Dear Councilmen,

My name is Reilly Clark. Last month, I spoke to you about our city's statue of James Webb Throckmorton and the failure of values that it represents. I am imploring you a second time to make a statement about who we are as a city – who we want to be – and remove this disgraceful and misleading monument. Yes, the statue of Throckmorton is a problem that needs to be solved. But more than that, it is an opportunity to set the record straight.

When I first spoke to this council, I laid out the facts. Throckmorton fought in open rebellion against this country for the explicit purpose of perpetuating slavery. This is not an opinion. This is a matter of historical fact.

Alexander Stephens, the Vice-President of the Confederacy and the man to whom Throckmorton pledged his allegiance, called slavery -- by name -- the cornerstone of the Confederacy.

This is cause for which James Webb Throckmorton pledged his life. As an officer in the Confederate Army, he would have died to keep enslaved people enslaved. This man now watches over our streets. Councilmen, removing his statue would not be "erasing history." Rather, removal recognizes of history as it really was. Throckmorton decided what side of history he wanted to be on long ago. Now, we face the same choice.

Thank you.

Yesterday, Monday 7/20, Councilman Shemwell made a post on his Facebook page, making bigoted and racist remarks about Allen West, specifically calling him a "coon", an extremely offensive slur for a Black person. McKinney has no place for racism or bigotry, especially from a so-called "leader" in a very diverse district. A person's race does not excuse them from being racist or bigoted. Unfortunately, the Councilman believes he has done no wrong further highlighting his ineptitude to be a successful councilman and positive influence in District 1. I am going to be the father of a biracial child this Fall, and it's unsettling to know my child will be growing up in a district with a proud, openly racist councilman who's perpetuating the regression of race relations in our community. The community he is affecting and transforming with his radical message may not be a safe place to live for my family in the future. Myself along with many other residents in District 1 are embarrassed to have Councilman Shemwell represent us. To restore dignity and decency back to the District 1 councilman seat, we request Councilman Shemwell resigns effective

immediately. If he chooses not to, we will vote him out, and he can finally disappear into a state of obscurity where he belongs. We are watching. Thank you.

As People that live in afforded the ability to live free within our society from oppressive restrictions imposed by authority on ones way or life behavior or political views.

With that being said, just because you can do something doesn't mean it's right.

As Elected leaders a lot is expect of you to the between the constitution, Texas constitution, and the City charter.

I don't agree with the fact that an independent grand jury exonerated an Elected Leader and instead of taking this opportunity to celebrate; it was seen as an opportunity to cast doubt.

Mayor Fuller I respect you and in my opinion are one of the more genuine Elected Leaders in Collin County.

However, I do not agree with the remarks that were made by you on record in June 2019 according to the Dallas morning news.

To be more specific the statement that" a majority of the time, domestic violence cases are not prosecuted, and that's a tragedy in this country," That fact] truly is a travesty."

I do not agree with this statement and feel this broad statement undermines the integrity of our judicial system. The Truth is a good number of courts have Domestic Violence Divisions with prosecutors and resources allocated with the sole intent of seeking justice for victims of domestic violence.

Combined the statement with the fact the petition circulated to recall Council Member Shemwell makes ref

I can't put my comments into the newly created on line system because it limits the comments to an unspecified length, cutting off my comments, so I am reverting to the old way of doing things. Can we please fix this issue so citizens have a way of having the entirety of their comments submitted on line. . .(see my screen-shot photo attached)

MY PUBLIC COMMENTS:

I am sending in this note for public comment, because a work commitment would not allow me to be present today and because warnings have been issued to me, this past week, that give me concern about my safety and the safety of my family.

It is sad when any member of this community is targeted with such warnings, especially when the warning comes from a sitting city council member. I am grateful that the McKinney Police investigated the matter and that they have a record of the incident on file.

I am also concerned about a recent Facebook posting by a member of the McKinney City Council, Councilman La'Shadiou Shemwell, where he used what appeared to be a racially insensitive slur in a Facebook posting. The posting has now been inexplicably removed from Mr. Shemwell's personal Facebook account.

I would like the entire Council to join with me, in publicly denouncing Mr. Shemwell's recent activities that resulted in an investigation by the McKinney Police and in denouncing the recent social media activities of the Councilman. His activities are a poor reflection on himself and the position he holds on the Council. If any other city employee engaged in these activities, I am sure they would have their employment terminated. Unfortunately, the city council can not remove Mr. Shemwell from his position on the Council but our City Ethics Policies allow for Council to admonish, reprimand and/or publicly censure the Councilman, and I sincerely hope the Council will consider such a move, given these recent activities.

The Council represents the voices of many, and as such, needs to be good stewards of the offices to which each member is elected. We cannot, and we must not, allow any one individual to tarnish the good image of our city and our city Council.

Please join with me in condemning the shameful actions of Mr. Shemwell. Any member on this Council can entertain a motion to censure, admonish and /or reprimand, and second the motion, and I sincerely hope that at some point, to see that motion made and approved.
