RECOMMENDED PLANNING AND ZONING COMMISSION AND CITY COUNCIL ACTION:

Staff recommends approval of the proposed amendments to the Code of Ordinances.

ITEM SUMMARY:

- Staff has compiled a list of proposed amendments to the Zoning and Subdivision Ordinances as well as Chapter 138 of the Code of Ordinances pertaining to the location of sexually oriented businesses. These amendments are generally meant to increase residential quality, streamline the development process, comprehensively update antiquated and outdated regulations, address development issues, and rectify typos, discrepancies, and unclear provisions. These amendments are very comprehensive in nature as they are updating some regulations that have not been significantly modified since the 1960's when they were created.
