Hey Linda!

Here's our official "resignation" letter for the Music Fest.

TUPPS has decided to cancel its Music Festival originally planned for April 2020 and postponed to May 2021. Since the time of our original plans, another large music event has been scheduled for McKinney in the month of June. TUPPS is planning an alternative event for Fall 2021 that would continue to highlight music, but also highlight local restaurants through a food truck event, including participation of local vendors and many family friendly activities. We do plan to present a grant application to MCDC for this event in the near future and are grateful for the opportunity to serve our community through your support.
