Preparations for the 16th Annual McKinney Kiwanis Triathlon are in full swing. Our 62 member club is hard at work gathering sponsors, designing shirts and medals as well as taking care of the details of the course.

Last year's event brought athletics and their supporters from 57 Texas cities; 6 States and Canada. Registration began in November for this year's race and our goal is 500 participants.

Identify goals and objectives achieved

1. Provide a safe, yet fun, environment for our athletes
2. Market our community
3. Fundraise for our club
