Dear Section 5339 Transit Operator,

Attached is a list showing the full Fiscal Year (FY) 2019 funding allocations for the individual Section 5339 operators in Texas' urbanized areas under 200,000 in population.

The Texas Department of Transportation (TxDOT) used the available apportionment posted online by the Federal Transit Administration (FTA) on April 9, 2019.

As identified in this Split Letter, the Designated Recipient authorizes the assignment/allocation of Section 5339 to the Direct Recipient(s) recognized for each urbanized area. The undersigned agrees to the Split Letter and the amounts allocated/assigned to each urbanized area. Each Direct Recipient is responsible for its application to the FTA to receive Section 5339 funds and assumes the responsibilities associated with any award for these funds.

Transportation Development Credits (TDC) are available for eligible projects and must be requested in eGrants. The Public Transportation Division (PTN) will notify you via letter of the approved TDC amount. The letter must be submitted to FTA at the time of the FTA application. Once FTA has approved the related grant application, the agency must notify PTN of the FAIN number and PTN will issue a TDC agreement.

TxDOT has notified the Federal Transit Administration of the available allocations for FY 2019 in the amounts shown in the attachment.

If you have any questions or require additional information, please contact Christopher Ramirez at 512-486-5963

Sincerely,

Eric L. Gleason
Director, Public Transportation Division
