrative charge by Texas Divisional Headquarters for support services provided by Texas Divisional Headquarters and Southern Territorial Headquarters. Support services provided include program, personnel, business and social services. These charges are included in the accompanying financial statements as support services.

**THE SALVATION ARMY - DALLAS/FORT WORTH METROPLEX AREA COMMAND  
OPERATING FUND**

**NOTES TO FINANCIAL STATEMENTS  
(continued)**

During the year ended September 30, 2017, the Command made lease payments of approximately \$324,000, which were paid on behalf of The Salvation Army, a Georgia corporation, who has leased buildings and certain other equipment which are used by the Command. This amount is included in the accompanying financial statements as occupancy and equipment expense.

**11 FAIR VALUE OF FINANCIAL INSTRUMENTS**

The Command's financial instruments consist of cash and cash equivalents, contributions receivable, other receivables, due from Territorial Headquarters, due from other Salvation Army units, due to Divisional Headquarters, accounts payable and accrued expenses and due to operating revolving loan fund. All financial instruments are stated either at cost or net realizable value, which approximates fair value.

Financial instruments that potentially expose the Command to concentrations of credit and market risk consist primarily of cash and cash equivalents and receivables. Cash and cash equivalents are maintained at federally insured financial institutions and credit exposure is limited to the amount of deposits at any one institution in excess of the federally insured limit.

As of September 30, 2017, the Command had cash balances on deposit with federally insured financial institutions which exceeded federally insured limits by approximately \$3,613,000. The Command has not historically experienced losses as a result of these uninsured balances.

Receivables may be due from various government agencies, the United Way, other entities and individuals, therefore, diversifying the related concentration of credit risk. Losses due to uncollectibility of these receivables have historically been negligible.

**12 FAIR VALUE MEASUREMENTS**

The Command has adopted ASC subtopic 820-10-65, which delayed the effective date of ASC 820 for all nonfinancial assets and liabilities to fiscal years beginning after November 15, 2008, except those that are recognized or disclosed at fair value in the financial statements on a recurring basis.

The Command has adopted Accounting Standards Update ("ASU") 2010-06, *Improving Disclosures about Fair Value Measurements*, to amend ASC 820, *Fair Value Measurements and Disclosure*. ASU 2010-06 requires additional disclosures for the amounts and reasons for significant transfers in and out of fair value measurements hierarchies. ASU 2010-06 also requires information about purchases, sales, issuances and settlements for Level 3 fair value measurements to be presented separately.

The Command recorded certain assets at their fair value. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date.

**THE SALVATION ARMY - DALLAS/FORT WORTH METROPLEX AREA COMMAND  
OPERATING FUND**

**NOTES TO FINANCIAL STATEMENTS  
(continued)**

ASC 820 establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. The fair value hierarchy is categorized into three levels based on inputs as follows:

Level 1: Quoted market prices for identical assets or liabilities to which an entity has access at the measurement date.

Level 2: Inputs and information other than quoted market indices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include:

- a. Quoted prices for similar assets or liabilities in active markets;
- b. Quoted prices for identical or similar assets in markets that are not active;
- c. Observable inputs other than quoted prices for the asset or liability;
- d. Inputs derived principally from, or corroborated by, observable market data by correlation or by other means.

Level 3: Inputs that are unobservable and significant to the overall fair value measurement of the asset or liability. Unobservable inputs should be used to measure the fair value to the extent that observable inputs are not available.

Observable inputs reflect the assumptions market participants would use in pricing the asset or liability developed from sources independent of the reporting entity and unobservable inputs reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The fair value of short-term financial instruments, including cash and cash equivalents, contributions receivable, other receivables, due from Territorial Headquarters, due from other Salvation Army units, due to Divisional Headquarters, accounts payable and accrued expenses and due to operating revolving loan fund, approximate the carrying value in the accompanying financial statements due to the short maturity of such instruments.

**13 CONTINGENCIES**

In the normal course of conducting its business and programs, the Command occasionally becomes party to various legal actions and proceedings. While outside counsel cannot predict the outcome of such litigation, management does not expect the outcome to have a material effect upon the financial position or the results of operations of the Command.

**14 SUBSEQUENT EVENTS**

The Command has evaluated subsequent events through March 7, 2018, the date these financial statements were available to be issued.

**NOTE TO SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS**

**FOR THE YEAR ENDED SEPTEMBER 30, 2017**

**1 SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS**

The accompanying schedule of expenditures of federal and state awards includes the federal and state grant activity of the Command and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and Uniform Grant Management Standards State of Texas Single Audit Circular.

For the year ended September 30, 2017, the Command did not elect to use the 10% de minimis indirect cost rate.

**Independent Auditor's Report on Internal Control Over Financial Reporting  
and on Compliance and Other Matters Based on an Audit of Financial Statements  
Performed in Accordance With *Government Auditing Standards***

To the Board of Trustees of The Salvation Army,  
a Georgia Corporation

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Operating Fund of The Salvation Army - Dallas/Fort Worth Metroplex Area Command (the "Command"), which comprise the statement of financial position as of September 30, 2017 the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 7, 2018.

**INTERNAL CONTROL OVER FINANCIAL REPORTING**

In planning and performing our audit of the financial statements, we considered the Command's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Command's internal control. Accordingly, we do not express an opinion on the effectiveness of the Command's internal control.

- A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Trustees of The Salvation Army,  
a Georgia Corporation  
Page 2

## **COMPLIANCE AND OTHER MATTERS**

As part of obtaining reasonable assurance about whether the Command's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **PURPOSE OF THIS REPORT**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance and Uniform Grant Management Standards State of Texas Single Audit Circular**

To the Board of Trustees of The Salvation Army,  
a Georgia Corporation

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL AND STATE PROGRAM**

We have audited the Operating Fund of The Salvation Army - Dallas/Fort Worth Metroplex Area Command's (the "Command") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and in Uniform Grant Management Standards State of Texas Single Audit Circular that could have a direct and material effect on each of the Command's major federal and state programs for the year ended September 30, 2017. The Command's major federal and state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal and state programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of the Command's major federal and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"); and Uniform Grant Management Standards State of Texas Single Audit Circular. Those standards, the Uniform Guidance and Uniform Grant Management Standards State of Texas Single Audit Circular require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about The Command's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and state program. However, our audit does not provide a legal determination of the Command's compliance.

### **Opinion on Each Major Federal and State Program**

In our opinion, the Command complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended September 30, 2017.

### **REPORT ON INTERNAL CONTROL OVER COMPLIANCE**

Management of the Command is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Command's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal and state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and state program and to test and report on internal control over compliance in accordance with the Uniform Guidance and Uniform Grant Management Standards State of Texas Single Audit Circular, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Command's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**PURPOSE OF THIS REPORT**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Uniform Grant Management Standards State of Texas Single Audit Circular. Accordingly, this report is not suitable for any other purpose.

Dear Taxpayer:

This is in response to your request dated Jan. 29, 2018, regarding your tax-exempt status.

We issued you a determination letter in October 1955, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c) (3).

Our records also indicate you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(i).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return.
