Subject: Application for Preliminary / Final Plat for an acre to be developed at the intersection of Ridge Rd and Chisholm Trail, McKinney, TX

Dear Kathy,

We bought an acre land at the intersection of Ridge Rd and Chisholm Trail to develop a DayCare. I am here submitting the required application along with the Plat plan, utility and drainage plan. As there are no tree in the subject property, I request you to waive the requirement to submit the Tree survey and Tree permit application.

I kindly request you to consider my application and let me know if you need any more details.

Thanks

Mahesh Gajjala,
Manager, GAI Group LLC
