END OF CONSENT

18-580 Mayor Fuller called for Consideration/Discussion/Action on a Resolution

Approving a Contract for the Chestnut Commons Garage Mosaic. Staff requested this item be tabled to the next meeting. Council unanimously approved the motion by Council member Branch, seconded by Council member Elliott, to table this item to the August 6, 2018 meeting.

18-587 Mayor Fuller called for Consideration/Discussion/Action on all Matters Incident and Related to Approving the Resolution of the McKinney Economic Development Corporation Authorizing the Issuance of the "McKinney Economic Development Corporation Sales Tax Revenue Bonds, Taxable Series 2018" and the Deposit of Gross Sales Tax Revenues, Including the Adoption of a Resolution Pertaining Thereto. Finance Director Trudy Mathis stated \$20.11 million in sales tax revenue bonds will be issued for the purpose of land acquisition. The McKinney Economic Development Corporation Board (MEDC) also approved a Resolution of their intent to reimburse MEDC operating funds for the land already acquired this year with the proceeds of those bonds. Ms. Mathis also stated the bonds were offered by private placement with 17 competitive bids from 10 different financial institutions with various call options. The MEDC Board elected for the bid from First National Bank Texas with a 1 year call option, a 10 year term, 3.65% annual interest rate, and with sales tax revenue to be received monthly. MEDC Interim President Abby Liu stated that future land acquisitions and a marketing plan have been discussed by MEDC Board regarding the bonds. Mr. Branch stated he was concerned about issuing additional bonds and purchasing additional property. Ms. Mathis stated no bonds have been issued yet, as law requires the City Council to approve the issuance of MEDC bonds and Attorney General approval. The bonds would be scheduled to close and receive proceeds on August 1, 2018. Mr. Rogers expressed disagreement to pay interest on bonds with an undetermined use or timeline. City Attorney Mark Houser stated that there are projects before the MEDC Board and the funds will not be sitting in the bank.

Council approved the motion by Council member Elliott, seconded by Council member Rogers, to approve a Resolution authorizing the issuance of the "McKinney Economic Development Corporation Sales Tax Revenue Bonds, Taxable Series 2018" and the deposit of gross sales Tax Revenues, including the adoption of a Resolution pertaining thereto with a vote of 6-1-0, Council member Branch voting against. Caption reads as follows:

18-0087SP Mayor Fuller called for Consideration/Discussion/Action on a Site Plan for a Multi-Family Development (Heritage Multi-Family), Located South of the Intersection of Pearson Avenue and Heritage Drive. Planning Manager Samantha Pickett stated that the applicant is proposing a multi-family residential development of 176 units across 11 buildings that is located at Heritage and Pearson. City staff recommend approval on the condition of the applicant satisfying the requirements listed in the report as well as meeting the Zoning Ordinance. Council approved the motion by Council member Rath, seconded by Council member Shemwell, to approve a Site Plan for a Multi-Family Development (Heritage Multi-Family), located south of the intersection of Pearson Avenue and Heritage Drive with a vote of 6-1- 0, Council member Branch voting against, with the following conditions: the applicant satisfy the conditions as shown on the Standard Conditions for Site Plan Approval Checklist, attached; prior to issuance of a building permit: the applicant revise the site and landscape plans to provide the required screening for HVAC

equipment; the applicant revise the site plan to revise the labels for the fencing around the dog park and pool amenities; the applicant revise the site plan to provide the required amenity details; the applicant revise the site plan to revise the Building Areas, Floor Area Ratio, Parking Spaces Required and Setbacks information within the Site Data Table; the applicant revise the site and landscape plans to revise the dimensions of the dumpster enclosure; the applicant revise the landscape plan to revise the parking lot screening note within the Minimum Landscape Requirements Table; the applicant revise the landscape plan to revise the spacing for required 6' evergreen shrubs for screening from 5' to 3' on center; and the applicant revise the site plan and water/wastewater plan to relocate the FDC and fire hydrants and add fire hydrants, subject to review and approval of the Fire Marshal's Office.

