City of McKinney
Zoning Department

Dear Sir or Madam:

Rezoning Request: 1600 W. Louisiana Street, McKinney, Texas 75069

The Texas Coalition for Animal Protection requests rezoning of a strip shopping center located at 1600 W. Louisiana Street, McKinney, TX 75069. This letter is to show our intent in having the space rezoned to zone C1 to allow us to open a veterinary hospital without outside runs at this location. This strip shopping center currently houses The School of Rock and Crossfit.

The acreage of this location is 0.9598. It is in the WD Thompson survey on abstract AD891.

We ask that this be considered in your August 25th deadline. This space, which has been vacant for some time, would help our nonprofit organization service the citizens of Collin County in a great way. We have worked for years at Collin County Animal Services and have helped countless people and their pets since 2007. This new space would be used for low cost vaccines and low cost pet sterilization. This would mean that more people would sterilize their pets and would help the Collin County decrease the amount spent on controlling unwanted animals.

Thank you in advance for your consideration of this request. I can be reached anytime at 469-233-7737. My email address is staceyjm@hotmail.com. My mailing address is shown below.

Kindest regards,

Stacey Schumacher
Executive Director
