Re: Letter of Intent – Site Plan for Trinity Falls Elevated Storage Tank

Dear Mr. Quint,

Please find attached the Site Plan for the Trinity Falls Elevated Storage Tank. The subject property is located on FM 543 approximately 2,800' west of the intersection of FM 543 and CR 206. The site is 2.87 acres in size and is located in the City of McKinney Extraterritorial Jurisdiction. We would like to request that the West side of the perimeter fence be an 8' chain link fence (in lieu of an 8' ornamental fence) since this side of the site faces the existing chain link fence for the Grayson-Collin Electric Cooperative substation. If you have any questions regarding the site plan please contact Russell L. Kennedy, P.E. at 972-335-3580.

Sincerely,

KIMLEY-HORN AND ASSOCIATES, INC.

Russell L. Kennedy, P.E.
Engineer
