**12-222M5** Chairman Clark and Mayor Loughmiller called for Public Hearings to Consider/Discuss/Act on the Request by the City of McKinney to Amend the Code of Ordinances by Creating Appendix G-1 (McKinney Town Center Regulating Plan) and Appendix G-2 (McKinney Town Center Zoning District Regulations) in the Zoning Regulations (Chapter 146); by Amending Sections 6 (Zoning Districts Established), 40 (Nonconforming Uses and Nonconforming Structures), 45 (Site Plan Approval), 95 (MTC McKinney Town Center District), 96 (CHD Commercial Historic District),

129 (Height and Area Exceptions, and Minimum Distances Between Specific Uses), 130 (Vehicle Parking), 131 (Off-Street Loading), 132 (Fences, Walls, and Screening Requirements), 135 (Landscape Requirements), 137 (Communications Antennas, Satellite Dishes and Support Structures/Towers), 138 (Open Storage and Outdoor Display), 139 (Architectural and Site Standards), 163 (Planning and Zoning Commission), 167 (Historic Preservation Officer), 168 (Designation of Historic Landmarks and Districts), Appendix C-1 (McKinney Commercial Historic District Map), Appendix C-2 (Historic District Map), Appendix F-1 (Schedule of Yards and Setbacks), Appendix F-2 (Schedule of Heights, Areas, and Densities), and Appendix F-4 (Schedule of Uses); and by Amending Section 155 (Exemptions) of the Subdivision Regulations (Chapter 142); and to Amend Sections 5 (Prohibited Signage), 6 (All Zoning Districts), 9 (Downtown Commercial Historic District), and 10 (Multiple-Building Lot Coordinated Signage) of the Sign Regulations (Chapter 134), and Accompanying Ordinance. Assistant Planning Director Kevin Spath staff is presenting two companion items associated with the McKinney Town Center (MTC) form-based zoning initiative: a proposed "textual" amendment (item 12-222M5) of certain sections of McKinney's zoning, subdivision, and sign ordinances for the purpose of adopting and integrating the MTC form-based zoning district regulations, and a proposed "map" amendment (item 13-001M5) of McKinney's official zoning map for the purpose of rezoning approximately 262 acres (approximately 616 parcels) to the MTC form-based zoning district (assuming that the proposed "textual" amendment is adopted). Mr. Spath stated that one of the most critical implementation elements of Phase 2 of the Town Center Study Initiative has been the analysis of existing zoning regulations and the crafting of new form-based zoning regulations. The proposed form-based zoning district (designated as MTC - McKinney Town Center District) has been under development

since 2010. The purpose of this proposal is to replace most of the ineffective and obsolete land development regulations currently governing McKinney's Town Center. The proposal will not expand, remove, or weaken any of the historic preservation regulations currently in effect, and the proposal will not involuntarily displace any current property owners/users. The proposal is intended to help preserve, enhance, and grow McKinney's unique and historic Town Center for many years into the future.

Chairman Clark called for public comment.

Mr. Joe Joplin, 407 S. Tennessee Street, McKinney, spoke about property rights and how these changes will affect his property. Commissioners unanimously approved the motion by Commissioner Franklin, seconded by Commissioner Gilmore, to close the public hearing.

Mr. Spath stated that Staff has thoroughly reviewed the proposed regulations for possible unintended consequences and believes that every effort has been made with the proposed regulations to ensure that they would not negatively impact single family property owners. Mr. Spath stated that additional language is being proposed to the nonconforming section (Section 146-40) of the zoning ordinance that would allow the alteration or enlargement of a nonconforming structure provided that the alteration or enlargement does not create any new nonconformity or increase the degree of an existing nonconformity.

Mayor Loughmiller called for public comment and there was none.