18-0003SU Mayor Fuller called for a Public Hearing to Consider/Discuss/Act on a Specific Use Permit Request for a Restaurant with Drive-Through Window (Shops at Lake Forest), Located Approximately 300 Feet West of Lake Forest Drive and on the South Side of Collin McKinney Parkway, and Accompanying Ordinance. Planning Manager Samantha Pickett stated that the applicant is requesting a specific use permit for a restaurant with a drive-through window in a combo retail-restaurant building consisting of approximately 5,000 sq. ft. of restaurant and approximately 9,000 sq. ft. of retail. The property fronts on Collin McKinney Parkway. City staff recommends approval. It is the latest in a series of properties in the area to be rezoned to the "C1" category and the use fits with the area. Council unanimously approved the motion by Council member Branch, seconded by Council member Rogers, to close public hearing and approve an Ordinance granting a Specific Use Permit request for a restaurant with drive-through window (Shops at Lake Forest), located approximately 300 feet west of Lake Forest Drive and on the south side of Collin McKinney Parkway. 18-0051Z2 Mayor Fuller called for a Public Hearing to Consider/Discuss/Act on a Request to Rezone the Subject Property from "PD" - Planned Development District to "SF7.2" - Single Family Residential District, Located Approximately 975 Feet South of Gray Branch Road and on the East Side of Ridge Road, and Accompanying Ordinance. Planning Manager Samantha Pickett stated that the applicant is requesting to rezone the property from "PD" to "SF7.2" maintaining residential uses in order to remove the layout that is causing access and floodplain issues. Since the item was last tabled at the council meeting on June 5, 2018 meeting, On July 16, 2018, the applicant has hosted a neighborhood meeting and provided information. The applicant has provided a concept plan for information purposes only that depicts approximately 49 units at a rate of 2.77 dwelling units per acre. The number of lots on this portion of the zoning area increases; however, the overall number for the east side of Ridge should stay below the total number of lots shown on the original zoning. City staff recommended approval. The proposed request should be compatible with access issues in surrounding neighborhoods. Council member Branch read an email received from an adjoining property developer, "they paid \$185,000 for a redirect / redesign of the hike and bike trail to benefit all of the properties to the north of the newest community, Emerald Heights." Ms. Pickett stated she was not familiar with that issue. If the trail was redirected, it usually would have been of

their own accord and not mandated by City staff. Applicant, Mr. Bob Roeder, 1700 Redbud Boulevard #300, McKinney, stated that this is the second time the project has gone before the Council. Mr. Roeder confirmed that the hike and bike trail is anticipated to run along the east side of Ridge Road with sufficient common area setback. Mr. Roeder stated the need to rezone the property is based on the requirement of two access points to the area and the lots meet or exceed the City standard lot size of 7,200 sq. ft. Mayor Fuller commented that the requirement of the larger lots along the creek are not designed to have more expensive homes along the creek, but to maintain more greenspace and open space to preserve the aesthetic value that McKinney has and not encroach upon the creek. Mayor Fuller called for public comment.

Mr. Mike Brown, 5800 Creekside Street, McKinney spoke against the rezoning request.

Council unanimously approved the motion by Mayor Fuller, seconded by Council member Rogers, to close public hearing. Mayor Fuller stated that the Council is discussing zoning and not engineering requirements. Council approved the motion by Mayor Fuller, seconded by Council member Shemwell to approve an Ordinance to rezone the subject property from "PD" - Planned Development District to "SF7.2" - Single Family Residential District, located approximately 975 feet south of Gray Branch Road and on the east side of Ridge Road, with a vote of 5-2-0, Council members Elliott and Branch voting against. - 18-0066Z** Mayor Fuller called for a Public Hearing to Consider/Discuss/Act on a Request to Rezone the Subject Property from "PD" - Planned Development District to "C2" - Local Commercial District, Located on the West Side of Custer Road and Approximately 300 Feet North of Falcon View Drive; and Accompanying Ordinance. Planning Manager Samantha Pickett stated that the applicant is proposing to rezone the property from "PD" to "C2" in order to develop the property to blend with surrounding developments for commercial use. City staff recommends approval. Applicant, Mr. Binson Ly, 8716 Denstone Drive, McKinney, stated that the intended use of the site is full service wash, lube, and inspection. Council unanimously approved the motion by Council member Branch, seconded by Council member Rogers, to close public hearing and approve an Ordinance rezoning the subject property from "PD" - Planned Development District to "C2" - Local Commercial District, located on the west side of Custer Road and approximately 300 feet north of Falcon View Drive. - 18-582** Mayor Fuller called for Consideration/Discussion/Action on a Facilities Agreement for 331 Single Family Residential Lots and 9 Common Areas (Cambridge Meadows), Located at the Southwest Corner of County Road 412 and County Road 409. Planning Manager Matt Robinson stated that this item is associated with the following preliminary-final plat. The

