

ORGANIZATIONAL REPORT

—
2022 - June

McKinney Economic Development Corporation

MEDC Board,

June for MEDC enters us into yet another season of transition. We said goodbye to Abby Liu, our Executive Vice President of Operations. After 11 years with the MEDC, Abby has decided to move on to her next chapter in her career. During Abby's 11 year run with the organization she helped land many notable projects in McKinney like, PACCAR, Wistron, Tong Yang Group, Hisun, and many more. We thank her for her service to this city and wish her well in her future endeavors.

2022 is throwing the EDC some curve balls. While our project pipeline is as full as it has ever been, it's taking longer and longer to get deals across the finish line. We are working on the formation of our Tech Organization for deployment in the fall and are optimistic about all the new Innovation Fund projects coming in.

At the IEDC Fall Forum in Richardson, we received our AEDO plaque and are now official in our accreditation. Lots of great things on the horizon.

The company currently partners with a local company who has been sharing how great it is doing business in McKinney. Additionally, one of the guests who attended the Byron Nelson mentioned McKinney as a great location for their expansion in an entirely separate conversation.