applicant has made several changes to the original agreement provided by staff and they indicated they did not desire to construct or escrow for typical required improvements such as the extension of water, sanitation, sewer and roads. The applicant has agreed to provide the onsite easements of infrastructure. The agreement includes provisions for connecting to the North Collin Special Utility District for potable domestic and fire-flow water service and private waste water plant for sanitary sewer. The residential lots are located in the City's Extra Territorial Jurisdiction (ETJ). Staff recommends denial of the request. Applicant Mr. Brian Umberger, 4570 Westgrove Drive, Suite 145, Addison, TX 75001, stated homeowners should not be required to pay unknown future impact fees. City Attorney Mark Houser stated that it was determined that this development should connect to City services and impact fees would support building the connection. Interim Director of Planning Jennifer Arnold stated the maximum assessable fee is known if the plat were filed today. Mr. Umberger stated that since the applicant is paying North Collin fees, he should not be required to also pay McKinney fees. Council member Shemwell stated that the circumstance of impact fees is typical cost of development in the ETJ and it is the choice of the developer if he wants to develop or not. The Council approved the motion by Council member Shemwell, seconded by Council member Elliott, to table to the item to next meeting on August 6, 2018, with a vote of 6-1-0, Council member Branch voting against.

17-0021PF Mayor Fuller called for Consideration/Discussion/Action on a Preliminary-Final Plat for 331 Single Family Residential Lots and 9 Common Areas (Cambridge Meadows), Located at the Southwest Corner of County Road 412 and County Road 409. Council approved the motion by Council member Elliott, seconded by Council member Rogers, to table to the item to the next Council meeting on August 6, 2018, with a vote of 6-1-0, Council member Branch voting against.

18-583 Mayor Fuller called for Consideration/Discussion/Action on a Resolution Authorizing the City Manager to Execute a Professional Services Contract with Crossland Construction Company, Inc. (Crossland) of Prosper, Texas for Construction Manager at Risk (CMAR) Services Related to the Design and Construction of McKinney Fire Station #10 located at 1150 County Road 228, McKinney, Texas. Facilities Construction Manager Patricia Jackson stated that this item authorizes the City Manager to execute a contract for preconstruction services only. A future agenda item will be presented with the cost of construction. The Request for Proposal (RFP) solicited nine submittal responses. The top four submittals were interviewed and City staff recommends of Crossland Construction. Ms. Jackson stated that the City has a development agreement with Trinity Falls for Fire Station #10 where Trinity Falls will pay \$7.685M for Fire Station #10 plus a percentage of operational costs. The City has already received \$765,000 and the remaining amount is due in July. Council unanimously approved the motion by Council member Branch, seconded by Council member Elliott, to approve a Resolution authorizing the City Manager to execute a Professional Services Contract with Crossland Construction Company, Inc. (Crossland) of Prosper, Texas for Construction Manager at Risk (CMAR) Services related to the design and sonstruction of McKinney Fire Station #10 located at 1150 County Road 228, McKinney, Texas. 18-584 Mayor Fuller called for Consideration/Discussion/Action on a Resolution Authorizing the City Manager to Execute a Contract and All Necessary Change Orders with Camino Construction, L.P. for the Construction of

Substandard Utility Replacement and Street Rehabilitation North of Virginia Street (CO1706) and Aerial Wastewater Crossing Improvements - Erwin Avenue (WW2245) Project. CIP Manager Nick Ataie stated that the Engineering Department has received bids for these projects for the related planned improvements identified by Public Works. The funding for ongoing improvements will be funded by the General Fund and Revenue bonds. Camino Construction was the low bid at \$4.302M and we are requesting the not to exceed amount of \$4.735M for this project. Mr. Ataie confirmed that completion schedules are included in the contract with the ability to retain liquidated damages for days beyond contracted times. Mr. Ataie stated unknown factors on construction on the east side of McKinney are also factored into the scheduling; however, the contractor will only be authorized to work in one area at a time and must complete one project before moving on the next project. Council unanimously approved the motion by Council member Branch, seconded by Council member Elliott, approve a Resolution authorizing the City Manager to execute a contract and all necessary change orders with Camino Construction, L.P. for the construction of Substandard Utility Replacement and Street Rehabilitation north of Virginia Street (CO1706) and Aerial Wastewater Crossing Improvements - Erwin Avenue (WW2245) Project.
